## **PREAMBLE**

This AGREEMENT, hereafter referred to as the Agreement, entered into by the STATE OF CALIFORNIA, hereafter referred to as the State or the State employer, pursuant to Sections 19815.5 and 3517 of the Government Code, and the CALIFORNIA CORRECTIONAL PEACE OFFICERS ASSOCIATION, hereafter referred to as CCPOA, has as its purpose the promotion of harmonious labor relations between the State and CCPOA; establishment of an equitable and peaceful procedure for the resolution of differences; and the establishment of rates of pay, hours of work, and other terms and conditions of employment.

The term —Agreement” as used herein means the written agreement provided under Section 3517.5 of the Government Code.

## **ARTICLE I RECOGNITION**

### **1.01 Recognition**

- A. Pursuant to the Public Employment Relations Board certification, the State recognizes CCPOA as the exclusive representative for employees in the Corrections Unit 6.
- B. Pursuant to Government Code Sections 19815.5 and 3517, CCPOA recognizes the Director of the Department of Personnel Administration (DPA) or his/her designee as the negotiating representative for the State and shall negotiate exclusively with the Director or his/her designee, except as otherwise specifically spelled out in the Agreement.

## **ARTICLE II CCPOA REPRESENTATION RIGHTS**

### **2.01 Distribution of Literature**

- A. CCPOA representatives requesting access to Bargaining Unit 6 employees and/or designated non-work locations will check with the appropriate designated management authority to determine availability of space for the distribution of information and/or literature. Access to those locations may be restricted based on space availability and operational necessity. A written list of CCPOA stewards and staff shall be furnished to the State, and CCPOA shall notify the State promptly of any change.
- B. CCPOA may use existing employee mailboxes for distribution of information and/or literature. CCPOA assumes responsibility for the distribution of its own literature, unless mailed through the U.S. Postal System addressed to individual employee(s).

### **2.02 Access to Employees**

- A. CCPOA stewards or representatives seeking access to the employees in a work or secure area, or to review documents, shall provide the department head or designee with reasonable advance notice of the visit. Access may be denied or

delayed or limited for reasons of safety, security, public order, or other business-related reasons. Access to employees shall not be unreasonably withheld.

- B. Access to work locations solely for the purpose of observation of the worksite, not involving discussion with employees, may be granted with reasonable advance notice with an appropriate escort. On occasion the representative may need to talk confidentially with the employee or take confidential notes. Under these circumstances, management agrees, if requested by the representative, to ensure reasonable physical separation between the escort, the representative and the employee. However, for legitimate business-related reasons, the representative may be required to take notes or communicate with the employee at an alternate location.

### **2.03 Access to New Employees**

- A. CCPOA representatives shall be allowed access to Unit 6 employees while they attend their respective Academies (during the cadets' duty time) for up to two (2) hours during the first week of each Academy cycle. CCPOA will provide the State the names of representatives who will be meeting with the new employees one (1) week in advance of the meeting. The time of this access shall be mutually agreed to between CCPOA representatives and the Academy Administrator or his or her designee and will fall within normal orientation hours. Academy staff has the right to be present during the presentation, except that he/she/they may be asked to leave by the CCPOA representative for a short period of time (generally fifteen minutes) and he/she/they shall do so. The local CCPOA presenter shall provide the local administration with a pre-planned agenda prior to the orientation. The local administration shall be notified of any changes in the agenda prior to those changes taking place.
- B. CCPOA representatives shall be allowed access to off-duty employees while at the Academy at a time mutually agreed upon by CCPOA and the Academy Administrator or his or her designee. CCPOA will provide the State with the names of representatives who will be meeting with the new employees one (1) week in advance of the meeting.
- C. The State shall provide CCPOA a schedule of when each new Academy cycle begins at least one (1) month prior to the beginning of each cycle.
- D. At the beginning of each new Academy cycle, the State shall provide CCPOA with a complete roster of the names and work locations of each new employee entering Bargaining Unit 6.
- E. Each CCPOA local Chief Job Steward and designee will have two (2) hours of access to new employees during the employee's orientation at each facility, office, camp, or other places of employment. The local management and CCPOA will meet to pick a specific designated time during this orientation for the CCPOA presentation.
- F. Membership Packets and MOU: During both the Academy presentation and the orientation mentioned in paragraph E. above, CCPOA may provide each new

employee with a DPA-approved packet of CCPOA information and a copy of the Unit 6 MOU. DPA approval of said packet of information shall not be arbitrarily or capriciously withheld.

- G. The State shall provide CCPOA adequate meeting space and access to audio/video equipment where available at the place the new employees are assembled for orientation.
- H. The existing practice by which the State employer and federal court, on the one hand, and the union, on the other, provide one (1) hour of joint training (against any —~~code~~ of silence”) to each Academy class shall continue. The State employer shall continue to endeavor to have such training early in the Academy process and before any other ethics training. The State employer shall continue to utilize Mr. Mike Gennaco as its training representative. Should he become either unable or unwilling to serve, either party may reopen this sub-section.

Both the State employer and the union shall continue to bear its own respective costs for providing such joint training.

Such training shall not come out of the union’s allotment of time described in sub-section A above.

#### **2.04 Use of State Facilities**

The State will permit use of certain State facilities for CCPOA meetings, subject to the operating needs of the State and the availability of appropriate space. Requests for use of such State facilities shall be made in advance to the Warden/Superintendent/Regional Administrator or designee. When required in advance, CCPOA shall reimburse the State for additional expenses such as security, maintenance and facility management costs, or utilities, incurred as a result of CCPOA’s use of such state facilities. Such costs shall not exceed those uniformly applied to other users.

#### **2.05 Bulletin Boards**

- A. CCPOA shall have access to employee organization bulletin boards at all work facilities to post materials related to CCPOA activities. Any materials posted must be dated and initialed by the CCPOA representative(s) responsible for the posting, and a copy of all materials posted must be distributed to the Appointing Authority, camp commander, facility head, or unit supervisor at the time of posting.
- B. Where state-owned employee organization bulletin boards exist, the Department shall provide reasonable bulletin board space for the exclusive use of CCPOA; or as an alternative, at its expense, CCPOA may provide at each camp or facility one or more (as described and limited in paragraph J.), with optional cover and lock, not to exceed 36” x 48” in size, and to be placed as described in paragraphs K. and L. Installation will be by the Department. In those cases where the bulletin board is provided with a lock, the Appointing Authority, camp commander, facility head, or unit supervisor shall be provided, at CCPOA’s

expense, two (2) keys to the lock. Such keys will not be used except in case of a safety hazard, or in violation of a no-strike provision or as such in paragraph E. herein; even in such instances the key shall not be used without a reasonable effort to have a CCPOA representative present. Any CCPOA bulletin board shall be installed in a location consistent with institutional safety, security and operational needs.

- C. If bulletin boards in a snack bar exist at facilities beyond those described below, CCPOA shall only be entitled to share such boards and have reasonable space on such boards.
- D. Nothing in this Article shall be construed to require the State to move or remove existing employee or management bulletin boards from their present locations.
- E. CCPOA agrees that nothing illegal or which threatens the safety or security of the facility, or which is of racist, sexist, obscene, defamatory (material which not only impugns the character or reputation of the subject, but is also false) or of a partisan/political nature shall be posted.
- F. Materials posted by an employee of the State shall be posted on the employee's own time.
- G. Should CCPOA decide to place an exclusive bulletin board in a parole facility, size and location shall be reasonably determined by local administration and board size shall be no more than 2 feet by 3 feet.
- H. Size and location of exclusive boards in new facilities shall reasonably be determined by local administration after consultation with CCPOA and the board size shall be no more than 3 feet by 4 feet.
- I. When CCPOA has a local concern over the number of bulletin boards, the Appointing Authority, camp commander, facility head, or unit supervisor and the CCPOA Chapter Chief Job Steward shall meet to determine locations of the bulletin boards.
- J. The number of bulletin boards and locations at each institution will remain the same. Any alterations of existing practices must be locally negotiated and agreed upon by both sides.
- K. CCPOA is allowed one (1) bulletin board in each Unit 6 parole office, facility, and camp.
- L. As new institutions, facilities, camps or offices are opened, the Appointing Authority, camp commander, facility head, or unit supervisor, and the CCPOA Chapter Chief Job Steward shall meet to determine the locations of the bulletin boards at that institution, facility, camp or office.
- M. CCPOA may add a literature distribution box and/or mail box under each of the CCPOA bulletin boards, if it so chooses.
- N. This section shall be administered in accordance with Arbitrator Bonnie Bogue's decision on Case No. 39596-63a dated December 5, 1996.

## **2.06 Chief Job Steward Assignment**

- A. Chief Job Stewards shall be given an assignment in accordance with DAI/DJJ post and bid/post assignment by seniority sections of this MOU. This shall exclude Chief Job Stewards' positions at camps.
- B. In DJJ institutions and/or facilities having more than six (6), and DAI institutions having more than nine (9) authorized MTA positions, plus the Youth Training Center and Northern California Youth Correctional Center, CCPOA shall be able to designate one (1) Chief Job Steward from an MTA classification who shall be placed in a second watch position, with Saturdays and Sundays off where possible, if the steward so requests.
- C. There shall be no more than two (2) Chief Job Stewards for the MTAs employed within each DMH Mental Health Unit. The Chief Job Steward(s) shall be placed in a second watch position with Saturdays and Sundays off, where possible, if the steward so requests.
- D. In the DAI and DJJ camps, CCPOA shall designate one (1) Chief Job Steward of DAI Camps (North), one (1) of DAI Camps (Central), one (1) of DAI Camps (South) and one (1) DJJ Camps (statewide).

## **2.07 Stewards' Rights**

- A. The State recognizes and agrees to deal with designated stewards or staff of CCPOA on all matters relating to the administration of this MOU.

A written list of CCPOA stewards, broken down by department and designated area of primary responsibility, shall be furnished to the State immediately after their designation and CCPOA shall notify the State promptly of any changes of such stewards. CCPOA stewards shall not be recognized by the State until such lists or changes thereto are received. A CCPOA steward's —are of responsibility" means institution, office or building. However, the parties recognize that it may be necessary for CCPOA to assign a steward responsibility for several small offices or buildings within a close proximity.

- B. Upon request of an employee, or on behalf of a CCPOA-filed grievance, a CCPOA steward may:
  - 1. Investigate an employee grievance, including health and safety grievances, and assist in its presentation, provided it is in the steward's department and designated area of primary responsibility;
  - 2. Provide representation of an employee at an interrogation, fact-finding, investigatory interview, or similarly-purposed discussion which has as its purpose the gathering of facts to support adverse actions;
  - 3. Provide representation on E.E.O. complaints, disputes over modified duties/reasonable accommodation, and —aturn-to-work" hearings;
  - 4. Provide representation at shooting review boards or as allowed by the Peace Officers' Bill of Rights;

5. Participate in meetings with local management including local Meet and Confer sessions as may be delegated and required by this MOU.
- C. The steward shall be allowed reasonable time for the purpose of representing employees during working hours without loss of compensation, subject to prior notification and approval by the steward's immediate supervisor. The grievant's immediate supervisor may temporarily deny access to any CCPOA steward for operational necessity. Supervisors shall not unreasonably withhold time off or deny access for purposes of grievance preparation. Investigation of a grievance or adverse action shall not interfere with the work of other employees.
- D. Employees shall be entitled to reasonable time off without loss of compensation to confer with a CCPOA representative on representational matters at the work location in accordance with subsection B. above during work hours, subject to approval of the employee's supervisor.
- E. Pursuant to Government Code 3303(i), the representative shall not be required to disclose, nor be subject to any punitive action for refusing to disclose, any information received from the Peace Officer under investigation for non-criminal matters.

## **2.08 Use of State Telephones**

- A. CCPOA representatives and job stewards shall be permitted reasonable access to State telephones to make calls for CCPOA representation purposes; provided, however, that such access to State telephones shall not result in any additional costs to the State, nor shall it interfere with the conduct of State business.
- B. Personally owned cellular telephones and paging devices will only be allowed within the security areas of institutions/facilities upon Appointing Authority approval.

## **2.09 Questionnaires**

It is the intent of the State employer that all management questionnaires originated by the DAI and/or DJJ not infringe upon the rights afforded to CCPOA under the Ralph C. Dills Act. Copies of all management questionnaires directed toward employees and originated by the departments shall be furnished to CCPOA one (1) week prior to questionnaires being distributed to employees. The State shall also furnish CCPOA, within a reasonable time frame, a copy of all published findings from said study.

## **2.10 Representation on Committees**

- A. If a management-initiated committee has Unit 6 employees participating on said committees or in its meetings, and/or the committee is developing a plan or policy on issues within the scope of representation, CCPOA shall be provided a seat on the committee. The work of said committee shall not be in any way construed as — ~~Met and Confer~~ — as defined under the Ralph C. Dills Act. A copy of official minutes, when taken, of said committee meetings shall be provided to the CCPOA representative on the committee.

The Executive Use of Force Review Committee will be reconfigured into two separate segments: **Segment One** will be conducted by Executive Management and designated staff who will review all use of force incidents. **Segment Two** (which will occur after and separate from Segment One) will be an after-action review that will be the same day or the next day attended by the same executive management that conducted Segment One, as well as a CCPOA representative. The after-action review team will review use of force cases to identify related issues, including, but not limited to, possible trends that may indicate a need for additional training and/or misunderstanding of policies.

Six (6) months after the implementation of the reconfigured Executive Use of Force Review Committee, upon CCPOA's request, the State agrees that at least the CDCR Agency Secretary, Undersecretary of Operations and Undersecretary of Administration will meet and confer with CCPOA representatives regarding the effectiveness of the after-action review process.

- B. Only CCPOA's headquarters may negotiate or designate someone to negotiate any issue, whether statewide or local, under the Meet and Confer sections of the Ralph C. Dills Act or this Agreement.
- C. The State shall not negotiate with or enter into memoranda of understanding or adjust grievances or grant rights or benefits covered by this Agreement or within CCPOA's scope of representation unless such action is with CCPOA's written concurrence.

#### **2.11 Union Activity Related to Collective Bargaining**

- A. The State shall annually provide the amount of release time to CCPOA for activity related to collective bargaining pursuant to the parties' agreement of December 11, 2001.
- B. The Department of Personnel Administration and CCPOA shall meet annually in advance of the time when the union activity will be conducted to determine the allocation of time between departments which employ Unit 6 employees.

#### **2.12 Printing Contract**

The State will reimburse CCPOA for the actual cost of printing the MOU up to the agreed upon amount. CCPOA will provide the State with a reasonable number of printed contracts.

### **ARTICLE III ORGANIZATIONAL SECURITY**

#### **3.01 Dues Deduction**

- A. It is the intent of this section to provide for payroll deductions of CCPOA members in Unit 6, relative to dues and insurance programs. CCPOA dues, regular and general assessments, and other membership benefit deductions properly and lawfully authorized will be deducted by the State from the salary of each employee in an amount specified by CCPOA and in accordance with State

Controller's Office administrative policies and procedures and transmitted to CCPOA. Amounts deducted shall be set by CCPOA and changed by the State upon written request of CCPOA. CCPOA agrees to pay charges for service in accordance with State Controller's Office administrative procedures. The State agrees to provide prior notification of State Controller's Office service rate changes to the CCPOA.

- B. The written authorization for CCPOA dues deductions shall remain in full force and effect during the life of this MOU.
- C. CCPOA hereby agrees in consideration of forbearance by the State Controller, at the request of CCPOA of the Controller's right to require a waiver from State employees of any liability for inadvertence or error, as a condition of making payroll deductions for payment to CCPOA pursuant to the Government Code Sections 1151 and 1152, and of benefits accruing to CCPOA, as a result of such forbearance. CCPOA hereby agrees to hold the State of California, the State Controller and his/her employees harmless from liability for any errors in withholding or transmitting payroll deduction monies for CCPOA except for liability to CCPOA for monies actually withheld, but not transmitted.

### **3.02 Agency Shop**

Since CCPOA has certified that it has a CCPOA membership of at least fifty percent (50%) of the total number of full-time employees in Unit 6, CCPOA is allowed to collect a "fair share" fee from non-CCPOA members who are employees in Bargaining Unit 6.

The fair share shall operate in accordance with the following:

- A. The State employer agrees to deduct and transmit to CCPOA all deductions authorized on a form provided by CCPOA, and pursuant to Government Code Section 3515.7, to deduct and transmit to CCPOA all fair share fees from State employees in Unit 6 who do not elect to become members of CCPOA. The State employer agrees to deduct and transmit all deductions and fair share fees during the life of this MOU and after the expiration of this MOU until (1) a successor agreement is reached, or (2) implementation of the State's last, best and final offer after negotiations, whichever comes first. The State shall deduct and transmit fair share fees effective with the first pay period following ratification of this MOU. Such authorized dues deductions and fair share fees shall be remitted monthly to CCPOA along with an adequate itemized record of deductions. CCPOA shall pay any reasonable costs incurred by the State Controller. The State employer shall not be liable in any action brought by a State employee seeking recovery of, or damages for, improper use or calculation of fair share fees and CCPOA agrees to hold the state employer harmless for any such action.
- B. Any employee may withdraw from CCPOA by sending a signed withdrawal letter to CCPOA with a copy to the State Controller. Employees who withdraw from CCPOA shall be subject to paying a CCPOA fair share fee as provided above.

- C. The amount of membership dues and fair share fees shall be set by CCPOA and changed by the State upon written notice from CCPOA. CCPOA agrees to notice all affected employees any time there is a change in membership dues or fair share fees.
- D. CCPOA agrees to indemnify, defend and hold the State harmless against any claims made of any nature and against any suit instituted against the State arising from its checkoff for CCPOA deductions.
- E. Pursuant to Government Code Section 3515.7(c), any employee who is a member of a religious body whose traditional tenet or teachings include objections to joining or financially supporting employee organizations shall not be required to financially support CCPOA. That employee, in lieu of a membership fee or fair share fee deduction, shall instruct the State employer, via a means prescribed by the State Controller, to deduct and pay sums equal to the fair share fee to a non-religious, non-labor organization, charitable fund approved by the State Board of Control for receipt of charitable contributions by payroll deductions.
- F. If an employee who holds conscientious objections pursuant to this item requests individual representation in a grievance, arbitration, or administrative hearing from CCPOA, CCPOA may charge the employee for the reasonable costs of such representation.
- G. An employee who pays a fair share fee shall be entitled to fair and impartial representation by CCPOA. A breach of this duty shall be deemed to have occurred if CCPOA's conduct in representation is arbitrary, discriminatory or in bad faith.
- H. CCPOA agrees to keep an adequate record of its financial transactions and shall make available annually, to the Public Employment Relations Board (PERB) and to employees in Unit 6 within ninety (90) days after the end of its fiscal year, a detailed written financial report in the form of a balance sheet and an operating statement, certified as to accuracy by the president and treasurer or comparable officers of CCPOA. In the event of failure to comply with this section, the State employer or any employee in Unit 6 may petition the PERB for an order compelling compliance.
- I. CCPOA agrees to annually notify any state employee who pays a fair share fee of his or her right to demand and receive from CCPOA a return of any part of that fee paid by him or her which represents the employee's traditional pro rata share of expenditures by CCPOA that is either in aid of activities or causes of a partisan, political, or ideological nature only incidentally related to the employee's terms and conditions of employment, or applied toward the cost of any other benefits available only to members of CCPOA.
- J. A fair share form of organizational security enacted pursuant to this article may be rescinded by a majority of those votes cast, rather than a majority of members of the unit, provided that: (a) a request for such a vote is supported by a petition

containing the signatures of at least thirty percent (30%) of the permanent full-time employees in the unit; (b) the vote is by secret ballot; and, (c) the vote may be taken at any time during the term of this MOU. If the PERB determines that the appropriate number of signatures has been collected, it shall conduct the vote in a manner which it shall prescribe.

- K. No provision of this article shall be subject to the grievance and arbitration procedure contained in this MOU.
- L. Should a majority of employees in Unit 6 rescind the fair share form of organizational security of this MOU, all employees who are, or voluntarily become, members of CCPOA shall remain members of CCPOA, except that a maintenance of membership provision shall not apply to any employee who within thirty (30) days prior to the expiration of the MOU withdraws from CCPOA by sending a signed withdrawal letter to CCPOA with a copy to the State Controller.

## **ARTICLE IV STATE'S RIGHTS**

### **4.01 Management Rights**

- A. Except as expressly abridged by any provision of this Agreement, the State and the Departments reserve and retain all of their normal and inherent rights with respect to management of their affairs in all respects in accordance with their responsibilities, whether exercised or not, including, but not limited to, the rights to determine and, from time to time, to redetermine the number, location, and type of work forces, facilities, operations, and the methods, processes and equipment to be employed; the scope of services to be performed, the method of service, assignment of duties, and the schedule of work time and work hours, including overtime; to contract and sub-contract existing and future work; to discontinue conduct of their mission or operations in whole or in part; to determine whether and to what extent the work required in their operations shall be performed by employees covered by this Agreement; to transfer work from or to, either in whole or in part, any of the work forces or facilities and locations; to determine the number, types and classification of positions or employees assigned to program or project unit; to establish and change work schedules, assignments and facilities locations; to hire, transfer, promote and demote employees; to lay off, terminate or otherwise relieve employees from duty for lack of work or other legitimate reasons; to suspend, discharge or discipline employees; to alter, discontinue or vary past practices and otherwise to take such measures as the employer may determine to be necessary for the orderly, efficient and economical operation of CDCR.
- B. The State has the sole authority to determine the purpose, mission and title of the Departments and the amount and allocations of the budget.

### **4.02 Employee Services**

Employee services will continue unless eliminated or modified by management because of economic, program(s) or business-related reasons.

#### **4.03 State-Owned Housing**

The State employer shall provide CCPOA with reasonable notice if state-owned housing rates or utility rates are to be increased and shall Meet and Confer with CCPOA over such increases.

During the life of this MOU, the DAI and CCPOA shall form a joint labor/management committee to make recommendations to Department of General Services concerning increasing state-owned housing.

### **ARTICLE V GENERAL PROVISIONS**

#### **5.01 No-Strike**

- A. During the term of this Agreement, neither CCPOA nor its agents or any Bargaining Unit 6 employee, for any reason, will authorize, institute, aid, condone or engage in a work slowdown, work stoppage, strike or any other interference with the work and statutory functions or obligations of the State.
- B. CCPOA agrees to notify all of its officers, stewards and staff of their obligation and responsibility for maintaining compliance with this section, including the responsibility to remain at work during an interruption which may be caused or initiated by others, and to encourage employees violating this section to return to work.
- C. The State may discharge, suspend, demote or otherwise discipline any employee who violates this section. Nothing contained herein shall preclude the State from obtaining judicial restraint and damages in the event of a violation of this section.

#### **5.02 Savings Clause**

Should any provision of this Agreement be found unlawful by a court of competent jurisdiction or invalidated by subsequently enacted legislation, the remainder of the Agreement shall continue in force. Upon occurrence of such an event, the parties shall Meet and Confer as soon as practical to renegotiate the invalidated provision(s).

#### **5.03 Protected Activity**

- A. The State and the Union shall not impose or threaten to impose reprisals on employees, to discriminate or threaten to discriminate against employees, or otherwise to interfere with, restrain or coerce employees because of their exercise of rights guaranteed by the Ralph C. Dills Act.
- B. The State shall not impose or threaten to impose reprisals on the Union, to discriminate against the Union, or otherwise to interfere with, restrain, or coerce the Union because of the exercise of rights guaranteed to it by the Ralph C. Dills Act.

- C. The requested remedy for alleged violations of this section shall be through the grievance and arbitration procedure contained in this MOU. Grievances alleging violations solely of this section may be filed directly at the second level of review no more than ninety (90) days from the occurrence giving rise to the grievance, or ninety (90) days from when the Union reasonably should have known about the alleged violation.

Grievances regarding this section may be appealed to arbitration following the third (departmental) level of review.

- D. Should the grievance eventuate in arbitration, the Arbitrator's decision and award shall be final and binding on all the parties. The Arbitrator shall have full authority to grant any appropriate remedy, including, but not limited to, a remedy or award which a PERB Administrative Law Judge could grant.

#### **5.04 Copies of the Memorandum of Understanding**

- A. CCPOA will print, at CCPOA expense, sufficient copies of this Memorandum of Understanding to supply a copy to each employee. CCPOA will bulk mail sufficient copies to each institution, facility, camp and parole office at CCPOA expense.
- B. Three (3) CCPOA Job Stewards at an institution with two hundred (200) or more Bargaining Unit 6 employees shall be given two (2) hours of —Official Business Time" on five (5) locally-negotiated days in order to distribute copies of this Memorandum of Understanding. #### **5.05 Quarterly Labor-Management Meetings**

CDCR, CCPOA, and DPA agree to conduct quarterly labor/management meetings in order to discuss on-going labor relations issues and in order to maintain on-going communications and dialogue regarding but not limited to: contract administration, grievances and items of mutual interest to both parties or of concern to each party in general. Five (5) representatives from each side (five (5) union and five (5) management) shall participate in these meetings and shall include one (1) person each from the management and union's bargaining teams. Quarterly meetings shall be initiated during the month of March 2002 and will be conducted for duration of the MOU.

## **ARTICLE VI GRIEVANCE AND ARBITRATION PROCEDURE**

### **6.01 Purpose**

- A. This grievance procedure shall be used to process and resolve formal written grievances arising under this MOU and other employment-related formal written grievances.
- B. The purposes of this procedure are:
  - 1. To resolve formal written grievances informally at the lowest possible level.
  - 2. To provide an orderly procedure for reviewing and resolving formal written grievances promptly.

### **6.02 Definitions**

- A. A —~~contract~~ grievance” is a dispute between CCPOA and the State, or a dispute of one (1) or more employees against the State, involving the interpretation, application or enforcement of the provisions of this MOU.
- B. A —~~policy~~ grievance” (a non-arbitrable grievance) is a dispute between one (1) or more employees against the State, or a dispute between CCPOA and the State involving subjects not covered by this agreement and not under the jurisdiction of the State Personnel Board. A policy grievance may be processed only to the Director’s level of this grievance procedure unless otherwise capped at a lower level in this agreement (e.g., LOIs/WIDs), and is not arbitrable.
- C. A —~~health and safety~~” grievance will include, but not be limited to, such matters as:
  - 1. Unsafe structural conditions;
  - 2. Defective or unsafe mechanical equipment;
  - 3. Defective or unsafe electrical;
  - 4. Health and environmental hazards including, but not limited to, contained bio-hazard fluids;
  - 5. Vector Control; and
  - 6. Violation of acknowledged custodial rules or procedures which would constitute a danger of safety to the employee, worksite or the public. Health and safety grievances shall be filed directly at Step 2, the Appointing Authority’s level.
- D. The following are merit system appeals under the jurisdiction of SPB, and are not grievable or arbitrable under this MOU. Complainants or appellants are placed on notice that these following items should be appealed directly to SPB unless an initial departmental appeals process has been spelled out in the Youth Authority

Administrative Manual (YAM) or the CDCR Departmental Operations Manual (DOM):

1. Exam appeals;
  2. Adverse Action appeals (Government Code Section 19570, et seq.);
  3. Merit complaints;
  4. Whistle-blower complaints;
  5. Equal Employment Opportunity complaints (see the YAM or DOM);
  6. Appointment appeals;
  7. Withholds from certification (background investigations).
- E. As used in this procedure, the term —~~im~~mediate supervisor” means the individual, identified by the Appointing Authority, who assigns, reviews and directs the work of an employee.
- F. As used in this procedure, the term —~~pr~~ty” means CCPOA, an employee or the State.
- G. A —CCPOA representative” refers to an employee designated as a CCPOA steward or a paid staff representative.
- H. Grievances shall be filed on a mutually negotiated grievance form provided by the State, and made readily accessible at each and every institution, facility, camp and parole office.

### **6.03 Time Limits**

- A. Each party involved in a formal written grievance shall act quickly so that the grievance may be resolved promptly. Every effort should be made to complete action within the time limits contained in the grievance procedure. However, with the mutual consent of the parties, the time limitation for any step may be extended.
- B. If there has been no mutually agreed-upon time extension, failure to respond to the grievance within the specified time frames shall allow the grievant to file a grievance at the next level. If this occurs, the higher level must respond to the grievance and may not return it to a lower level.
- C. Where mass grievances are filed or arguably frivolous/redundant grievance activity is occurring, the State or CCPOA may temporarily freeze all grievance time frames and processing for those grievances alleged to be in this category. If the State is to invoke this section, the State shall contact CCPOA headquarters, prior to the freezing of the grievances, to arrange a meeting between the local CCPOA Chapter, CCPOA headquarters staff, institutional management staff, and departmental Labor Relations staff, to meet locally on these issues and/or problems associated with the frozen grievances. This shall occur prior to the grievances being unfrozen and the time frames reinstituted. Once this meeting

has occurred, the State has fourteen (14) calendar days to respond to the grievances. This also applies to the mini-arb.

#### **6.04 Waiver of Steps**

- A. The parties may mutually agree to waive the grievance procedure to the appropriate step for resolution.
- B. Where the lower level is able to resolve the issue or issues grieved, the grievance can be redirected from the higher level to the lower level without the higher level answering the merits of the grievance, but the lower level shall answer within the time frames allowed for the higher level, upon receipt of an expedited transmittal. If the grievant is dissatisfied with the lower level response, the grievance can then be advanced to the next level above the higher level which should have responded to the grievance, with a copy to the initial higher level.

#### **6.05 Presentation**

At any step of the grievance procedure, CCPOA may request that the State representative hold a grievance conference. If the State representative agrees to hold a grievance conference and a grievance conference is scheduled, the grievant and the CCPOA representative may attend without loss of compensation.

#### **6.06 Employee Rights**

Each employee retains all rights conferred by Section 3512, et seq., of the Ralph C. Dills Act.

#### **6.07 Informal Discussion — Step 1**

- A. An employee grievance initially shall be discussed with the employee's involved supervisor within twenty-one (21) calendar days of the alleged violation or after knowledge of same reasonably should have been acquired. The involved supervisor shall render an immediate response, if possible, or within seven (7) calendar days if he/she requires further research.
- B. If it is clear that the supervisor does not have the authority to grant the grievance, he/she must so state this fact to the grievant immediately on the appropriate worksheet. (See Appendix Item #1)
- C. The involved supervisor's resolution of the grievance at Step 1 shall be non-precedential.

#### **6.08 Formal Appeal — Step 2**

- A. If a grievance is not resolved at Step 1 to the satisfaction of the grievant, a formal grievance may be filed no later than within seven (7) calendar days of the decision at Step 1.
- B. However, if a CCPOA grievance is not initiated at Step 1, the grievance must be filed within twenty-one (21) calendar days after the event or circumstances

occasioning the grievance, or within twenty-one (21) calendar days of the alleged violation or after knowledge of same reasonably should have been acquired.

- C. A formal grievance shall be initiated in writing on the mutually negotiated grievance form provided by the State, and shall be filed with the Appointing Authority or designee. Upon filing of the written grievance, the institution or parole region shall assign the grievance a number in accordance with Appendix Item #2.
- D. If the grievance is not in the scope of authority of the Appointing Authority or designee to grant, the grievant's CCPOA Job Steward may file the grievance directly at Step 3 of the grievance process, unless the grievance alleges a violation of an MOU section which may be appealed to mini-arb pursuant to Section 6.13. These grievances may not be filed directly at the third level under any circumstances.
- E. Prior to formally responding to the grievance, there shall be a grievance conference between the grievant (if not CCPOA), CCPOA and the Appointing Authority or designee, subject to the provisions of Sections 6.03 and 6.04.
- F. Within twenty-one (21) calendar days after receipt of the formal written grievance, the Appointing Authority or designee shall respond in writing to the grievance as the first level of response. Decisions at this level are considered nonprecedential.
- G. Regardless of who files the grievance, a copy of the grievance and the response shall be mailed by the Appointing Authority or designee to the appropriate office of CCPOA and a copy hand delivered or mailed to the work address of the local CCPOA representative. The postmark date shall determine the date of the response.
- H. This shall be the final level of review for any grievance involving the contents of a LOI or WID, the contents of a performance appraisal, an alleged POBR violation, and all Health and Safety grievances.

#### **6.09 Formal Appeal — Step 3**

- A. If the grievant is not satisfied with the decision rendered pursuant to Step 2, the decision may be further appealed as follows:
  - 1. If the grievance alleges a violation of a section of the MOU listed under Section 6.13, the grievance may be appealed to mini-arb under the rules and procedures specified in Section 6.13. This mini-arb shall be the only and final level of review for all such grievances.
  - 2. If the grievance alleges a violation of any other section of the MOU which may be appealed beyond the second level, the grievance may be appealed to CDCR/DMH Department Director or Designee as follows:

- a. Within twenty-one (21) calendar days of the receipt of the second level response, the grievant or CCPOA may appeal the decision to the Director of the Department or designee.
- b. Within twenty-one (21) calendar days after receipt of the appealed grievance, the person designated as third level of appeal shall respond in writing to the grievance, subject to the provisions of Sections 6.03 and 6.04.
- c. This shall be the final level of review for all ~~policy~~ "policy" grievances in that they do not involve the interpretation, application or enforcement of the provisions of this MOU.
- d. Regardless of who files the grievance, a copy of the grievance and said response shall be mailed by the Appointing Authority or designee to the appropriate office of CCPOA.
- e. If the grievance alleges a violation of the following MOU Sections: 2.03, 2.04, 2.08, 2.09, 5.03, 7.04, 7.05, 7.06, 7.07, 9.03, 9.06, 9.09 (except G.), 10.02 (except D.), 10.08, 10.09, 10.18, 11.02, 11.03, 11.06, 12.04 (except G.), 12.06, 14.05, 16.02, 16.06, 17.03, 17.06, 17.09, 17.10, 17.11 (except F.), 17.13, 17.14, 17.15, 18.01, 18.02, 18.03, 19.01, 19.02, 19.03, 19.06, 20.01, 20.02, 21.01, 22.01, 22.02, 22.03, 24.01, 24.03, 24.07, 24.08, 25.01, 25.02, the grievance may be appealed directly to arbitration after the third level response. The appeal to arbitration shall be made by sending a request for arbitration to the Director of the DPA, or designee, within twenty-one (21) calendar days of the third level response. The arbitration shall be conducted in accordance with Section 6.11 of this article.

#### **6.10 Formal Appeal — Step 4**

- A. If the grievant is not satisfied with the decision rendered at Step 3, the grievant may appeal the decision within twenty-one (21) calendar days after receipt of the decision as follows:

If the grievance alleges a violation of any the following sections of the MOU: 1.01, 2.01, 2.02, 2.05, 2.06, 2.07, 2.10, 2.11, 2.12, 3.01, 4.01, 4.02, 4.03, 5.01, 5.02, 5.05, all sections in Article VI, 7.02, 8.01, 8.02, 8.05, 8.06, 8.07, 9.04, 9.05 D., 9.08, 9.10, 9.12, 9.14, 9.15, 9.16, 10.01 (except G.), 10.06, 10.10, 10.11, 10.12, 10.13, 10.14, 10.17, 11.08, 11.11, 11.12, 12.01, 12.02, 12.03, 13.01, 13.02, 13.03, 13.10, 14.01, 14.03, 14.04, all sections in Article XV (except 15.03, 15.04, 15.12, 15.18, 15.20), 16.03, 17.02, 17.12, 18.04, 18.05, 21.02, 26.01 (except K.), 27.01, 27.02, 27.03, the grievance must be appealed to the Director of the DPA, or designee within twenty-one (21) calendar days after receipt of the decision at the third level. Within twenty-one (21) calendar days after receipt of the appealed grievance, the Director of

DPA or designee shall respond in writing to the grievance, subject to the provisions of Sections 6.03 and 6.04.

- B. DPA and CCPOA representatives agree to hold quarterly grievance settlement meetings to facilitate the resolution of specific grievances received at the fourth level.
- C. In the event the Department of Personnel Administration renders a grievance response at the fourth level that provides in whole, or in part, a remedy for the contract violation alleged in the grievance, and that remedy is not enforced or implemented in accordance with instructions or directives set forth in the grievance response, the union may compel the enforcement or implementation of the remedy by filing a petition for writ of mandate pursuant to Code of Civil Procedure Section 1085 in a court of competent jurisdiction. The union will be deemed to have exhausted all administrative remedies necessary to the pursuit of a writ of mandate upon providing notice to the Department of Personnel Administration of specific nature of the unenforced or unimplemented fourth level grievance remedy, and upon a showing that the remedy remains unenforced or unimplemented for a period of fifteen (15) days following the date of such notice. A court of competent jurisdiction may issue a writ or order compelling the enforcement or implementation of the remedy prescribed in the fourth level grievance response, and may also award costs and attorneys fees upon a showing that there was no reasonable business justification for the delay or failure to implement or enforce the grievance remedy.

#### **6.11 Arbitration**

- A. Only grievances which involve the interpretation, application or enforcement of the provisions of this MOU may be appealed to binding arbitration.
- B. Pursuant to subparagraph A. above, if CCPOA is not satisfied with the decision rendered in Step 3 or in Step 4, only CCPOA may appeal the decision to binding arbitration. Such appeal shall be made by written demand within twenty-one (21) days to the Director of DPA or designee. Only grievances which exclusively allege violations of those MOU sections listed in subsection 6.09 A (2) e. can be appealed to arbitration directly after the third level of response. CCPOA shall have one hundred eighty (180) calendar days after appealing the grievance to request in writing DPA to strike for arbitrators. If the request to strike arbitrators is not made within one hundred eighty (180) calendar days, the grievance shall be considered withdrawn and CCPOA may not proceed to arbitration.
- C. An expedited arbitration procedure shall be available in the following limited circumstances: in situations in which irreparable injury will result from threatened action by either party and for which there is no adequate remedy at law (e.g., backpay), the other party may request an expedited arbitration of the matter. The parties will exercise best efforts to secure an arbitrator, to have the arbitration (including arbitrating during non-business hours, e.g., on weekends and holidays) and to receive the decision (written or bench depending upon circumstances) prior to the threatened action or if the action has occurred, as

soon as possible after the action. The parties may develop a list of arbitrators who commit to be available for these short-notice, expedited proceedings.

Only grievances pursuant to subparagraph A. above may be so appealed. The arbitrator shall have the powers that normally exist including, but not limited to: (1) order the party initiating the grievance to abide by the time limits provided in this article or, (2) issue an order to the party proposing the action to temporarily defer the action. The arbitrator shall have the power to frame a decision, including those rendered under Section 27.01, provided it does not add to, delete, or alter any provisions of this MOU, or any agreements supplementary thereto, but shall limit the decision to the application and interpretation of its provisions.

- D. The parties agree that they intend this arbitration clause to extend beyond the expiration of the MOU and continue until the implementation of a successor MOU or the implementation of the State's last, best and final offer after impasse. The State recognizes its obligation to maintain the terms of this MOU after expiration and before agreement on a new MOU or implementation of the State's last, best and final offer after impasse. Grievances filed during this period will retain the same level of arbitrability as during the life of this MOU.

#### **6.12 Selection and Authority of Arbitrator**

- A. An impartial arbitrator shall be selected from a mutually agreed-upon standing panel of no less than twenty (20) arbitrators pre-selected by DPA and CCPOA. Selection for a particular arbitration shall be made by alternately striking names from the list until one (1) name remains. Such remaining person shall be designated as the arbitrator. The first party to strike a name from the list shall be picked by lot. The parties agree to meet following ratification of this MOU to develop an alternative rotational system for selecting arbitrators which may be implemented by mutual agreement. Within ninety (90) days of ratification of this MOU, the parties shall meet and increase the panel of arbitrators to twenty (20).
- B. If at any time there are less than ten (10) mutually agreed upon arbitrators empaneled, then either party may unilaterally seek a list of five (5) arbitrators from the American Arbitration Association or the California Mediation and Conciliation Service. Selection for that given arbitration shall be made by alternately striking names from the list of five (5) until one (1) name remains. Such person shall be designated as the arbitrator. The first party to strike names from the list shall be determined by lot.
- C. The State and CCPOA will use expedited arbitration unless agreed otherwise. Expedited arbitration is defined as:
  - 1. A requirement that the arbitrator selected render a written decision within sixty (60) calendar days of the conclusion of the hearing.
  - 2. No post hearing briefs unless mutually agreed by the parties.
- D. The decision of the arbitrator shall be final and binding.

- E. The arbitrator shall have no authority to add to, delete, or alter any provisions of this MOU, or any agreements supplementary thereto, but shall limit the decision only to the application and interpretation of the provisions.
- F. The Arbitrator shall have the authority to frame the issue if the parties cannot, or have a default of —Should the grievance be granted? If so, what is the remedy?”

### **6.13 Mini-Arb**

- A. Grievances exclusively alleging a violation of Sections: 5.04, 7.01, 7.03, 8.04, 9.01, 9.02, 9.05 (except D.), 9.07, 10.01 G., 10.02 D., 10.07, 10.16, 11.01, 11.04, 11.05, 11.07, 11.10, 11.13, 12.05, 14.02, 14.06, 14.07, 15.03, 15.12 j., 16.01, 16.04, 17.01, 17.04, 17.05, 17.08, 17.11 F., 17.16, 18.07, 19.04, 19.05, 19.07, 23.01, 24.02, 24.05, 24.06, 26.02, of this MOU, and where the grievance has not been resolved at the first or second levels of review. CCPOA may appeal the grievance to mini-arb which shall operate under the following rules:

1. The mini-arb shall be held at the local worksite or other mutually agreed upon location.
2. The arbitrator shall be selected from the list of arbitrators agreed upon by the parties.
3. The arbitrator shall review and decide multiple grievances at a time. The mini-arbs will be held at least quarterly, as necessary, or when no less than eight (8) grievances under this section are pending review.
4. Only the grievant, and his/her local CCPOA Job Steward and no more than two (2) local management representatives may appear before the arbitrator to make an oral presentation. The arbitrator shall make his or her decision solely on the written record in the grievance, the grievance response(s), and any oral presentation made at the arbitration proceeding.

The presentations shall be time-limited, consistent with the intent of this provision to hold multiple grievance reviews in a single day. Only the arbitrator may ask the other side questions. Labor Relations Representatives may represent the State on one (1) grievance in a twelve (12) month period. CCPOA Field Representatives may represent one (1) grievance in a twelve (12) month period. CCPOA Rank and File Vice-Presidents and the CCPOA Executive Vice-President may represent the grievant on an occasional basis related to specific need. If the use of CCPOA Rank and File Vice-Presidents or the CCPOA Executive Vice-President becomes excessive, this issue will be addressed by the Mini-Arbitration Committee.

5. The CCPOA Job Steward and the grievant(s) will attend the arbitration proceeding without loss of compensation. Upon giving reasonable advance notice, but no less than fourteen (14) days, the State shall accommodate a shift change request from a grievant and/or a

representative who is scheduled to work first or third watch on the day of the mini-arb.

6. The arbitrator will issue a bench decision on each grievance. The decision of the arbitrator is final and binding, but shall have no precedential value whatsoever.
7. The arbitrator shall have no authority to add to, delete, or alter any provisions of this MOU, or any agreements supplementary thereto, but shall limit the decision to the application of the MOU to the facts and circumstances at hand.
8. The cost of the mini-arb shall be borne by the loser of each case. Should there be a dispute as to who ~~lost~~ the case, the arbitrator shall have the authority to apportion the costs.
9. The State and CCPOA agree that no attorneys shall be used in this mini-arb process. This includes anyone who has graduated from law school, except the grievant.
10. The parties are limited at the mini-arb to presenting only the facts, documents, and arguments presented during the lower levels of the grievance process. Supporting documents may be added after the second level response if said documents are obtained as a result of a written information request submitted prior to the second level response. At the conclusion of the second level grievance conference, for any grievance which has the potential of going to mini-arb, the grievance package, including any supporting documentation, will be lettered, i.e., the first page is lettered —A, the second “B”, etc. The parties will initial the last page.
11. If during the second level grievance conference either party requests an extension of the second level response time limits to investigate the grievance, the parties will recess the grievance conference. If the grievance conference is recessed, the parties will sign a written waiver form recessing the grievance conference and establishing a date to continue the grievance conference. Time extensions are limited to one (1) and may not exceed fourteen (14) calendar days. If the State refuses to recess the grievance conference, then CCPOA shall have fourteen (14) calendar days to issue a rebuttal to the second level grievance response. This rebuttal shall become part of the grievance package forwarded to the mini-arb. If CCPOA refuses to recess the grievance conference, then CCPOA shall not be allowed to rebut the second level grievance response.
12. If the grievance alleges violations of contract sections that are subject to the mini-arb process and contract sections that are not subject to the mini-arb process, the grievant must choose between either: (1) dropping all of the contract sections subject to the mini-arb process and pursuing through

the normal grievance process the contract sections not subject to the mini-arb process, or (2) dropping all of the contract sections not subject to the mini-arb process and pursuing the grievance through the mini-arb process. The grievant must make this choice after the second level response.

13. When the decision is made by CCPOA to take the grievance to mini-arb, the parties at the local level will meet and number the pages of the grievance package, 1 of however many pages, 2 of however many pages, etc. The parties will initial the last page.
  14. If the second level grievance response contains or relies in part on information that was never discussed or raised in the second level grievance conference, CCPOA shall have fourteen (14) calendar days in which to add a rebuttal to the grievance package.
- B. By mutual agreement between DPA and CCPOA, grievances involving interpretations of other sections of the MOU not listed above may be referred to this process.
  - C. The Mini-Arbitration Committee established January 2, 1998, will continue to meet on an as-needed basis.
  - D. The mini-arb shall be requested by CCPOA sending a letter and the grievance package to the CDCR, Labor Relations Office within sixty (60) calendar days of the second level response. The Mini-Arbitration Committee may change the language of this paragraph D., if necessary.

#### **6.14 Arbitration Costs (Except Mini-Arb)**

The cost of regular arbitration shall be shared equally between the parties.

#### **6.15 CDCR Decision/Settlement Implementation**

- A. Whenever DPA receives an arbitration decision, or issues a decision or enters into a settlement agreement of a 4<sup>th</sup> level grievance which provides a remedy in part or whole, and will require an action(s) by CDCR, DPA shall provide CDCR with the decision. This decision will include a summary that clearly articulates the necessary remedies to be implemented by CDCR for full compliance with the decision.
- B. This summary will include whether the decision/settlement represents a department wide remedy, or a local issue remedy only. The information will be provided directly to the CDCR Chief, Labor Relations Branch (LRB), who will be responsible to notify the respective Chief Deputy Director(s), the Director, and all affected parties to the decision rendered. DPA decisions relevant to remedy of a 4<sup>th</sup> Level grievance shall carry the full force and weight of Binding Arbitration. CCPOA, at their discretion, may present such decision/settlement to a competent court of law for confirmation.

- C. Upon receipt of an arbitration or 4<sup>th</sup> Level grievance decision/settlement which provides a remedy in part or whole, the LRB Chief or designee, acting for the Director, will be responsible to prepare a notification of action necessary to implement the arbitration or grievance remedy. This notice will be recorded at the LRB and sent to the appointing authority of the area(s) affected by the decision. The appointing authority(s) will be required to provide the LRB with confirmation of receipt of the notice. Confirmation shall be sent within two (2) working days of receipt of notice.
- D. The affected appointing authority shall be responsible to implement the necessary actions as detailed by the LRB on behalf of the Director. The appointing authority shall be responsible to provide the Director, via the LRB, confirmation that all required actions have been implemented to satisfy the arbitration or decision/settlement. This notification shall be transmitted to the LRB no later than ten (10) working days from receipt of the initial notification. If, based upon complexity of the issues, completion of all necessary actions are not attainable in this time frame the appointing authority shall be required to submit a notice to the LRB, detailing what action have completed and a time table to achieve full compliance with the decision.

- H. It is understood that references to safety and health conditions of work are not intended to include those hazards and risks which are an ordinary characteristic of the work or are reasonably associated with the performance of an employee's responsibilities and duties. It is not the intent of this section to prevent full discussion of proposed remedies to any safety hazard or risk which is an ordinary characteristic of the work or is ordinarily associated with the performance of an employee's responsibilities and duties. This shall include the opportunity of either party to discuss those Health and Safety grievances which cite concerns other than a clear and present danger.
- I. If minutes of the Safety Committee meeting are taken, a copy shall be provided to the CCPOA representative on the Committee.
- J. The Health and Safety Committee shall, at its regularly scheduled meetings, review and make recommendations for the responses to safety grievances referred to it. If the employee's first annual performance report is due less than three (3) months from completion of probation, the annual performance report will not need to be completed until the following calendar year, but will cover the entire period from the final probationary performance report.
  3. In DJJ, the existing practice of Annual Performance Reports being due in the same month for all BU6 employees at each facility will continue.
- B. While in the process of completing the annual performance report or a probationary report, the employee's supervisor shall personally meet with the employee to review the report, any notes, documents, or audits utilized in preparing the report. Nothing of a negative nature shall be mentioned in a performance report if the performance was not previously documented and discussed with the employee during the rating period. Generally, employees who correct their performance to satisfactory during the rating period should receive a standard or better rating.

An employee will have access to his/her personnel file, supervisory file, medical file, and training or IST file. Access to investigative files shall be pursuant to the *Bodiford* decision.
- B. An employee may request an inspection of his/her official personnel file, by the employee or the employee's representative, at the employee's work location. CCPOA may, upon request of the employee, send a representative to monitor the reproduction of the material.
- C. The establishment of this committee shall not preclude CCPOA or its members from seeking remedies outside the grievance process.

### **9.04 Access and/or Release of Employee Files to Nondepartmental Persons**

Unless released pursuant to court order or subpoena, information in the employee's official personnel, training/IST, medical, citizens complaint and/or supervisory files is confidential, and will be available for inspection only to the employee, his designee, the department head, or his/her designee in connection with the proper administration of the department's affairs and/or supervision of the employee, and the employee shall be

Unless special circumstances exist, LOIs/WIDs should not be written if the knowledge of the incident is more than thirty (30) days old.
- C. In cases where departmental staff are investigating an employee in a situation in which adverse action potentially may follow, and the decision is made to give the employee an LOI/WID, the LOI/WID shall be issued in a timely fashion, generally within thirty (30) days from the decision to give the employee an LOI. This will not prevent the parties from negotiating a formal adverse action down to an LOI/WID.
- D. The parties agree that LOIs/WIDs (or similar documents regardless of title as discussed in subsection E below) are instructional and intended to improve job performance. Accordingly, LOIs/WIDs shall not be cited as charges in any adverse action. They may be used as supporting evidence by the State in a later disciplinary case, if the expiration date has not yet occurred, in order to show that the State has put the employee on notice about what is expected in the future.  
  
The LOI/WID (or similar document) may only be cited in or submitted as support for a subsequent adverse action to prove the employee knew about a law, rule, policy or employer expectation. The document shall not be cited in a subsequent Notice of Adverse Action or admitted into evidence to prove prior misconduct (or a pattern of misconduct) leading to the adverse action.
- E. This provision shall not be circumvented by calling the document by another title such as: Letter of Informal Discussion, Report of Counseling, Letters of Contact, or Expectations of Work Performance memos. Such —minor” corrective memos are to be placed in the employee's supervisory file, but not in the employee's personnel file.
- F. The employee shall have the right to submit a rebuttal to any LOI/WID, or any such comment referred to in subsection E. above. This rebuttal shall be attached to and shall accompany the LOI/WID.

- B. Out-of-Class When Required  

If a department head or designee requires an employee, in writing, to work in a higher classification for more than fifteen (15) calendar days, the employee shall receive a pay differential of five percent (5%) over his/her normal daily rate of the class to which he/she is appointed for that period in excess of fifteen (15) calendar days. If a department head or designee requires, in writing, an employee to work in a higher classification for thirty (30) consecutive calendar days or more, the employee shall receive a pay differential of five percent (5%) over his/her normal daily rate of the class to which he/she is appointed from the first day of the assignment. If the assignment to a higher classification is not terminated before it exceeds one hundred twenty (120) consecutive calendar days, the employee shall be entitled to receive the difference between his/her salary and the salary of the higher class at the same step the employee would receive if the employee were to be promoted to that class, for that period in excess of one hundred twenty (120) consecutive calendar days. The five percent (5%) differential shall not be considered as part of the base pay in computing the promotional step in the higher class.
- C. Should any employee file suit against CCPOA seeking to declare this provision illegal, the State shall indemnify for any costs incurred in defending itself.
- D. The State shall not rotate employees in and out of out-of-class assignments for the purpose of avoiding payment of an out-of-class differential.
- E. It is not the State's intent to select employees for out-of-class assignments based on favoritism.

- F. If any dispute arises about this out-of-class section (subsections A. through G.) an employee may file a grievance and arbitrate the grievance utilizing the mini-arb process described in Article VI.
- G. It is not the intent of either party to circumvent any certified hiring or promotional list, or the Merit System in general. Furthermore, whenever possible, the Appointing Authority shall choose employees for out-of-class appointments from the current hiring list for the particular job classification for which the employee is to be hired on an acting basis. If there is no appropriate current hiring list at the local facility or office complex, the State shall assign the out-of-class duty only to those employees who are qualified to take the examination for entry into that classification. Permanent employees who vacate positions to accept out-of-class assignments shall have a mandatory right of return to their former position and assignment, when possible, upon the conclusion of the out-of-class work.

### **9.08 Classification Proposals**

### **9.09 Personnel Investigations**

- A. An employee who is under investigation for an action or incident which is likely to result in formal adverse action shall be normally notified, at least twenty-four (24) hours prior to the investigative interview, simultaneously, in writing, of both the subject matter and his/her right to representation prior to any interrogation, fact-finding, investigatory interview, or shooting review board, or similarly-purposed discussion which has the potential of obtaining information which, if found to be true, could or is likely to result in formal adverse action. The employee will be given a reasonable opportunity to secure the representative of his/her choice.
- B. If an employee is called to an investigatory interview and the employee reasonably believes the subject matter of the investigation is such that the employee could possibly receive discipline, the employee, at his or her request, shall be given a reasonable opportunity to secure a representative of his/her choice. In the event of an incident (shooting or use of force) that requires an immediate investigation by the Deadly Force Investigation Team (DFIT) or Office of Internal Affairs (OIA), the affected Hiring Authority will notify the appropriate local CCPOA representative as soon as possible of the incident and the activation of DFIT/OIA.
- C. The employee will be provided with a copy of all documents and/or other investigatory material in accordance with the Public Safety Officers Procedural Bill of Rights (POBR) and any current or subsequent court decisions which impact or alter Government Code Section 3300, et seq.
- D. Whenever a ward/inmate/parolee/patient files or submits a grievance, a 602 (Inmate Appeal), any written complaint, or verbal complaint which is later

reduced to writing by either the inmate or the State, which, if found true, could result in adverse action against the employee or contain a threat against the employee, the Department agrees to immediately notice the employee of said filing. The State agrees to provide the affected employee a copy of said document if the employee so requests. This is not intended to preclude the informal level response procedure in the current CDCR Operations Manual. Upon the employee's request, a copy of the outcome of the ward/inmate/parolee/patient's complaint shall be provided, if the complaint has progressed beyond the informal stage. The Employer and CCPOA agree that all video tapes, audio tapes or any other kind of memorialization of an inmate/ward/parolee/patient statement or complaint shall be treated as a writing within the meaning of this subsection. The tapes or ~~writings~~ shall be turned over, regardless of whether the complaint/statement is deemed ~~inmate/ward/parolee/patient initiated~~ or not.

- E. However, whenever the Department is conducting an investigation which necessitates surveillance, obtaining a search warrant, undercover operations, or a ~~stig~~, the employer need not inform the employee of the written complaint until the investigation is completed.
- F. The State agrees that any Unit 6 member under investigation shall be granted an opportunity to view the cell extraction videotape with his/her representative prior to the related investigatory interview.

Management can have a representative present at the viewing to ensure the integrity of the tape, but the management's representative shall not be so close as to intrude in a private communication.

- G. The Departments acknowledge their obligation to complete all Unit 6 personnel investigations within twelve (12) months under the terms and exceptions of Government Code Sections 3304 and 3309.5 inclusive. This subsection 9.09 G. is not arbitrable. The employee may, however, at any time utilize whatever remedies may be available under POBR.
- H. Employees ordered to attend an investigatory interview by DAI/DJJ shall be informed in one (1) written document of: (1) the subject matter (scope) of the investigation, (2) whether the employee is deemed a witness or a subject of the investigation, (3) whether the investigation is for purposes of administrative discipline or is considered a criminal investigation, and (4) his/her right to representation. If the employee is designated a witness, the notice shall allow a reasonable amount of time for the employee to obtain a representative. In criminal investigations, the representative will be an attorney or a member of the legal staff of CCPOA working under the direction and supervision of an attorney and the notice will allow a reasonable amount of time for the representative to travel to the location of the interview. If the employee is designated a subject of the investigation, the employee will be given at least twenty-four (24) hours advance notice of the investigatory interview.

- I. If DAI/DJJ decides to immunize a witness in an administrative or criminal investigation, the immunization shall be accomplished by reading into the tape recording, the administrative or criminal witness admonishment form provided in Appendix #7. The employee shall be given a copy of the signed form at the conclusion of the interview.
- J. An employee or the employee's representative will be permitted to tape record the interview. At the conclusion of the interview, if the employee was designated a witness in the notice of the interview, the tape made by the employee or employee's representative shall be sealed by the employee or the employee's representative in an envelope or evidence bag to be provided by the employee or the employee's representative and retained by the investigator. The bag shall not be opened or magnetically compromised by any agent of DAI/DJJ. The sealed employee's tape shall be made available to the employee in advance of any subsequent interview of the employee regarding the same or related subjects, and will be provided to the employee on request after the investigation has been concluded. Employees designated as the subject of an investigation in the notice of the interview will be permitted to retain the tape at the conclusion of the interview.

An employee separated, pursuant to California Government Code Section 19996.2 (the AWOL statute), shall be afforded a *Coleman* hearing by his/her Appointing Authority within ten (10) work days after service of the notice of separation. The date of service is either the date of personal service or the date of the mailing of the notice. Neither a failure to afford a *Coleman* hearing nor the decision of the *Coleman* officer shall be subject to the grievance and arbitration procedure of the collective bargaining agreement.
- B. Requests for reinstatement after AWOL separation shall be handled solely through the grievance and arbitration procedure of the collective bargaining agreement, beginning at the third step.

If a request for reinstatement goes to arbitration, the arbitrator's authority shall be limited to deciding the following: (1) whether the employee has a satisfactory explanation for his/her absence; (2) whether the employee has a satisfactory explanation for failing to obtain leave; and (3) whether the employee is ready, willing, and able to return to work, and/or, if not, whether the employee has leave from his/her Appointing Authority to be absent.

The arbitrator may order reinstatement only if the employee establishes satisfactory reasons for the absence and the failure to obtain leave and if he/she is ready, willing, and able to return to work or has leave to be absent. If the employee is reinstated, back pay may be awarded.

#### **9.11 Peace Officer Bill of Rights**

The Peace Officer Bill of Rights, hereafter referred to as POBR, applies to all Peace Officers in Bargaining Unit 6. Alleged POBR violations may be grieved up to the

Appointing Authority's level, but shall not be grievable nor arbitrable beyond this level. This section shall not constitute a waiver of any of the appeal rights granted a Peace Officer under POBR.

### **9.12 DAI/DJJ DOT Drug Testing**

The parties agree that the DAI and DJJ DOT Drug Testing Agreement shall be an addendum to this agreement.

### **9.13 Substance Abuse — Reasonable Suspicion Testing**

The parties have met and conferred over the State's substance abuse policy set forth in Department of Personnel Administration (DPA) Rules 599.960 through 599.966 and hereby agree to the following:

A. General Policy. (Ref. DPA Rule 599.960)

The State and CCPOA agree that it is the purpose of its policy on substance abuse testing to help ensure that the State work place is free from the effects of drug and alcohol abuse, and to do so in a way that protects constitutional and statutory rights of employees. The provisions on substance abuse testing are not meant to be a limitation upon the use, nor replace, the State's Employee Assistance Program; nor are the provisions meant to be a limitation upon the State's ability to order a medical examination or take adverse action.

B. Reasonable Suspicion. (Ref. DPA Rule 599.962)

1. Information from an anonymous source or from an inmate/ward/parolee/patient source shall not be the sole criterion for determining reasonable suspicion. Anonymous information or inmate/ward/parolee/patient-originated information must be supported or corroborated by the Appointing Authority and his or her designee in order to order reasonable suspicion testing.
2. For purposes of determining reasonable suspicion, the Department of Corrections and Rehabilitation and Mental Health will make every effort to consult with an on-duty medical staff person authorized by the Department, when available on duty at the worksite. However, the decision to order a substance abuse test shall remain with the Appointing Authority or designee.
3. The State agrees to maintain a training program for its supervisors and designees in the administration of its substance abuse policy. This training shall include a section on recognizing symptoms of substance abuse, and other factors which may constitute reasonable suspicion.
4. The facts and circumstances upon which the reasonable suspicion is based, shall be given to the employee at least orally at the time the employee is directed to submit to a substance abuse test, and shall be made available in writing within twenty-four (24) hours. These facts and circumstances shall be documented on the Reasonable Suspicion

Checklist (CDCR Form 1874). Such documentation shall include observations of the relevant on-duty medical person specified in B.2. above. The oral conversation may be taped by either the State or the employee.

C. Testing Procedures and Standards. (Ref. DPA Rule 599.963)

1. If the Appointing Authority receives DPA approval to test for the improper use of a substance not listed in the statewide policy, it will inform the employee of its intent to test for that substance prior to the actual sample analysis.
2. The sample collected under a substance abuse test will not be used to test for any other medical condition such as pregnancy, sexually transmitted diseases, or other diseases such as diabetes. However, the sample could be used to match such sample with subject.
3. Substances to be tested for shall include the following, using established procedures specified by the Substance Abuse and Mental Health Services Administration (SAMHSA):

Substance

Amphetamines  
Methamphetamines  
Cannabinoids  
Cocaine  
(Benzoylecgonine)  
Opiates  
Phencyclidine  
(PCP)  
Benzodiazepines  
Methaqualone  
Barbiturates

<u>Substance</u>	<u>Screening Test Concentration Level</u>	<u>Confirmatory Test Concentration Level</u>
Alcohol	.04% weight/volume	04% weight/volume

There are no SAMHSA cut-offs for the remaining substances. The State will use the test cut-off levels established by SAMHSA for identifying positive test samples. Where SAMHSA does not establish cut-off levels for a substance, the State will notice CCPOA of the cut-off level to be used. Should the State desire to change the cut-off levels based on changes to SAMHSA or other standards, the State will notice CCPOA and meet to discuss the changes.

Results for alcohol will be confirmed at collection sites with the equipment for breath sample testing using an evidential breath testing device which

meets the standard specified in the federal regulation 49 CFR Part 40 and is an approved device on the federal conforming products list.

4. The State agrees that the procedures for collecting the sample should be done in a professional manner with due regard to the employee's privacy and confidentiality, consistent with the State's need to ensure a true sample is taken. The State will follow SAMHSA guidelines in establishing these procedures.
5. The State shall maintain and follow a secure chain of custody to ensure true samples are taken. In establishing this chain of custody, the State will take the SAMHSA guidelines into consideration as well as recommendations of the laboratories selected to do the testing. The State agrees to meet with CCPOA to review the chain of custody procedures, and consider CCPOA recommendations once the laboratories have been selected. Once the chain of custody procedures have been finalized, they shall be provided to CCPOA in writing.
6. Consistent with Section 599.964(d), the testing laboratory will be informed of its obligation to preserve a sufficient portion of the sample to be independently tested by the employee.
7. If the State intends to rely on a positive test result to initiate adverse action, it shall notify the laboratory that all portions of the sample, including any portion reserved for the employee, should be retained pending completion of any appeal procedures.
8. Copies of the test results and chain-of-custody documents shall be provided within three (3) work days of receipt of the documented results by management.
9. CCPOA may submit a list of commercial laboratories for the State to consider in developing its ~~—id~~ "package" for testing services. Such submissions must meet standards used by SAMHSA, the College of American Pathologists, or other comparable standards to accredit laboratories for forensic urine testing. Such submissions shall in no way obligate the State to select such laboratories to perform testing services.
10. The State shall use the commercial laboratories selected or otherwise approved by DPA. CCPOA shall be notified of the laboratory selected to perform the testing changes.

D. Employee Rights. (Ref. DPA Rule 599.964)

1. In addition to the rights specified in DPA Rule 599.964, employees shall be entitled to representation during the sample collection process. A representative shall in no way interfere with the sample collection process. CCPOA will provide timely representation upon request.
2. DPA Rules 599.960 through 599.966 shall be made available upon request, but such request shall not be deemed to require a delay in the

testing process. They will be provided to new hires within the first three (3) weeks at the Academy or the first week of employment at the work location, whichever is first.

3. For purposes of requiring an employee to submit to periodic testing as a condition of remaining or returning to State employment (refer to paragraph c. of DPA Rule 599.960), the State agrees to develop guidelines for “return to work agreements” which specify the conditions under which an employee may remain in his or her employment. Conditions appropriate for these return to work guidelines include but are not limited to:
  - a. Periodic testing for substance abuse during the period of the return to work agreement, during which the employee must test negative at all times;
  - b. Reasonable suspicion testing for substance abuse during the return to work agreement under the terms of the general policy;
  - c. Requirement that the employee participate in a substance abuse rehabilitation program at the employee’s expense;
  - d. Termination of the employee if its conditions are violated.

Placing an employee on such —Return to Work Agreement” shall not preclude adverse action short of termination. (See DPA Rules 599.960-599.966)

4. Should an employee be found to have tested positive for a substance, and adverse action is taken against said employee, his/her appeal and remedies should be through the SPB appeal process and not through the grievance arbitration sections of the MOU.
5. Persons who do not test positive shall not have any record of the test placed in his/her official personnel file, unless the employee so requests, and may file a complaint over the administration of the test.

E. Expedited Grievance Process for Addressing Issues Related to Section 9.13.

1. An aggrieved employee or the Union has ten (10) work days from the date of the administration of a drug test on an employee, or ten (10) days from the date of discovery of an alleged procedural non-conformance, to file an expedited grievance alleging procedural nonconformance.
2. The expedited grievance shall be filed at the departmental level. The State shall have ten (10) work days to respond. Prior to responding, and within the ten (10) work days, a grievance conference shall be held if requested by the State or CCPOA.
3. If the grievant is not satisfied with the departmental decision, the grievant may appeal the decision within five (5) work days after receipt of the decision, to DPA. This level shall be considered the final step in this

expedited grievance process, and constitutes an exhaustion of the administrative remedies available to Bargaining Unit 6 employees and CCPOA pertaining to Section 9.13. This shall not preclude an appellant who is subsequently subject to adverse action because of violation of DPA Rules 599.960 to 599.966 to raise any issues regarding procedural non-compliance with Section 9.13 or DPA Rules 599.960 to 599.966 before the SPB. It is clearly understood that Section 9.13 and DPA Rules 599.960 to 599.966 are not arbitrable, and constitutes an exhaustion of administrative remedies unless the issue is raised before the SPB in an adverse action appeal.

#### **9.14 Random Substance Testing Program**

##### **A. Authority and Purpose**

1. It is the intent of the State and the Union to maintain a drug and alcohol free workplace. This objective is accomplished through education, employee assistance, reasonable suspicion and random drug and alcohol testing, and discipline. Consistent with a Peace Officer's sworn oath to uphold the laws of the State of California, each Bargaining Unit 6 Peace Officer employee shall not illegally use or be impaired from the use of a drug designated in subsection B.1.a.(1) through (8), or be impaired by use of alcohol while on the job.
2. To maintain a workplace free from the negative effects of drug and alcohol use, the parties agree that, effective April 15, 1998, all newly hired Bargaining Unit 6 employees and newly reinstated employees with a break in service of more than twelve (12) months, as defined in Section 12.01, will be subject to unannounced random drug and alcohol testing. Newly hired means when an employee is first appointed into a Bargaining Unit 6 classification.
3. It is expected that the CDCR will begin testing managers and supervisors in calendar year 2000. Testing of rank and file will not be expanded until testing of managers and supervisors has been implemented.
4. Testing of additional rank and file employees will only begin after reaching agreement with the Union on a procedure to test these rank and file employees. Negotiations on procedures to test these rank and file employees will commence six (6) months following testing of twenty percent (20%) of the managers and supervisors.
5. It is the expectation of the parties that the expansion of drug testing of the additional rank and file will begin during the second year of the contract.

##### **B. Random Testing Process and Standards**

1. The drug and alcohol testing process shall be one that is scientifically proven to be at least as accurate and valid as urinalysis using an immunoassay screening test, with all positive screening results being

confirmed, utilizing gas chromatography/mass spectrometry before a sample is considered positive. The alcohol testing process shall be one that is scientifically proven to be at least as accurate and valid as breath alcohol testing using an evidential breath testing device which meets the standards specified in the federal regulation 49 CFR Part 40 and is an approved device on the federal conforming products list.

a. Substances to be tested for shall include the following, using established procedures specified by SAMHSA:

- (1) Amphetamines and Methamphetamines
- (2) Cocaine
- (3) Marijuana/Cannabinoids (THC)
- (4) Opiates (narcotics)
- (5) Phencyclidine (PCP)
- (6) Barbiturates
- (7) Benzodiazepines
- (8) Methaqualone
- (9) Alcohol

b. The State will use the test cut-off levels established by SAMHSA for identifying positive test samples.

2. Test samples will be collected in a clinical setting, such as a laboratory collection station, doctor's office, hospital or clinic, or in another setting approved by the State on the basis that it provides for at least an equally secure and professional collection process, with due regard for the employee's privacy and confidentiality. The State shall use SAMHSA chain of custody procedures to ensure that true samples are obtained.
3. The State shall use SAMHSA chain of custody procedures to ensure that a sample is maintained from the time it is taken, through the testing process, to its final disposition.
4. Substance tests shall be performed by a SAMHSA certified laboratory.
5. The Substance Abuse Program Manager will use the Health Evaluation and Information system for Drug abuse in Industry (HEIDI) computer software to randomly select employees for testing. Approximately thirty-five percent (35%) of the Bargaining Unit 6 employees will be selected for drug and alcohol testing annually.

#### C. Employee Rights

1. Each employee subject to random testing shall be given a copy of an information packet explaining the employee's rights and the substance abuse procedures to be followed.
2. An employee suspected of violating this Article shall be entitled to representation during any interrogative interviews with the affected employee that could lead to a decision by the Appointing Authority to take

adverse action against the employee. The employee shall also be entitled to representation in any discussions with the Medical Review Officer that occur under subsection D.

3. The sample collection process shall include the opportunity for the employee to provide information about factors other than illegal drug use, such as taking legally prescribed medication, that could cause a positive test result. At the employee's option, this information may be submitted in a sealed envelope to be opened only by the Medical Review Officer if the test result is positive.
4. The employee shall receive a full copy of any test results and related documentation of the testing process.
5. All confirmed positive urine samples shall be retained by the testing laboratory in secure frozen storage for one (1) year following the test or until the sample is no longer needed for appeal proceedings or litigation, whichever is longer. At the employee's request and expense, the urine sample may be retested by that laboratory or another laboratory of the employee's choice.

D. Medical Review Officer

1. The State shall designate one (1) or more Medical Review Officers, who shall be licensed physicians, to receive test results from the laboratory. Upon receiving results, the Medical Review Officer shall:
  - a. Review the results and determine if the standards and procedures required by this Article have been followed.
  - b. For positive results, interview the affected employee to determine if factors other than illegal drug use may have caused the result.
  - c. Consider any assertions by the affected employee of irregularities in the sample collection and testing process.
  - d. Based on the above, provide a written explanation of the test results to the Appointing Authority or his/her designee. The employee shall also receive a copy of this explanation.

E. Records, Confidentiality

1. The State shall maintain records of the results of any employee testing under this Article. These records, and any other information pertaining to an employee's drug or alcohol test, shall be considered confidential and shall be released only to:
  - a. The employee who was tested or other individuals designated in writing by that employee.
  - b. The Medical Review Officer.

- c. DPA, as needed, for the effective administration of the Article.
- d. Individuals who need the records or information to:
  - (1) Determine, or assist in determining, what action the Appointing Authority should take in response to the test results.
  - (2) Respond to appeals or litigation arising from the drug test or related actions.

F. If Section 5.02 applies to this section, then the provisions of Section 5.02 shall apply or the parties may renegotiate minor discipline.

### **9.15 Disciplinary Process**

- A. No State official or employee shall impose or threaten to impose reprisals on employees, discriminate or threaten to discriminate against employees, or otherwise interfere or threaten to interfere with employees, restrain or threaten to restrain employees, or coerce or threaten to coerce employees because of their exercise of their appeal rights to the SPB or its authorized representative or for appearing as a witness before the SPB or its authorized representative.
- B. Upon request from CCPOA legal staff, the State will allow the CCPOA Chapter President or Job Steward a reasonable amount of State time to be released from his/her assignment to attend an SPB hearing to assist CCPOA legal staff on technical issues when the hearing is held at the institution.

### **9.16 Course and Scope Protection - Defense in Civil and Criminal Actions**

- A. Civil Actions
  - 1. This section is not designed to change the substantive rights and responsibilities of either the State employer or an affected correctional employee. Rather, it is to provide an alternative quick and less expensive (as compared to going to court) process by which such rights and responsibilities are to be determined.
  - 2. In any case where a bargaining unit member is sued civilly s/he may tender a defense of the action to the State employer, using procedures agreed upon by CCPOA and DPA applicable to all departmental employees within ninety (90) days of ratification.
  - 3. This section will apply to all civil actions filed against Bargaining Unit 6 employees on or after the effective date of this MOU even if the events alleged occurred prior to this MOU section becoming effective. If the State employer refuses the tender of defense, then:
    - a. The State employer shall give to the employee a written, detailed statement explaining the reasons for the decline of the tender;

- b. Said reasons shall comply with Government Code section 995 et seq with regard to the rights and responsibilities of both the State employer and the correctional employee (bargaining unit member);
- c. If CCPOA believes that the tender of defense violates the rights of the employee under Government Code section 995 et seq. (and section 995.2 in particular), then CCPOA and CCPOA alone shall have the right to grieve the propriety of the refusal of the tender of defense. Moreover, because time is of the essence, the parties agree that any dispute concerning the interpretation or application of this section shall be resolved through Section 6.11 and Section 6.12 (e.g., 6.12 (c)) provided the employee first executes a waiver of any and all rights to challenge the denial of representation in some other forum, including a court of competent jurisdiction. The grievant (CCPOA) and employer will have the right to present testimony, statements and documents in support of their respective positions in accordance with the following:
  - (1) All parties shall have the right to subpoena witnesses and documents, and may assert any and all privileges. Additionally, the adjudicator shall refuse to issue or quash any subpoena upon a demonstration that the production of the witness or document creates an undue burden or significantly interferes with the ability to prepare for or defend against an underlying civil action.
  - (2) If the adjudicator refuses to issue or quashes a subpoena based on a demonstration as discussed in subparagraph a above, the employee shall be permitted to either proceed pursuant to Section 6.11 and 6.12 notwithstanding the adjudicator's ruling, or elect to challenge the denial of representation by proceeding directly to court under Government Code section 996 et seq. If the employee proceeds pursuant to Sections 6.11 and 6.12 despite the adjudicator's ruling, the employee does not prevail, then nothing in this section shall be construed to prevent the employee from challenging the denial of representation just as if Sections 6.11 and 6.12 were never invoked.
  - (3) Where the events leading to the denial of representation give rise to both criminal and civil liability, and a prosecuting agency makes a written request to the State, the following shall occur:
    - (a) The Section 6.11 and 6.12 provisions of this section shall be stayed; and, the employee and State shall jointly move the court in which the civil action is venued to stay its proceedings until the criminal matter is concluded.

- (b) In the unlikely event that the civil court does not stay proceedings pending completion of the criminal matter, then CCPOA shall have the option of proceeding pursuant to Section 6.11 and 6.12. CCPOA shall provide the State with a list of witnesses and documents requiring a subpoena because they are not available voluntarily or through some other means of discovery. The adjudicator may issue a subpoena for said witnesses and documents unless a written objection is presented by a prosecuting authority in which case the subpoena shall not issue. CCPOA may then elect to proceed pursuant to Section 6.11 and 6.12 or proceed with other remedies.
- (4) Any decision rendered pursuant to this section shall be in accordance with substantive law on the subject of the tender of defense by State employees, including but not limited to Government Code section 995 et seq. and cases interpreting same.

#### B. Criminal Actions

1. By written request to the Director, an employee may request legal representation from the Department in a criminal matter brought against the employee, as a result of an alleged act or omission arising out of the employee's employment. This section covers all criminal charges filed against Unit 6 employees, on or after October 1, 2001, even if the events underlying the charges occurred prior to the ratification of the MOU.
2. If an employee requesting legal representation in a criminal matter brought on account of an alleged act or omission arising out of the employee's employment for which the employee has been cleared by any departmental investigation or review, the Department will provide the employee with legal representation in the criminal action unless and until the Department obtains information which it contends supports one of the conditions of withdrawal of defense under Government Code section 995.2.
3. The employee and his attorney will be provided with the detailed reasons for the Department's denial or withdrawal of the request for representation. Neither the denial nor the withdrawal shall be subject to the grievance and arbitration procedure. However, in the event that the Department denies the employee representation in a criminal matter (whether the Department has cleared the employee or not) arising out of the course and scope of employment, and the employee is subsequently acquitted of all charges, or the charges are dropped or dismissed by a Court in their entirety without the employee suffering any sentence, penalty, fine, service or

diversion, the Department shall reimburse the employee for all reasonable attorneys' fees and costs incurred in defense of the criminal matter.

## **ARTICLE X LEAVES**

### **10.01 Vacation Leave**

- A. Employees shall not be entitled to vacation leave credit for the first six (6) months of service. On the first day of the monthly pay period following completion of six (6) qualifying months, employees covered by this section shall receive a one-time vacation credit of forty-eight (48) hours. Thereafter, except as provided below, for each additional qualifying monthly pay period, the employee shall be allowed credit for vacation with pay on the first day of the following monthly pay period as follows:

7 months to 3 years	8 hours per month
37 months to 10 years	11 hours per month
121 months to 15 years	13 hours per month
181 months to 20 years	14 hours per month
241 months and over	15 hours per month

Notwithstanding the above, on the first day of the July pay period each year of this MOU, Unit 6 employees shall accrue one (1) hour less of vacation than identified in the schedule above.

For each employee in Unit 6 on the first day of the July pay period, the employer shall credit the union's Release Time Bank in Article 10 with one (1) hour.

- B. Breaks in employment of eleven (11) work days or more, including unpaid leaves of absence, shall not be counted towards vacation leave accrual purposes set forth under paragraph A. above.
- C. Employees who work less than full-time shall receive vacation leave credit in accordance with the vacation leave accrual schedule in paragraph A. above, when total accumulated employment equals one (1) month of full-time employment.
- D. Employees who work on an intermittent basis shall receive vacation leave credits in accordance with the vacation leave accrual schedule in paragraph A. above, on the basis of one hundred sixty (160) hours of paid employment equals one (1) month of full-time employment. Any hours worked over one hundred sixty (160) hours in a monthly pay period shall not be counted toward vacation leave accrual. On the first day of the monthly pay period following completion of the initial six (6) qualifying pay periods, an intermittent employee shall receive a one-time vacation credit of forty-eight (48) hours. Thereafter, intermittent employees shall receive vacation credit in accordance with the schedule in paragraph A. above on the first day of the monthly pay period following completion of each

qualifying pay period. The hours of paid employment in excess of one hundred sixty (160) hours in a monthly pay period shall not be counted or accumulated.

1. In DAI and DJJ, a PIE shall be allowed to utilize up to two (2) 40-hour weeks of paid vacation each year and may be permitted by the appointing authority or his/her designee to use more. Alternatively, PIEs may request up to two (2) 40-hour weeks of unpaid time off. Once a vacation period or unpaid time off has been granted, it shall not be canceled by management, except in emergencies.
2. Vacation/unpaid time off requests will be submitted to the Personnel Assignment Lieutenant (and administered) using the PIE's Academy hire date until the implementation of the seniority calculations under Section 12.01. At that time, vacation/unpaid time off requests will be made in the same manner as requests made by permanent full-time staff. Although PIEs will not use the authorized positions in the vacation relief pool, the institution will establish a vacation schedule that will allow up to 1/26 of the total number of PIEs at the institution to be on vacation or unpaid time off in any given two-week vacation period.

When it is determined that there is a lack of work, a department head or designee may:

- a. Schedule the intermittent employee for vacation leave; or
  - b. Allow the intermittent employee to retain his/her vacation credits; or
  - c. Effect a combination of a., or b. above.
- E. If an employee does not use all of the vacation leave credit that the employee has accrued in a calendar year, the employee may carry over his/her accrued vacation credits to the following calendar year.
- F. Upon termination from State employment, the employee shall be paid for unused vacation credits for all accrued vacation time.
- G. The time when vacation is to be taken shall be determined by the department head or designee. When two (2) or more employees request the same vacation time and the department head or designee cannot grant the request to all employees requesting it, approval shall be granted in order of seniority.
- H. If an employee desires to cancel a pre-scheduled vacation time, the employee:
1. Shall notify the supervisor, in writing, no less than thirty (30) calendar days in advance of the scheduled vacation time;
  2. If assigned to a community-based facility, institution or camp, may not cancel the scheduled vacation time if more than one-quarter ( $\frac{1}{4}$ ) of those scheduled for vacation during the same pay period have been approved for cancellations, unless specifically approved by facility/institution management. Failure to notify the supervisor in writing in 1. above shall result in the employee being forced to use the scheduled vacation time,

and the loss of any rights to request and be scheduled for subsequent vacation time during the calendar year based on seniority.

3. Vacation/Work Week:

For purposes of vacation scheduling, the work week shall start with first watch/graveyard shift on Monday and end at third watch/swing shift on Sunday.

I. If the State cancels a scheduled vacation or CTO leave and the employee suffers an economic loss as a result of the State's cancellation of that leave, the State shall reimburse the employee for all reasonable and documented economic loss of the employee provided the employee:

1. Notifies the employer at the time he/she is told of the vacation/CTO leave cancellation that economic loss will result;
2. Makes all reasonable attempts to recover his/her expenses; and,
3. Provides the employer documentation of the economic loss.

## 10.02 Sick Leave

A. Sick Leave Accrual

1. **Full-Time Employees:** Employees shall receive eight (8) hours of sick leave credit on the first day of the monthly pay period following completion of a qualifying pay period (eleven [11] or more work days of service in a monthly pay period). The provisions of this paragraph (10.02 A.1.) do not apply to fulltime 7k exempt Fire Captains identified in Section 17.02.
2. **Part-Time Employees:** Part-time employee(s) shall earn, on a pro rata basis, the fractional part of eight (8) hours of credit for sick leave with pay on the first day of the monthly pay period following completion of each qualifying pay period (eleven [11] or more work days of service at their time base).
3. **PIEs:** Employees shall receive eight (8) hours of sick leave credit on the first day of the monthly pay period following completion of each qualifying pay period. The hours of paid employment in excess of one hundred sixty (160) hours in a monthly pay period shall not be counted or accumulated.

Notwithstanding any other section of this MOU, an Intermittent Employee shall only be permitted to use sick leave credits for approved sick leave which occurs during periods when they are pre-scheduled to work as referenced in 26.01 C.4.

4. Multiple Positions (Under This Rule):
  - a. An employee holding a position in addition to other full-time employment with the State shall not receive credit for sick leave with pay for service in the additional position.

- b. Where an employee holds two (2) or more less than full-time positions, the time worked in each position shall be combined for purposes of computing credits for sick leave with pay, but such credits shall not exceed full-time employment credit.

B. Sick Leave Use

1. Approved sick leave means the necessary absence from duty of an employee because of:
  - a. Illness or injury.
  - b. Illness or complications due to a pregnancy which prevent an employee from working.
  - c. Exposure to a contagious disease which is determined by a physician to require absence from work.
  - d. Dental, eye, and other physical or medical examination or treatment by a licensed practitioner.
  - e. Required attendance upon the employee's ill or injured mother, mother-in-law, father, father-in-law, wife, husband, daughter, son, sister, brother, or any person residing in the immediate household. Such absence shall be limited by the department head or designee to the time reasonably required for such care.
2. The employee is responsible to give the Department reasonable advance notice for the reasons cited in B.1. Employees are strongly urged to give at least two (2) hours advance notice prior to the start of the employee's duty shift, but under normal circumstances, reasonable advance notice will be considered one (1) hour. Should the employee be sick the night before his/her shift, and is reasonably certain he/she will not be able to go to work the following day, said employee must call in sick at the earliest possible time. The employee will personally contact the designated supervisor at the institution, camp, facility, or parole region to request sick leave usage.
3. The department head or designee shall approve use of sick leave credits only after having ascertained that the absence was for an authorized reason. If disapproved, the department head or designee must specifically state in writing the reason(s) for the disapproval.
  - a. DAI: The employee is responsible for submitting an accurate 998A form to the designated supervisor on or before the third working day of the pay period following the pay period in which the sick leave was taken. An employee who fails to submit a 998A by the third (3rd) working day will be notified in writing, advising the employee that he/she has fifteen (15) calendar days to submit the approved/disapproved 998A to the Personnel Office. Employees who fail to submit the 998A form within the fifteen (15) days shall be docked for their absence(s) and an accounts receivable date will be

established. In the case of long-term sick leave absence, the employee is responsible for submitting the 998A form to the designated supervisor. The designated supervisor will provide the employee with a copy of the approved/disapproved 998A form at the time of submission.

- b. DJJ: The employee is responsible for submitting an STD 634 form to the designated supervisor on or before the third working day of the pay period following the pay period in which the sick leave was taken. In case of long-term sick leave absence, the employee is responsible for submitting the STD 634 form to the designated supervisor no later than the end of the pay period. The designated supervisor will provide the employee with a copy of the approved/disapproved STD 634 form at the time of submission.
- 4. An employee will receive a pay dock for approved sick leave time if the employee had no sick leave or other credits. If the employee has insufficient accrued sick leave credits, but has other leave credits, the employee may be allowed to use those credits to cover the approved sick leave time.
- 5. Sick leave may be taken in fifteen (15) minute increments.

#### C. Sick Leave Verification

- 1. An acceptable “medical verification” for sick leave use is a document signed by a United States Licensed Physician, nurse practitioner, or other health care specialist/professional, competent within their scope of practice to make a medical evaluation on the employee’s alleged/stated illness, injury or medical incapacity, and such person is making the evaluation while on duty in his/her respective employment relationship within a health care facility or medical practice. Unless requested at the time of approval, prescheduled and approved medical/dental appointments/treatments do not require medical verification.
- 2. Medical verification may also be required but only if required in advance.  
  
At the time the sick call is received, medical verification may be requested in circumstances including but not limited to:
  - a. An employee is unable to personally make the sick leave request to the designated supervisor.
  - b. The sick leave requested falls on a date which the employee previously requested a form of leave covered by this MOU but was denied.
  - c. An employee is sick for three (3) or more consecutive days.
  - d. If an employee calls in sick on Thanksgiving Day, Christmas Day, or New Years Eve.

3. When a medical verification is required, the medical verification must provide the following information:
  - a. The date the employee or the employee's family member is examined by a licensed physician or other health care specialist/professional;
  - b. The expected length of the employee's absence and his/her expected return to duty;
  - c. Whether the employee is medically able to return to work; and
  - d. The list of restrictions (if any) including, if applicable, any impairment to the employee's ability to perform the duties of his or her classification due to medication or treatment.
4. The Appointing Authority designee will ensure the medical clearance verification is consistent with the employee's responsibility to perform all duties of his/her class. If the medical clearance verification is not consistent with the employee's responsibility to perform all duties of his/her class, the Appointing Authority designee shall inform the appropriate management personnel of the employee's condition and duty limitations.
5. An employee shall not be obligated to provide a medical verification after the fact. For example, if an employee calls in sick on the fifteenth (15<sup>th</sup>) of the month and a medical verification is not requested and then calls in sick on the sixteenth (16<sup>th</sup>) of the month and a medical verification is requested, the medical verification would be for the sixteenth (16<sup>th</sup>) only. This does not prohibit the Department from pursuing other administrative review or remedies if abuse is suspected.
6. If a returning employee is required to present medical clearance verification to the Appointing Authority designee, and the returning employee has a valid medical clearance verification from his/her physician allowing said employee to return to work and, with reasonable notice by the employee or upon institution order, the employee presents him/herself for medical clearance during normal business hours, Monday through Friday, the employee shall be allowed to return to paid status, but not use leave credits. If the employee does not have valid medical clearance verification from his/her physician allowing said employee to return to work and present him/herself for medical clearance by the Appointing Authority designee during normal business hours, Monday through Friday, the employee shall either continue on sick leave status or management approved leave credits until such time as clarifying medical documentation is obtained from the physician releasing the employee to work.
7. All medical information provided to the State shall be considered confidential. Under no circumstances will an employee be required to

disclose the medical cause or nature of his or her, or his or her family member's, illness or injury to the State for sick leave approval.

- D. Employees shall not be denied the right to use sick leave or be discriminated against for using or attempting to exercise their right to use sick leave.
- E. All other State laws and DPA rules regarding sick leave shall remain in effect.
- F. Denial of sick leave shall not be appealed beyond Step 4 of the grievance procedure. The arbitrator may not rule on the adequacy or inadequacy of the medical verification provided.
- G. All provisions of this section shall apply unless they are in conflict with FMLA, CFRA, EIDL, IDL, ADA or catastrophic illness/injury.

### **10.03 Enhanced Industrial Disability Leave (EIDL)**

- A. An employee who loses the ability to work for more than twenty-two (22) work days as the result of an injury incurred in the official performance of his/her duties may be eligible for a financial augmentation to the existing industrial disability leave benefits. Such injury must have been: (1) directly and specifically caused by an assault by an inmate, patient, ward, or parolee, (2) by a domestic animal while the employee is performing in the line of duty, (3) a ~~—~~criminal act of violence" against a peace officer who was performing in the line of duty. For purposes of this Article, ~~—~~criminal act of violence" means an act which would constitute a misdemeanor or felony if pursued to conviction; (4) must have been directly and specifically caused in the course of responding to, returning from or fighting an active fire as defined in PRC 4103, 4104, 4170, and 4170.5. EIDL granted under this section must meet the criteria of direct or indirect physical contact with a combative or resistive inmate, patient, ward or parolee. The director of a department may make a determination in special circumstances related to extraordinary hazardous duty. Upon the request of an employee and/or the Union, the Secretary or designee shall review any incident where an employee suffers an injury and will make a determination regarding the application of this section.
- B. The EIDL benefit will be equivalent to the injured employee's net take home salary on the date of occurrence of the injury or the date that the employee is placed on EIDL, whichever is later. EIDL eligibility and benefits may continue for no longer than one (1) year. For the purposes of this section, ~~—~~net salary" is defined as the amount of salary received after federal income tax, State income tax and the employee's retirement contribution has been deducted from the employee's gross salary.
- C. EIDL will apply only to serious physical injuries and any complications directly related medically and attributable to the assault or fire, as determined by the Secretary or designee. This benefit shall not be applied to either presumptive, stress-related disabilities, or physical disability having mental origin.

- D. The final decision as to whether an employee is eligible for, or continues to be eligible for, EIDL shall rest with the Secretary or designee. The Department may periodically review the employee's condition by any means necessary to determine an employee's continued eligibility for EIDL.
- E. Other existing rules regarding the administration of IDL will be followed in the administration of EIDL.
- F. This section relating to EIDL will not be subject to the arbitration procedure of this MOU.
- G. In circumstances that deviate from paragraph A. and C., the Secretary or designee may consider and grant EIDL on a case-by-case basis when he/she determines the injury was in fact job-related.
- H. A PIE who otherwise meets the EIDL criteria contained in this section of the MOU, but who has less than one thousand (1,000) hours of State service credit toward retirement will be eligible for a monthly EIDL benefit either:
  - 1. Equivalent to the average number of monthly hours worked in the previous twelve (12) months preceding the qualifying injury, or
  - 2. If the employee has not worked twelve (12) months, the equivalent to the average monthly number of hours worked in the months preceding the injury.

In no case shall the benefit be less than eighty-four (84) hours.

In no case shall the benefit exceed one thousand five hundred (1,500) hours in a twelve (12) month period in combination with hours worked and the EIDL benefits paid.

This paragraph only applies to injuries that qualify for EIDL and not IDL. IDL or EIDL benefits currently available to PIEs with one thousand (1,000) hours of State service credit are not intended to be affected by this paragraph.
- I. EIDL benefits may be extended beyond the one (1) year cap, at the Secretary or designee's discretion, in those instances where the injuries are the result of being burned, shot, stabbed or hit with a deadly weapon, and where the Secretary or designee finds that rehabilitation back to the job is possible if the EIDL is extended. In no event can the EIDL benefit be extended beyond three (3) years.
- J. One year after ratification of the MOU, and upon request from CCPOA, the State agrees to reopen this section.

CCPOA shall make forms (with built-in carbon copies) available for that purpose. When an employee desires to make a contribution to the release time bank, the employee will complete the three-part form provided by CCPOA and give this form to a Unit 6 steward. The Unit 6 steward will deliver the form to the institution, facility, camp, or parole personnel. The personnel office will determine that the employee authorizing the release time bank contribution has the earned CTO and/or vacation time (depending upon the number of hours desired to be contributed by the employee), prior to posting the contributed time to the release time bank. 1. The department head or designee receives a written request, signed by the employee and the authorized CCPOA representative, two (2) weeks prior to the planned effective date of the leave.
2. A union leave shall assure an employee the right to his/her former position upon termination of the leave. The term "former position" is defined in Government Code Section 18522.
3. CCPOA shall repay union paid leave under this section at one hundred and thirty two percent (132%) of base salary, within thirty (30) calendar days of receiving a billing statement.
4. The affected employee shall have no right to return from a union leave earlier than the agreed upon date without the approval of the employee's Appointing Authority.

5. Except in emergencies or layoff situations, a union leave shall not be terminated by the department head or designee prior to the expiration date.
6. Employees on a union leave shall suffer no loss of compensation or benefits.
7. Whether or not time for a union leave is counted for merit purposes shall be determined by SPB and such determination shall not be grievable or arbitrable.
8. Employees on union leave under this provision and CCPOA shall waive any and all claims against the State for Workers' Compensation and Industrial Disability Leave.
9. In the event an employee on a union leave, as discussed above, files a Workers' Compensation claim against the State of California or any agency thereof, for an injury or injuries sustained while on a union leave, CCPOA agrees to indemnify and hold harmless the State of California or agencies thereof, from both Workers' Compensation liability and any costs of legal defense incurred as a result of the filing of the claim.

#### **10.15 Catastrophic Time Bank**

- A. If an employee is catastrophically ill or injured, or if the spouse, child or any person residing in the immediate household of such an employee becomes catastrophically ill or injured, employees shall be allowed to donate an unlimited amount of CTO, PLP, holiday credits, or vacation credits, per individual case, with the Appointing Authority's approval, in accordance with departmental policies and under the following conditions:
  1. The donation must be in whole hours.
  2. Transfer of vacation, CTO, PLP and holiday credits shall be allowed to cross departmental lines in accordance with the policies of the receiving department.
  3. Employees receiving the donations may receive an unlimited number of donations in hours. The donated hours can only be used after the affected employee's leave credits have been exhausted, and may not exceed one (1) calendar year. If the need still exists, a new Catastrophic Time Bank (CTB) may be initiated in the following year with the Appointing Authority's approval.
  4. Donations shall be made on a form to be developed by the State, signed by the donating employee, and verified by the donating department.
  5. This section is not subject to the grievance and arbitration article of the MOU.
- B. Termination:

The CTB shall be terminated when the specific need no longer exists. The CTB shall be closed to donations upon the death of the ill or injured

employee/recipient, but the remaining, donated CTB credits shall become part of that employee's estate.

C. Unused CTB Donations:

Upon return to work, and when specific need no longer exists, placement on IDL or disability retirement, of the employee/recipient, the employee/recipient shall not retain donations that are being held and have not been used. The unused CTB donations shall be returned to the appropriate donor on a last received, first returned basis.

D. In cases of natural disasters where the Governor has declared a state of emergency, employees living in the area of the declared emergency and who have suffered damage to their principal residence may be eligible for catastrophic time bank donations consistent with paragraphs A. through C. above, except that the employees need not have exhausted sick leave credits.

#### **10.16 Youth Correctional Counselor/Youth Correctional Officer Use of Leave Credits**

Youth Correctional Counselors/Youth Correctional Officers may submit in writing, to the appropriate supervisor, a request to use leave credits, excluding vacation, at least twenty (20) days prior to the issue of the work schedule. The granting of leave credits will be consistent with appropriate resources and not in conflict with previously scheduled time off nor allocated blanket resources for projected vacations. This provision does not prohibit the employer from scheduling leave credits, with the approval of the employee, excluding vacation, for the benefit of schedule management.

#### **10.17 Absences for Duty in the Uniformed Services**

A. **GENERAL:** The Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA) which is found at Title 38 U.S. Code, Chapter 43, Sections 4301-4333 covers rights and obligations of employees who are absent while serving in the Uniformed Services and the obligations of their employers. (see appendix #6) For California State employees USERRA is supplemented by the California Government Code Sections 19770 through 19786.

This section of the MOU serves as a summary of the relevant duties and obligations of both the employee's and employer under the law.

1. Service in the Uniformed Services (military service) means the performance of duty in a Uniformed Service. The Uniformed Services consists of:
  - a. Army, Navy, Air Force, Marine Corps, or Coast Guard
  - b. Army, Navy, Air Force, Marine Corps, or Coast Guard Reserve
  - c. Army or Air National Guard
  - d. Commissioned Corps of the Public Health Service

- e. Others as designated by the President in time of war or emergency.
- 2. Duty in the Uniformed Services (military service) can be voluntary or involuntary and consists of the following:
  - a. Active duty (including initial or reoccurring training)
  - b. Inactive duty training
  - c. Absence from work for an examination to determine a person's fitness for any of the above types of duty.
- B. **ADVANCE NOTICE OF MILITARY LEAVE:** Unless prevented by "military necessity", or in cases where advance notice is unreasonable or impossible, the employee is required to provide the employer with advanced notice of all military service.
  - 1. Notice may either be written or oral. The notice may be provided either by the employee or by an appropriate officer of the branch of military service in which the employee will be serving.
  - 2. USERRA does not specify a minimum period of time for advanced notice. Employees are expected to make a good faith effort to notify their employer when they are notified or volunteer for military service.
- C. **LEAVE FOR MILITARY SERVICE:** Once an employee has been scheduled for military service the Department is required to approve leave for the employee to complete their service commitment.
  - 1. Employees are allowed, but not required, to use accrued leave credits (other than sick leave) to complete their military service commitment. Employees may, at their discretion, elect to take a leave without pay while performing military service.
  - 2. The employee must actually attend and complete the military service on the scheduled dates. The employee shall not obtain approval to fulfill military service obligations on a Saturday and/or Sunday, then complete his/her military obligation (without the department's knowledge) on the employee's RDOs (if other than Saturday and/or Sunday), and then use the pre-approved Saturday and/or Sunday leave for non-military, personal reasons. If an employee fails to notify management that the time on the weekend is no longer required for attendance at a military obligation, and still takes the time off, the employee may be subject to discipline.
    - a. For example, an employee's RDOs are Tuesday/Wednesday and he/she is scheduled to attend a weekend drill on Saturday/Sunday. Then this employee subsequently fulfills his/her drill obligation by attending pre-drill or post-drill on his/her RDOs on Tuesday/Wednesday. This employee is then required to notify State management of this change as soon as possible.

Authorization to use leave credits to cover the Saturday/Sunday drill period is thus automatically rescinded.

- D. **SICK LEAVE DURING MILITARY SERVICE:** If an employee becomes unable to fulfill his/her scheduled military service obligation due to illness/injury, the employee is required to notify their employer so the absence can be appropriately recorded as sick leave. The employee must submit, with the 998A form, verification from the military confirming his/her absence from military service was due to illness or injury.
- E. **REPORTING BACK TO WORK AFTER MILITARY SERVICE:** Time limits for reporting to work after military service depend on the length of the military service completed.
  - 1. For periods of service less than 31 days, and fitness examinations, the employee must report to work at the beginning of the regularly scheduled work day following completion of the service plus a period for safe transportation to the person's residence and an additional 8 hours rest period.
    - a. As an example, an employee may be released from military service duty at 5:00 p.m. Sunday and arrive home at 8:00 p.m. Sunday, after a three hour commute. Once the employee has arrived home he/she is entitled to an eight hour rest period. After the rest the employee must report to the employer no later than the beginning of the first regularly scheduled work day. In this case an employee could be required to report to work at 6:00 a.m. on Monday morning.
  - 2. For periods exceeding thirty (30) days reference USERRA.
- F. Where State or Federal Law is inconsistent with the language of this section, employees shall be able to take advantage of whichever offers the most benefits.

#### **10.18 Annual Leave - Enhanced NDI**

- A. Annual Leave
  - 1. Employees who are currently subject to vacation and sick leave provisions may elect to enroll in the Annual Leave Program at any time. New employees may elect to enroll in the Annual Leave Program following the equivalent of completion of six (6) months of full-time employment. One hundred sixty (160) hours of paid employment equals one (1) month of full-time employment for employees who work on an intermittent basis. The effective date of the election shall be the first day of the pay period in which the election is received by the appointing power. Once enrolled in annual leave, an employee shall become entitled to an enhanced non-industrial disability insurance (NDI) benefit (50% of gross salary) upon serving a waiting period of ninety (90) consecutive calendar days. If the employee files a claim for NDI benefits between the effective date of

enrollment in annual leave and the end of the waiting period, the standard NDI benefit shall be payable. This waiting period does not apply to any employee who was enrolled in the Annual Leave Program upon appointment in a position requiring mandatory participation.

2. Each full-time employee shall receive credit for annual leave in lieu of the vacation and sick leave credits of this provision in accordance with the following schedule:

7 months to 3 years	12 hours per month
37 months to 10 years	15 hours per month
121 months to 15 years	17 hours per month
181 months to 20 years	18 hours per month
241 months and over	19 hours per month

Notwithstanding the above, on the first day of the July pay period each year of this MOU, Unit 6 employees shall accrue one (1) hour less of annual leave than identified in the schedule above.

For each employee in Unit 6 on the first day of the July pay period, the employer shall credit the union's Release Time Bank in Article 10 with one (1) hour.

Part-time and hourly employees shall accrue proportional annual leave credits. Employees who work on an intermittent basis shall receive annual leave credits in accordance with leave accrual schedule in paragraph A. 2. above, on the basis of one hundred sixty (160) hours of paid employment equals one (1) month of full-time employment. Employees shall have the continued use of any sick leave accrued as of the day before participation in the program in accordance with applicable laws, rules or Memorandum of Understanding.

Employees' accrued vacation leave will be converted to annual leave, however, HOL, PLP, excess, or other accrued leave balances will be retained or accrued as before participation in the program.

DPA rule or Memorandum of Understanding shall provide all provisions necessary for the administration of this section.

3. A full-time employee who has eleven (11) or more working days of service in a monthly pay period shall earn annual leave credits as set forth in DPA Rules 599.608 and 599.609.
4. Employees working less than full-time or who work in multiple positions accrue annual leave in accordance with the applicable DPA rules.

5. If an employee does not use all of the annual leave that the employee has accrued in a calendar year, the employee may carry over his/her accrued annual leave credits to the following calendar year.
6. Upon termination from state employment, the employee shall be paid for accrued annual leave credits for all accrued annual leave time.
7. The time when annual leave shall be taken by the employee shall be determined by the Department head or designee.
8. Annual leave requests must be submitted in accordance with departmental policies on this subject. However, when two (2) or more employees on the same shift (if applicable) in a work unit (as defined by each department head or designee) request the same annual leave time and approval cannot be given to all employees requesting it, employees shall be granted their preferred annual leave period in order of seniority set forth in Article XII Section 12.01 of this Agreement.
9. Each department head or designee will make every effort to act on an annual leave request in a timely manner.
10. Annual leave that is used for purposes of sick leave is subject to the requirements set forth in Article X Section 10.02 B. and 10.02 C. of this Agreement.

B. Enhanced Non-Industrial Insurance (NDI)

1. This enhanced NDI provision is only applicable to employees participating in the Annual Leave Program referenced in A. above.
2. Once enrolled in annual leave and for periods of disability commencing on or after ratification of this MOU, an employee shall become entitled to an enhanced NDI benefit (50% of gross salary) upon serving a waiting period of ninety (90) consecutive calendar days. If the employee files a claim for NDI benefits between the effective date of enrollment in annual leave and the end of the waiting period, the standard NDI benefits shall be payable. This waiting period does not apply to any employee who was enrolled in the Annual Leave Program upon appointment in a position requiring mandatory participation.
3. The enhanced NDI payments at fifty percent (50%) of the employees gross salary are payable monthly for a period not exceeding twenty-six (26) weeks for any one (1) disability benefit period. An employee is not eligible for a second disability benefit due to the same or related cause or condition unless they have returned to work for at least ten (10) consecutive work days. Paid leave shall not be used to cover the ten (10) work days. Disability payments may be supplemented with annual leave, sick leave or partial payment to provide for up to one hundred percent (100%) income replacement. At the time of an enhanced NDI claim an employee may elect either the fifty percent (50%) enhanced NDI benefit

rate or a supplementation level of seventy-five percent (75%) or one hundred percent (100%) at gross pay. Once a claim for enhanced NDI has been filed and the employee has determined the rate of supplementation, the supplemental rate shall be maintained throughout the disability period. The provisions contained in Article XI, Section 11.08, do not pertain to sick leave credits that are utilized to supplement IDL or enhanced NDI benefits.

4. The employee shall serve a seven (7) consecutive calendar day waiting period before enhanced NDI payments commence for each disability. Accrued paid leave or CTO leave balances may be used to cover this waiting period. The waiting period may be waived commencing with the first full day of confinement in a hospital, nursing home, or emergency clinic.
5. If the employee elects to use annual leave or sick leave credits prior to receiving enhanced NDI payments, he or she is not required to exhaust the accrued leave balance.
6. Following the start of enhanced NDI payments an employee may at any time switch from enhanced NDI to sick leave or annual leave but may not return to enhanced NDI until that leave is exhausted.
7. In accordance with the State's "return to work" policy, an employee who is eligible to receive enhanced NDI benefits and who is medically certified as unable to return to their full-time work during the period of his or her disability, may upon the discretion of his or her appointing power, work those hours (in hour increments) which when combined with the enhanced NDI benefit will not exceed one hundred percent (100%) of their regular full pay."

The appointing power may require an employee to submit to a medical examination by a physician or physicians designated by the Director of the Employment Development Department for the purpose of evaluating the capacity of the employee to perform the work of his or her position.

8. If an employee refuses to return to work in a position offered by the employer under the State's injured State Worker Assistance Program, enhanced NDI benefits will be terminated effective the date of the offer.
9. Where employment is intermittent or irregular, the payments shall be determined on the basis of the proportionate part of a monthly rate established by the total hours actually employed in the eighteen (18) monthly pay periods (or the total number of pay periods for those employees who have not worked eighteen [18] pay periods) immediately preceding the pay period in which the disability begins as compared to the regular rate for a full-time employee in the same group or class. An employee will be eligible for enhanced NDI payments on the first day of

the monthly pay period following completion of nine hundred sixty (960) hours of compensated work.

10. All other applicable DPA laws and regulations not superseded by these provisions will remain in effect.
11. Upon approval of enhanced NDI benefits, the State may issue an employee a salary advance if the employee so requests.
12. All appeals of an employee's denial of enhanced NDI benefits shall only follow the procedures in the Unemployment Insurance Code and Title 22. All disputes relating to an employee's denial of benefits are not grievable or arbitrable. This does not change either party's contractual rights, which are not related to an individual's denial of benefits.
13. Employees who become covered in the Annual Leave Program while on an NDI claim shall continue to receive NDI pay at the old rate for the duration of the claim.
14. Employees who do not elect the Annual Leave Program will receive NDI benefits in accordance with the current program.

Employees may elect to enroll in the annual leave program to receive annual leave credit in lieu of vacation or sick leave credits. Employees enrolled in the annual leave program may elect to enroll in the vacation and sick leave program at any time. The effective date of these elections shall be the first day of the pay period in which the election is received by the appointing power. Once an employee elects to enroll in either the annual leave program or the vacation/sick leave program, the employee may not elect to enroll in the other program until 24 months has elapsed from the date of enrollment.

#### **10.19 Transfer of Leave Credits Between Family Members**

B. The employee shall give notice to his/her immediate supervisor as soon as possible and shall, if requested by the supervisor, provide medical certification from a physician to support this request. The department head or designee shall approve transfer of leave credits only after having ascertained that the leave is for an authorized reason. For family care leave for the employee's child, parent, spouse, *domestic partner that has been defined and certified with the Secretary of State's office in accordance with Family Code Section 297*, brother, sister, or other person residing in the immediate household, who has a serious health condition, this certification need not identify the serious health condition involved, but shall contain all of the following:

1. the date, if known, on which the serious health condition commenced;
2. the probable duration of the condition;
3. an estimate of the amount of time that the health provider believes the employee needs to care for the child, parent or *spouse, domestic partner that has been defined and certified with the Secretary of State's office in accordance with Family Code Section 297*, brother or sister, or other person residing in the immediate household;

- G. Transfer of leave credits shall be allowed to cross-departmental lines in accordance with the policies of the receiving department.

- J. This section is not subject to the grievance and arbitration article of this Contract.

#### **10.20 Personal Leave Program 2011**

- A. Effective with the pay period following the signing of a tentative agreement for this MOU, and then continuing for 12 months, full-time bargaining unit employees shall be subject to a Personal Leave Program (PLP 2011) eight (8) hours per month in the manner outlined below:

- 1. Effective with the pay period following the signing of a tentative agreement for this MOU, each full-time employee's monthly pay shall be reduced by a percentage equivalent to eight (8) hours of pay, not to exceed 4.62%. However, salary rates and salary ranges shall remain unchanged.

Each full-time employee shall continue to work his/her assigned work schedule.

- 2. Each full time employee shall be credited with eight (8) hours of PLP 2011 time on the first day of each pay period beginning with the pay period following the signing of a tentative agreement for this MOU and will continue for twelve (12) consecutive months. The leave credits shall be credited to the employee's PLP 2011 leave balance.
  - 3. The use of the PLP 2011 time is subject to supervisory approval, except that appointing powers shall ensure that all PLP 2011 time is scheduled and taken prior to separation from State service. PLP 2011 time shall be requested and used by the employee in the same manner as vacation/annual leave. Request for use of PLP 2011 time must be submitted in accordance with departmental policies on vacation/annual leave. Appointing powers may schedule employees to take PLP 2011 time off to meet the intent of this section. PLP 2011 time shall not be included in the calculation of vacation/annual leave balances pursuant to Article 10 (Leaves).
  - 4. If an employee has PLP credits when he/she wants to retire, CDCR will inform the employee of his/her remaining PLP credits. The employee has the option of either extending his/her retirement date or running out his/her PLP credits prior to retiring. If the employee chooses to run out his/her PLP credits prior to retiring, the employee will no longer have to report to work regardless of the need to "fill behind" that employee.
  - 5. Time during which an employee is excused from work because of PLP 2011 time shall not be considered as "time worked" for purposes of determining the number of hours worked in a work week.
  - 6. Employees have until separation from State service to use all PLP 2011 time. An employee may not use any kind of paid leave such as sick leave,

vacation, or holiday time to avoid a reduction in pay resulting from the PLP 2011.

- B. The PLP 2011 program shall not adversely affect an employee's service anniversary date, create a break in service, or impact the accrual of vacation or any other leave credits, the payment of health, dental, or vision benefits, or the flex-elect cash option.
- C. Compensation for purposes of retirement, death, and disability benefits shall not be affected by the PLP 2011 and shall be based on the unchanged salary rate.
- D. Service calculation for purposes of retirement allowances for employees participating in the PLP 2011 program shall be based on the amount of service that would have been credited-based on the unchanged salary rate.
- E. The PLP 2011 reductions shall not affect transfer determinations between state civil service classifications.
- F. Part time employees shall be subject to the same conditions as stated above, on a pro-rated basis consistent with their time base.
- G. Disputes regarding the denial of the use of PLP 2011 time may be appealed using the grievance procedure. The decision by the Department of Personnel Administration shall be final and there may be no further appeals.

## **ARTICLE XI HOURS OF WORK AND OVERTIME**

### **11.01 Shift and/or Assignment Changes**

- A. The State shall give notice to an employee at least seven (7) calendar days prior to the effective date of a change of shift, RDOs or hours of work. Unexpected changes required by emergencies, or which are due to other unforeseeable circumstances, are exempted from this notice requirement.
- B. CCPOA's local Chief Job Steward or designee may waive the notice requirement in any particular instance.
- C. In DJJ, an unexpected immediate job change of short duration may occur from time to time. The Department agrees to contact the local Chief Job Steward in each instance where an employee was required to involuntarily report to work on other than the regularly scheduled work shift. Except for emergencies, no employee will be required to involuntarily report to work on a scheduled day off.

On such occasions employees may be requested to report to work on other than their regularly scheduled work shift. Except for emergencies, no employee will be required to involuntarily report to work on other than their regularly scheduled work shift or on a scheduled day off.

The Department agrees to contact the local Chief Job Steward in each instance where an employee was required to involuntarily report to work.

- D. The State recognizes the value of flexibility in working hours and days as a means of reducing the use of sick leave. Likewise, the union recognizes the value of having employees report to work as scheduled. The parties therefore agree that an appropriate topic of discussion for the quarterly labor/management committee meeting provided for in Section 5.05 is a ~~—filing six~~ "schedule for days off and alternative work hours (e.g., 4/10/40). Said discussion will not replace the duty to bargain as otherwise provided for in this agreement.

### **11.02 Shift Starting Time at DJJ**

- A. DJJ Bargaining Unit 6 staff who are given an assignment by their supervisor (e.g., picking up mail, medication, etc.) after entry into the institution and while in route to their work stations will be paid overtime if they work more than the eight (8) hour shift for the day. This language is not intended to include those shift preparation activities such as, but not limited to, picking up keys, ~~—polic~~ "buttons, signing in at Control, etc.
- B. If it becomes apparent to the parties that the Portal to Portal Act contradicts this section, either of the parties may reopen this section.

### **11.03 Continuous Hours of Work/Dead Time**

- A. Except in the case of an emergency, employees shall not work in excess of sixteen (16) continuous hours in any given twenty-four (24) hour period. In the event employees are involuntarily ordered over, these employees are to be permitted an eight (8) hour break between shifts. With the exception of camps, if the eight (8) hour break extends into the employee's next regularly scheduled shift, the employee shall receive paid administrative time off for the hours of the break that extend into the shift. For example, an employee assigned to a shift beginning at 0600, works a voluntary overtime to 2200 hours, and is involuntarily ordered to work until 0100 hours; the employee will be permitted a full eight (8) hour break before being required to return to his/her regular work; this employee would not be required to report to work until 0900 and would receive paid administrative time off from 0600 to 0900. However, the parties recognize that informational briefings of fifteen (15) minutes may be added before or after a regular shift, thus extending the sixteen (16) hours up to a maximum of sixteen (16) hours and fifteen (15) minutes.
- B. When a double involves one (1) hour or less on dead time, it shall not be counted as work time under this section, but will be paid time under hours of work.
- C. Employees shall not be allowed to work more than two (2) —~~doubles~~ back-to-back. For the purpose of this section, a double shall be defined as thirteen (13) or more contiguous hours of work which may or may not be broken by dead time. The dead time shall not be counted as work time and not break the continuity of the —~~double~~.”
- D. The State agrees to make its best effort to reduce or eliminate —~~dead~~ time” for employees who work involuntary overtime hours. Where dead time exists, the State shall, subject to operational needs, try to schedule the employee to begin the overtime assignment immediately after the end of the employee's regular shift or hours.
- E. Each institution administration and local CCPOA chapter representatives shall meet locally, within the life of this MOU, to make a reasonable effort to reduce the number of start and stop times.
- F. The State shall pay employees for up to the first sixty (60) minutes of dead time prior to an involuntary overtime assignment provided the dead time is three (3) hours or less. Unless an emergency situation exists, the employee will not be compelled to work during this dead time. No dead time shall be paid for voluntary overtime assignments.

### **11.04 Exchange of Days Off — Shift Assignment (Mutual Swaps)**

- A. Employees may be permitted to exchange hours of work of one (1) hour or more with other employees in the same classification or level, performing the same type of duties in the same work area, provided:

1. The employees make a written request to their supervisor(s), at least twenty-four (24) hours prior to the exchange;
  2. The supervisor(s) approves the exchange; and
  3. The employees exchanging hours of work shall not be entitled to any additional compensation (e.g., overtime or overtime meals, holiday credit/pay, shift differential) which they would not have otherwise received.
  4. An employee may have no more than two (2) persons working for them during a shift.
- B. Once approved, shift changes shall not be subjected to further review, except for operational needs. If a shift swap is denied, the supervisor denying the swap shall state the reason for the denial on the written request.
- C. Shift assignment positions under this Article are limited to:
1. Correctional Officers
  2. Youth Correctional Counselors
  3. Youth Correctional Officers
  4. Medical Technical Assistants
  5. Fire Captains
- D. Each employee shall be responsible for the coverage of the work assignment he/she accepts. If the employee who agrees to work for another employee fails to show for the swap, and provides proper medical verification, he/she shall be subject to repaying the actual length of the shift (e.g., eight [8] hours for an eight [8] hour shift, or ten [10] hours for a ten [10] hour shift). The swap sheet shall inform the individuals swapping that the employee who fails to pay back the swap shall be subject to repaying the actual length of the shift. The State shall first use the appropriate, accrued time credits for the repayment; then use —accounts receivable” should time credits be insufficient for the repayment. Once reimbursement is made by the employee, the employee may not be subject to adverse personnel action for this incident.
- In the event the employee fails to show because of illness or injury, he/she shall be required to provide a medical verification in accordance with section 10.02 of the MOU. If the employee fails to provide medical verification, the employee shall be charged twelve (12) hours of the appropriate leave credits.
- E. All swaps must be paid back within ninety (90) calendar days. Where the pay back cannot be accomplished without overtime being earned by one (1) or both of the affected employees the requested swaps shall be denied.
- F. Probationary employees normally shall not be allowed to exchange hours of work with other employees in the same classification or level at all during the first three

(3) months of their probationary period. During the remainder of an employee's probationary period, the employee shall be allowed up to one (1) swap per week.

#### **11.05 Overtime Checks**

Each institution shall make its best effort to process employees' overtime checks in the shortest possible time. Overtime checks shall be released to the employee as soon as possible following their receipt and expeditious processing at the institution/facility/camp office.

Upon notice from CCPOA, the State agrees to meet at a job site where issuance of overtime checks is consistently beyond the 15th of the month for the purpose of developing a mutually acceptable overtime check distribution process. Part of this process may include Express Service (mail, delivery service, or personal service) to the Controller's Office and, if possible, from the Controller's Office.

#### **11.06 Unused CTO**

The employer retains the option to —~~by~~back" employees' accumulated CTO at or near the end of each fiscal year. In no case, except with approval of the affected employee, shall the employer, through the —~~by~~back" process, reduce an employee's CTO balance to less than forty (40) hours.

#### **11.07 IST Overtime**

Training of employees may be conducted either during regular work hours or during the employee's off-duty hours.

- A. An employee shall be compensated for all training received during off-duty hours when directed by management to attend the training during those hours.
- B. When an employee is directed to attend an in-service training course, and the course is only scheduled on the employee's regular day off (RDO), the employee shall be compensated in accordance with existing Call Back Rules.
- C. When an employee is directed to attend an in-service training course, and does attend on his/her regular day(s) off, pre-scheduled vacation, CTO, or holiday time, when an opportunity existed to attend in conjunction with his/her regular work hours, the employee will only be compensated for the actual time spent in training.
- D. When an employee is required to attend an IST class and the employee is only able to attend the class after an amount of standby (three [3] hours or less), the employee shall be compensated for the standby time, not to exceed one (1) hour, at time and one-half.

#### **11.08 Overtime**

- A. Except for 7k exempt employees, any employee working more than forty (40) hours per week shall receive compensation at time and one-half.

- B. 7k exempt employees: Overtime is defined as any hours worked in excess of one hundred sixty-four (164) hours in a twenty-eight (28) day work period. Additionally, no employee shall be credited less than one hundred sixty-four (164) hours of time worked in any work period unless he or she was on an unpaid status, during the work period and then only the time on unpaid status shall be deducted from the one hundred sixty-four (164) hours.
- C. For the purposes of computing the number of hours worked, time when an employee is excused from work because of the use of any leave credits shall not be considered as time worked by the employee for the purposes of determining if overtime has been earned.
- The method of calculating the hourly overtime rate shall be based on the one hundred sixty four (164) hour work period according to the following formula:
- Monthly salary + monthly differentials (except shift differential received) x 12 = annual salary divided by 13 = salary per 28 work period.
- Salary per 28 day work period + shift differential received in the work period divided by 164 hours (hours worked in 28 day work period) = hourly rate of pay x 1.5 = overtime hourly rate.
- D. There shall be no change in the current hourly rate formula used to calculate overtime for non-7k exempt employees.
- E. An employee who is required by the supervisor to conduct business telephone calls outside his or her work hours of more than seven and one-half (7 ½) minutes will receive credit for time worked. This section does not apply when a business call results in a call back to work.

### **11.09 Reduced Work Time**

Employees are hereby noticed that they may participate in a reduced work time program pursuant to Government Code Sections 19996.20 through 19996.24. Alleged violations of these Government Code Sections shall be appealable through the grievance procedure, but are not arbitrable.

1. Overtime is defined as any hours worked in excess of one hundred sixty-four (164) hours in a twenty-eight (28) day work period. For the purposes of computing the number of hours worked, time when an employee is excused from work because of sick leave shall not be considered as time worked by the employee. Additionally, no employee shall be credited less than one hundred sixty-four (164) hours of time worked in any work period unless he or she was on an unpaid status during the work period and then only the time on unpaid status shall be deducted from the one hundred sixty-four (164) hours.

For the purposes of computing the number of hours worked, time when an employee is excused from work because of the use of any leave credits shall not be considered as time worked by the employee for the purposes of determining if overtime has been earned.

2. The method of calculating the hourly overtime rate shall be based on the one hundred sixty-four (164) hour work period according to the following formula:

Monthly salary + monthly differentials (except shift differential received) x 12 = annual salary divided by 13 = salary per 28 day work period.

Salary per 28 day work period + shift differential received in the work period divided by 164 hours (hours worked in 28 day work period) = hourly rate of pay x 1.5 = overtime hourly rate.

E. Leave Credits

Employees shall only be required to utilize leave credits for posted duty hours only.

F. Other Provisions

If any court of competent jurisdiction declares that any provision or application of this Agreement is not in conformance with governing law, the parties agree to Meet and Confer immediately pursuant to Section 5.02.

### **11.12 Priority Time Off Requests**

- A. The State recognizes the value of permitting employees to take short periods of time off (e.g., one shift) using holiday credit, vacation and annual leave for purposes that cannot be foreseen or planned for at the time annual vacation requests must ordinarily be submitted. Likewise the union recognizes the value of having employees report to work as scheduled. The parties therefore agree that each appointing power (or designee) shall meet with the local union chapter president (or designee) within 90 days following ratification of this Agreement. They will meet for purposes of discussing whether a system that results in employees who have sick leave balances of 300 hours or more being able to request and receive priority for time off requested on short notice (i.e., 72 hours) using holiday credit, excess hours, vacation and annual leave is possible and feasible. Such systems shall not conflict with any other provision of this Agreement or result in additional cost to the state (e.g., overtime). Such systems would be in addition to any existing system for scheduling or "burning" employee's accumulated holiday or vacation credit.
- B. This section shall be considered a prelude to, rather than a substitute for the duty to bargain as otherwise required by this Agreement.

### **11.13 Callback Time**

- A. An employee in Work Week Group 1, 2 or Work Week Subgroup 4A who has completed a normal work shift, or an employee in Work Week Subgroups 4B or

4D on an authorized day off, when ordered back to work, shall be credited with a minimum of four (4) hours work time provided the call back to work is without having been notified prior to completion of the work shift, or the notification is prior to completion of the work shift and the work begins more than three (3) hours after the completion of the work shift.

- B. When such an employee is called back under these conditions within four (4) hours of the beginning of a previous call or an additional call is received while still working on an earlier call back, the employee shall not receive an additional four (4) hours credit for the new call back.
- C. When such an employee is called back within four (4) hours of the beginning of the employee's next shift, call back credit shall be received only for the hours remaining before the beginning of the employee's next shift.
- D. When staff meetings, training sessions, or work assignments are regularly scheduled on an employee's authorized day off, the employee shall receive call back compensation; when staff meetings and training sessions are regularly scheduled on an employee's normal work day and outside the employee's normal work shift, overtime compensation shall be received in accordance with the employee's work week group, the provisions of this Agreement, and regulations governing overtime. (7K training that occurs during hours employees must work to satisfy their 7K work period hours does not give rise to callback compensation pursuant to this subsection).
- E. If an employee entitled to call back compensation completes the specific task giving rise to his/her call back assignment before four (4) hours has lapsed, the employee will not be required to remain at work until four (4) hours have lapsed unless (1) s/he volunteers; (2) an emergency exists; or, (3) there are operational needs that mean section 12.06 (Involuntary Overtime by Inverse Seniority) is inapplicable.

## **ARTICLE XII**

### **TRANSFER, SENIORITY, OVERTIME AND LAYOFF**

#### **12.01 Seniority**

- A. Seniority shall be determined as follows:
  - 1. For all purposes (including but not limited to, layoff, transfer in lieu of layoff, demotion in lieu of layoff), —~~seniority~~ shall be determined by total State service in classes represented by Unit 6 (R06), classifications identified as S06, and in CO classes as defined by Section 830.5 of the Penal Code, regardless of when such service occurred.
  - 2. —~~Total State service~~ is calculated as the period of time since the hire date, for which the employee has earned qualifying pay periods, as defined in paragraphs 3. and 4. below.
    - a. An employee shall not accrue seniority points during a break in service.

- b. Those employees who were on qualified military leave shall accrue seniority points throughout the time they were on military leave. Additionally, military leave throughout this period shall not be considered a break in service for definition purposes of this Section 12.01.
  - c. An employee on leave for union business shall continue to accrue seniority.
- 3. Full-Time Employees' Seniority Accrual: In determining seniority scores for full-time employees, one (1) seniority point shall be awarded for each qualifying monthly pay period of full-time State service in classifications defined in paragraph 1. above. A pay period in which a full-time employee works eleven (11) or more days will be considered a qualifying pay period except that when an absence from State service resulting from a temporary or permanent separation for more than eleven (11) consecutive work days falls within two (2) consecutive pay periods, the second pay period shall be disqualified. This definition shall apply to all of the employee's work history regardless of when it occurred.
- 4. Intermittent Employees' Seniority Accrual: Seniority points for time served as a PIE will be awarded as follows:
  - a. Intermittent employees shall be awarded one (1) seniority point for each qualifying monthly pay period of state service in classifications defined in paragraph 1. above. A pay period in which an intermittent employee works one hundred sixty (160) or more hours will be considered a qualifying pay period. The hours in excess of one hundred sixty (160) hours in a monthly pay period shall not be counted or accumulated.
  - b. Intermittent employees shall be awarded one (1) seniority point for each qualifying monthly pay period of state service in classifications defined in paragraph 1. above. A pay period in which an intermittent employee works eighty-eight (88) or more hours will be considered a qualifying pay period for the purpose of accruing seniority. The hours in excess of eighty-eight (88) hours in a monthly pay period shall not be counted or accumulated. If an employee works less than eighty-eight (88) hours in a monthly pay period, it shall be a non-qualifying pay period; such hours shall not be counted or accumulated.
- 5. Ties in seniority shall be broken by first examining each employee's initial hire date. The employee with the earliest initial hire date in a classification defined in paragraph 1 above will be considered the most senior. If a tie still exists, it shall be broken by examining each employee's last four (4) digits of his/her social security number. If a tie still exists, the employee with the lowest middle two (2) digits will be considered the most senior; if a

tie still exists, the employee with the lowest first three (3) digits will be considered the most senior.

6. An employee's initial hire date shall be the date the employee was initially hired into a Unit 6 position regardless of breaks in service.
  - a. For employees who initially reported to a work site other than an academy, the initial hire date shall be the date they reported to work.
  - b. For employees who initially reported to an academy and are subject to the Academy Start Date Settlement Agreement for Correctional Officers, the initial hire date shall be the one that they received through the Settlement Agreement.
  - c. For employees who initially reported to an academy and are not subject to the above-mentioned Settlement Agreement, the initial hire date shall be the date that they originally reported to an academy. Employees claiming they are entitled to seniority credit pursuant to paragraph 6 must supply written documentation evidencing their report date to the academy.
7. Employees claiming they are entitled to seniority credits pursuant to paragraph 6 must supply written documentation evidencing their report date to the academy.

#### **12.02 Permanent Involuntary Transfer by Inverse Seniority**

- A. When there are two (2) or more employees in a class, and the Department determines an involuntary transfer to a position in the same class is required, or to an appropriate class as designated by the SPB, in a location which reasonably requires that an employee change his/her place of residence, or which involves a change in the Appointing Authority, the method of selecting the employee for transfer shall be by inverse seniority, except where precluded by operational needs of the departments or in emergency situations under existing Government Code Sections and DPA Rules.
- B. For reimbursement purposes only, existing DPA and Board of Control rules shall be utilized to determine whether a transfer reasonably requires the involuntarily transferred employee to change his/her place of residence.
- C. In the event the State needs to staff a new facility, the parties mutually agree to Meet and Confer to develop a mutually satisfactory method which takes into consideration voluntary transfers, involuntary transfers by inverse seniority and transfers required to meet operational needs.

#### **12.03 Temporary Involuntary Reassignments and Transfers**

- A. For the purposes of this section, temporary transfer or reassignment is a change in institution, camp or community-based program or office of not more than thirty (30) work days.

- B. In all cases, the State shall first attempt to fill vacant positions through voluntary means.
- C. If a position cannot be filled through voluntary means, and the temporary assignment or transfer requires the employee to be away from his/her permanent place of residence, the method of selecting the employee for transfer shall be by inverse seniority, except where precluded by the operational needs of the departments or in emergency situations.
- D. Employees who are involuntarily assigned shall receive short term per diem for the first thirty (30) days of their assignment and if required to work past the thirty (30) days assignment, short term per diem will commence on the thirty-first (31<sup>st</sup>) day and continue for each day the employee is removed from his/her place of permanent residence.
- E. Should the temporary involuntary transfer or reassignment require a temporary change of residence, and be within one (1) of the parole divisions of the department, the State and CCPOA shall Meet and Confer to identify the pool of employees (the region or area) from which the person(s) to be involuntarily transferred on a temporary basis shall be drawn. In any event, the person(s) selected shall be picked by inverse seniority based on time in Unit 6.
- F. No employee may be transferred or reassigned under this section more than one (1) time per fiscal year.
- G. This section shall not affect any per diem right the employee may have.

#### **12.04 Employee Requested Transfers Between Appointing Authorities**

- A. The State has varying business needs to fill vacant positions by using existing eligible lists, involuntary transfers, reassignments or other selection methods. A part of these needs may be to fill a position for such reasons as balancing the work force or pre-announced special skills, abilities or aptitudes.

The parties acknowledge that the needs of the State must be given first priority when the State deems it necessary to fill a vacant position. The parties further acknowledge the varying employee desires to permanently transfer to another location, within the employee's department and classification, which the employee deems more desirable. Therefore, the following procedure is established to facilitate employee requests to transfer to a position within the employee's classification and department at another location.

- B. Employees desiring to transfer shall apply in writing in a manner prescribed by the State to the Appointing Authority of the location to which the employee desires to transfer. Such requests shall be to permanent positions in the same department within the employee's same classification. The employee's written requests shall be processed within thirty (30) days of submission and placed in seniority order with those of others who have similarly filed a request to the same position at the location. The Appointing Authority or designee shall provide the employee submitting a request for transfer with an acknowledgment of receipt of

the transfer request. Employee requests shall be kept on file at the location through June 30 of each fiscal year or removed earlier at the request of the employee. At the request of the CCPOA Chapter President, the location of employee transfer files will be furnished to the Chapter President.

- C. The State agrees to fill vacancies in the CO, YCO, MTA and YCC classifications by either lateral transfers, list appointments, reinstatements, permanent full-time appointments from the academy, or offering full-time appointments from the academy, or offering full-time employment to PIEs. In the interest of facilitating lateral transfers, five (5) of every ten (10) vacancies filled in the CO, YCO, MTA and YCC classifications must be via lateral transfers, except in the event of a lateral transfer freeze at DJJ. In order for the State to institute a lateral transfer freeze at a particular DJJ Facility, said Facility must have a 10% or higher vacancy rate with respect to the positions identified on the Master Assignment Roster or DJJ Staff Schedule. This shall not preclude filling of vacancies at a higher ratio than specified. Offers to fill by lateral transfers will be made on a seniority basis consistent with B. above. A reconciliation of the lateral transfers will be made six (6) months after ratification of the MOU and every six (6) months thereafter with each local Chapter President and the Appointing Authority.
- D. When lateral transfer is the means being used to fill a vacant position, the most senior employee with a request to transfer on file at that location shall be transferred provided that (1) the employee is not currently under investigation for misbehavior which could lead to adverse action, (2) has not had an adverse action in the last three (3) years and (3) has not had an overall substandard performance evaluation in the preceding 12 months.
- E. A PIE may submit a lateral transfer package using the process described in this Article provided the employee has successfully completed probation, is not currently under investigation, and does not have a pending adverse action. Selection of PIEs is at the discretion of the Appointing Authority.
- F. If the State chooses to fill vacant positions by transfers, but has specified the need to fill positions based on special skills, abilities or aptitudes, paragraph C. and D. above need not apply.
- G. Those employees who obtained employee-requested transfer under the provisions of this section shall not be eligible to utilize the provisions of this section for a period of one (1) year from the effective date of such transfer unless the employee has demonstrated a hardship that did not exist at the time of the initial transfer.
- H. This procedure may be superseded in favor of an employee requesting a transfer based on a bona fide hardship. If the matter is contested, the Appointing Authority or designee shall explain the basis for the waiving of this section to CCPOA's local Chief Job Steward or designee and/or CCPOA's representative.
- I. Travel Time Allowance: Upon request, the State may authorize an employee to take a reasonable amount of vacation, PLP, CTO, or holiday time off between

transfers from one (1) institution to another where the transfer requires the employee to move his/her residence. Such requests will not be unreasonably denied, by the receiving institution.

#### **12.05 Voluntary Overtime By Seniority**

- A. Employees in Bargaining Unit 6 shall be assigned voluntary overtime by seniority except where precluded by operational needs of the departments or in emergency situations. Existing caps on voluntary overtime shall continue; where they do not exist, reasonable caps may be negotiated locally by the parties. There shall be no yearly caps. All other existing rules and policies regarding voluntary overtime continue to remain in effect.

- B. In DAI institutions, COs shall not be eligible to accept an overtime assignment when he/she has worked ten (10) overtime shifts (80 hours) within the 7k work period.

When all employees signed up for a voluntary overtime shift meet or exceed the above overtime limits, the voluntary overtime list will be utilized, by seniority, prior to ordering over. Where this section does not abridge a local agreement, the local agreement shall be left intact. Where local caps are higher than the limits in this section, the local agreement shall be opened in order to insure compliance. Any issue within the local caps agreement that does not deal with the limit of time worked shall only be opened by mutual agreement.

- C. Each Appointing Authority or designee will establish a means by which a Bargaining Unit 6 employee may sign up for an overtime shift. The order of call for voluntary overtime shall normally be from the voluntary overtime roster. However, if the overtime assignment becomes available two (2) hours or less prior to the start time of the overtime assignment, the assignment will be offered to the most senior employee whose name appears on the voluntary overtime roster and who is currently on duty.
- D. Overtime at camps and community-based programs shall be on a rotational basis.
- E. In addition to the above within DJJ, overtime under this provision shall be offered by seniority by classification. When there are no volunteers on the appropriate list within the classification, the Department shall use the following options in descending order:
  - 1. Use the volunteers from an appropriate classification (i.e., Youth Correctional Counselors can work for YCOs and vice versa);
  - 2. Use the involuntary overtime provisions; or
  - 3. Take necessary action to ensure adequate coverage.
- F. Existing institutional sign-up procedures and policies in effect during the terms of this MOU will not be changed without local negotiations.

- G. When an outside employer engages Unit 6 employees to work for a project on departmental grounds, the employees will be hired on an overtime basis pursuant to this section, or be placed on special assignment to work, and their positions filled behind with a PIE or on an overtime basis pursuant to this section, except if the position is not normally filled behind.
- H. When it is determined a violation of this section has occurred, the ~~wronged~~ employee shall be entitled to four (4) hours pay at time and one-half.

#### **12.06 Involuntary Overtime By Inverse Seniority**

- A. Employees in Bargaining Unit 6 shall be assigned involuntary overtime on a rotating basis by inverse seniority except when precluded by operational needs of the departments or in emergency situations. Specifically excluded from this section are camps and other CDCR community-based programs.
- B. In the departments, the junior seventy percent (70%) of the employees assigned overtime in a particular classification shall only be assigned involuntary overtime twice during a monthly pay period before the senior remaining thirty percent (30%) of the employees are required to work involuntary overtime. If after the junior seventy percent (70%) have been worked twice in any monthly pay period and the senior thirty percent (30%) once in that same monthly pay period, then the junior seventy percent (70%) shall be required to work again.
- C. Normally employees will not be assigned involuntary overtime on their regular day off (RDO). For the purposes of this section, an employee's RDO begins immediately after the completion of their normal shift before the RDO.
- D. The departments will make reasonable efforts to canvass on-duty employee volunteers prior to the implementation of this contract section.

#### **12.07 Personnel Preferred Post Assignment (PPPA) for Correctional Officers and MTA (DMH)**

##### **A. METHODS**

1. There shall be seventy percent (70%) of the qualifying CO and MTA (DMH) post assignments at each Adult Institution assigned by seniority. These Personnel Preferred Post Assignments (PPPA) will be distributed among the watches and RDOs in the same proportion as their percentage of the total number of qualifying posts. The break point will be .6 of the total number of qualifying posts. For example: 32 jobs (70%= 22.4; 30%=9.6). Therefore, ten (10) jobs will be management assignments, twenty-two (22) jobs will be PPPA.
2. Time Frames for Implementation  
  
All institutions will implement a continuous bid process as outlined in subsection E. (CONTINUOUS BID PROCESS)

- a. New implementation will follow the implementation time lines set forth in this procedure. However, if the implementation dates change, the time-frames will continue to be adhered to.
- b. Implementation for new institutions: Within eighteen (18) months of activation (receipt of inmates) all new institutions will begin the implementation process for PPPA.

### 3. Definitions

- a. Bid Period: Employees may bid as otherwise described in this agreement during the bid period. Each —bid period” shall be three calendar years. A Realignment of Posts process will be used at the outset of each new bid period.
- b. Realignment of Posts: A Realignment of Posts follows a re-determination by the Appointing Authority or designee and the local chapter representative about the number and specific posts which will be considered —qualifying posts” available for bid.
- c. Qualifying Post: Any authorized post listed on the Master Assignment Roster after it has been reconciled with the Post Assignment Schedule and the Governor’s Budget. The following posts may be exempted from the PPPA bid process, but will be included in the count for the purpose of establishing the 70/30 calculation: (1) total number of established transportation posts at the CO level; (2) total number of Investigative Services Unit (ISU) posts at the CO level; and, (3) total number of In-Service Training (IST)/Armory posts at the CO level.
  - (1) Camps shall retain their current agreements regarding post assignments.
- d. 70/30 Split: Posts identified as gender restricted in DAI Male Institutions will be counted in Management’s 30%. For posts identified as gender restricted at CIW, CCWF and VSPW, no more than 20 posts per institution will be subject to the 70/30 split. Any additional gender restricted posts in excess of 20 at CIW, CCWF or VSPW shall come out of management’s 30%. Seventy percent (70%) represents the percentage of qualifying posts that shall be available for bid otherwise known as —Personnel Preferred Post Assignments” (PPPA). Thirty percent (30%) represents the percentage of qualifying posts that shall not be subject to bid. The representative number of PPPAs at each institution will be determined by establishing an equitable distribution of qualifying posts by area, watch and RDO. An —equitable distribution” is as close to a 70/30 representation in each of these areas, in keeping with operational needs. Upon completion of the 70/30 split, a

reconciliation shall be completed to insure the institution's overall representation is within plus or minus two (2) positions.

4. Bid Process

- a. PPPA will consist of two (2) processes. One process consists of the bid as outlined in subsection C. IMPLEMENTATION.
- b. The continuous bid process is outlined in subsection E. CONTINUOUS BID PROCESS. The continuous bid process will be for the purpose of filling PPPA vacancies on a continual basis as they arise throughout the bid period.

**B. ELIGIBILITY**

1. Participation in the PPPA system is limited to eligible employees. An eligible employee:

- a. Must be a permanent, full-time CO or MTA (DMH). Apprentices are excluded.
- b. Must be permanently assigned to and working at the institution. Eligible employees may participate only in their institution's PPPAs. There shall be no inter-institution bidding assignments by personal preference.

Eligible employees who laterally transfer will be permitted to participate in the continuous bid process.

- c. In order to participate and maintain the rights and privileges defined throughout this procedure, the employee must maintain an overall standard performance rating as identified in Section 9.01. In the case of a gender restricted post, the otherwise eligible employee must be the appropriate gender for that post.

(1) Upon activation of a newly established institution, previous year employee performance evaluations will not be considered for the purposes of eligibility in the PPPA process.

- d. An employee successfully bidding to a PPPA who does not meet the qualifications (firearms, baton, chemical agents) for such post, must meet all qualifications, specified in this procedure, prior to the date of assignment to the PPPA. If the employee is not qualified for the PPPA, on the initial date of assignment, the employee will be assigned at management's discretion and allowed to participate in the continuous bid process. The vacated PPPA will be subject to the continuous bid process.

(1) For Correctional Officers, management shall be responsible to ensure that training for all qualifications are available

through In-Service Training. Employees shall be responsible for scheduling and attendance.

- (2) If the failure to qualify is based upon unavailability of training, the employee will be placed in a non-qualifying post in the same watch, RDOs with similar start/stop times. The PPPA will temporarily revert to management until such time that the employee qualifies and is placed back into the PPPA.
  - (3) Once the training has been provided, and if the employee qualifies, the employee shall be placed in the PPPA. If the employee is not successful in qualifying, they shall be assigned at management's discretion. The vacated PPPA shall be subject to the continuous bid process.
  - (4) In order to be retained in a PPPA armed post, employees must maintain current weapons qualification. Failure to maintain quarterly qualifications in compliance with departmental policy will result in the employee being assigned at management's discretion to an unarmed post. An otherwise eligible employee may participate in the continuous bid process. Removal of the employee does not preclude the employee from being subject to other action in accordance with departmental policy.
- e. For activation of a newly established institution, an employee may be precluded, in writing, from participating in the PPPA bid process to specific assignment areas as determined by the Appointing Authority. This preclusion must be based upon:
- (1) An employee who has an adverse personnel action which relates to the employee's job performance including, but not limited to:
    - (a) Inattentiveness on the job
    - (b) Insubordination
    - (c) Excessive force toward an inmate, ward, or parolee

    - (b) Off-duty conduct, etc.
    - (c) The adverse personnel action must have occurred twelve (12) calendar months preceding the onset of the bid process (i.e., the third Monday in November).

An employee receiving a performance related adverse action that may have a greater impact related to a specific assignment area (i.e., Ad Seg, community crews, Security Housing Units, entrance gates, etc.), may be excluded by the Appointing Authority from bidding to the specific assignment area for one (1) bid period. (Refer to subsection H.14.)

- f. An otherwise eligible employee absent from the worksite during the bid process for such reasons as NDI, Workers' Compensation, leave of absence, annual military leave, etc., may participate in the PPPA bid process. Employees who are successful in obtaining a bid post must assume the duties of such post within one year of posting of the bid results. Until such time as the employee occupies the post, it temporarily reverts to the conditional bid process. In the event the employee is unable to assume the duties within one year, the employee will be placed in a post at management's discretion.
- g. Failure of the employee to complete a PPPA bid will result in placing the employee in a post, at management's discretion, without regard to watch, RDOs or start/stop times.

#### **D. TEN PERCENT RULE**

This section does NOT apply to those employees subject to adverse action or substandard performance appraisals.

1. In those instances when it becomes apparent an employee does not possess the knowledge, skills, aptitude, or ability to perform at an acceptable standard in the PPPA to which the employee has bid, a job change memorandum documenting the reasons for reassignment will be prepared by the immediate supervisor and attached to a job change request.

This document must be approved by the employee's second line supervisor and section manager prior to being forwarded to the Personnel Assignment Office. The approved job change memorandum shall be maintained by the Personnel Assignment Lieutenant and filed in accordance with existing procedures regarding the archiving of all other job change requests and the employee shall be provided a copy of the job change memorandum. Management may then reassign the employee as follows:

- a. The reassignment must be completed within sixty (60) days of the date the employee assumed assignment to the post. The time an employee is absent from the post is not counted toward the sixty (60) days.
- b. The number of these reassignments may not exceed ten percent (10%) of the total PPPA count based on seniority. The Personnel Assignment Lieutenant shall be responsible for maintaining an accurate count of reassignments made under the Ten Percent Rule.
- c. In the event assignment changes are necessary (within the ten percent [10%] factor allowed), the person being moved from that assignment shall be given a job change into an assignment with the

same RDOs and substantially similar start and stop times for the remainder of bid period.

- d. If the employee disagrees with the reasons for the removal from the PPPA, the employee can grieve the change, within twenty-one (21) calendar days of notification, directly to the Appointing Authority. This grievance must be heard, and a written response provided, by the Appointing Authority within fourteen (14) calendar days. The grievance may not be appealed beyond the Appointing Authority. The filing of a grievance shall not postpone any such removal.

## **E. CONTINUOUS BID PROCESS**

### **1. Statement of Purpose**

The Continuous Bid Process is to allow employees to continue to fill vacant PPPA's, by seniority, once the initial process has been implemented.

### **2. Implementation**

- a. Vacant PPPAs will be posted on the first Monday of each month. Any eligible Correctional Officer will be allowed to bid including those already in a PPPA.
- b. All assignment for those who were successful in achieving an available PPPA, the results will be posted by the fourth Monday of each month. All job changes will have an effective date of not more than fourteen (14) calendar days from the date of the posting results.
- c. This posting and bid "window" will be a minimum of ten (10) calendar days, with no bids being accepted after the close of business on the second Friday after the initial posting.
- d. Subsequent to the initial bid, an otherwise eligible officer may participate in the continuous bid process up to five times during the bid period. Bids due to deactivations or changes to a post's RDOs or start/stop times shall not count towards this cap. Bids due to removal for cause, 10 percent rule, performance evaluations or adverse actions shall only be counted against the cap for a maximum of two bids.

## **F. CONDITIONAL BIDS**

The Conditional Bid Process will be the process in which PPPAs are filled on a temporary basis. Once it is determined that a PPPA could be temporarily vacant for more than thirty (30) calendar days, the PPPA will be posted for a "conditional bid". The conditional bid would only be in effect until the original bidder returns to assume the PPPA within the following time frames. An employee displaced from a conditional bid post may participate in the continuous bid process, or will be

assigned at management's discretion without regard to watch, RDOs, or start/stop times:

1. All vacancies with the exception of Military Leave or Union Officers:

These employees would be subject to a one (1) year time limitation before the conditional status of the post expires. The employee in the job could remain in said post. The Appointing Authority can extend this time on a case by case basis.

2. Military Leave:

In the event an employee is ordered to active military duty, these employees would be subject to length of the bid period before the conditional status expires. The employee in the job could remain in said post. The Appointing Authority can extend this time on a case by case basis.

3. Union Officers:

All employees subject to being placed in to a post utilizing —~~super~~ seniority” will submit a bid form based upon their seniority. Once this process has been completed Union Officials who are designated by CCPOA to fill Chapter President/Chief Job Steward posts based upon —~~super~~ seniority” will be assigned to those designated posts upon their request. Should a union official assume the designated post utilizing —~~super~~ seniority”, they would remain in said job until he/she is un-elected or the Chapter President designates a different Chief Job Steward. At this time, the employee would return to the position originally bid by their seniority. During the time that the employee is in a post based upon —~~super~~ seniority”, their seniority bid post will be offered as a conditional bid subject to the length of the bid period.

4. Gender Restricted Posts

In the event that there are gender restricted posts unfilled, management will make appropriate adjustments in the post duties to accommodate the employee that bids to a gender restricted post.

**G. RE-EVALUATION**

Upon request of either party, the Joint Labor/Management Committee will be convened to discuss and evaluate the processes and parameters established for the Continuous and Conditional bid processes as defined in sections E and F. The Joint Labor/Management Committee may make any adjustment to the process deemed necessary prior to next bid period.

**H. MAINTENANCE**

After the initial PPPAs have been made, the following steps will be adhered to regarding maintenance of the process:

1. If a PPPA becomes vacant, the PPPA will be filled through the continuous bid process. Unless specifically authorized by the Bargaining Unit 6 MOU these procedures or local mutual agreement, the designation of a particular post as a PPPA cannot be altered in any fashion without fulfilling the notice requirements of Section 27.01 of the Unit 6 MOU.
2. Employees displaced from a PPPA as a result of a deactivation will be placed in an assignment with the same RDOs if available, and substantially similar start/stop times.
3. Upon activation, all activated posts will be subject to subsection A. METHODS, of this procedure. Newly designated PPPAs will be subject to the continuous bid process.
4. Upon written request of an employee to vacate a PPPA, management may, at its discretion, approve the employee's movement to a management position. Such movement will be without regard to watch, RDOs or start/stop times.
5. An employee shall be permitted to rebid to the same PPPA. Should the employee be successful in their bid attempt, the employee will be subject to all provisions of this procedure as if assigned for the first time.
6. Employees shall not be permitted to remain in any PPPA in a high stress area, commensurate with the provisions outlined in DOM Section 33010.30.2, unless exempted by the Appointing Authority. The employee may rebid for a PPPA in a high stress area after one (1) year in a non high stress assignment.
7. If after the bid process has occurred the RDOs and start/stop times attached to a post are significantly changed, the affected employee may choose to remain in the post; and/or participate in the continuous bid process.
8. An employee may not be removed from a PPPA based upon the issuance of a LOI.
9. An employee may be temporarily removed from a PPPA pending a personnel investigation/EEO investigation, but will be assigned to substantially similar start/stop times and RDOs. Once the investigation has been concluded and if the charges have not been substantiated, the employees may be returned to their PPPA.
10. Any PPPA not bid during the bid period by an eligible employee shall temporarily revert to management, and be subject to the continuous bid process.
11. For purposes of expressing a personnel preference, the Chapter President/Chief Job Steward(s) shall be given —~~sup~~ seniority in order to select a PPPA. When an employee is removed from his/her position as a

Chief Job Steward they will be subject to the guidelines of the Conditional Bid Process.

12. Upon completion of the Apprenticeship period, an otherwise eligible employee, may participate in the PPPA continuous bid process.
13. Unless otherwise allowed by this procedure, once an employee has successfully been assigned to a PPPA, the employee may only be moved involuntarily for cause. As used in this context, cause is NOT interpreted as adverse in nature or substandard for purposes of a performance appraisal. The supervisor must document the specific reasons for removing the employee from the PPPA and provide a copy to the employee. The employee must then be placed in an assignment with the same RDOs and substantially similar start/stop times. The vacated PPPA will be subject to the continuous bid process.

If the employee disagrees with the reasons for the removal from the PPPA, the employee can grieve the change, within twenty-one (21) calendar days of notification, directly to the Appointing Authority. This grievance must be heard, and a written response provided, by the Appointing Authority within fourteen (14) calendar days. The grievance may not be appealed beyond the Appointing Authority. The grievance shall not postpone any such removal for cause.

14. If an employee is to be removed from a PPPA, as a result of an adverse action, the removal will be upon the effective date of the adverse action related to job performance (upon the conclusion of the *Skelly* hearing process and/or time frames associated with that process). Such movement will be to the same watch, without regard to RDOs or start/stop times. The employee will not be eligible to participate in the PPPA process for one (1) year period. The vacated PPPA will be subject to the continuous bid process. The Appointing Authority may exclude the employee from bidding to a specific assignment area for the remainder of the bid period and subsequent bid period.
15. In reference to subsection B.1.c., an employee may be removed from the PPPA upon receipt of the final copy of a substandard performance evaluation. Such movement will be to a post with substantially similar start/stop times. The vacated PPPA will revert to the continuous bid process. The employee will not be permitted to participate in the PPPA process for a one (1) year period.
16. An employee who is in a PPPA post may be assigned alternative duties as necessary in accordance with the practice that existed concerning the assignment of alternative duties during the term of the 2001-2006 MOU. Temporary reassignment may include gender restricted duties which did not exist under the contract. Gender restricted posts may be considered one of the additional justifications for a temporary alternative duty assignment.

**I. GENDER RESTRICTED POSTS**

The filling of gender restricted post for purposes of overtime, vacation/holiday relief, military leave or other temporary basis will be made regardless of gender. Management will adjust the gender restricted post's duties as necessary.

**J. DISPUTES**

All disputes concerning PPPA issues, that are unable to be resolved at the local level shall be directed to the Joint Labor/Management Committee for final resolution, as the final level of review. The Joint Labor/Management Committee shall be comprised with equal representation of three (3) persons appointed by the Secretary or designee of CDCR and CCPOA, respectively. Disputes will be resolved by majority vote.

- K. Upon ratification of MOU, all institutions shall conduct a bid to incorporate changes in PPPA procedures consistent with this section, unless waived in whole or in part by the local CCPOA chapter.

**12.08 Layoff and Reemployment**

- A. Whenever it is necessary because of a lack of work or funds, or whenever it is advisable in the interest of the economy to reduce the number of permanent and/or probationary employees in the CDCR and Mental Health, the State may lay off employees pursuant to this section and DPA/SPB Law and Rules which are not superseded by this section.
- B. Order of Layoff: Layoff shall be made in order of seniority pursuant to Government Code Sections 19997.2 through 19997.7 and applicable DPA rules except as superseded by this MOU. Seniority scores shall be determined pursuant to Section 12.01 of this MOU. In determining seniority scores, one (1) point shall be allowed for each qualifying monthly pay period of full-time state service in Unit 6, regardless of when such service occurred. A pay period in which a full-time employee works eleven (11) or more days will be considered a qualifying pay period, except that when an absence from state service resulting from a temporary or permanent separation for more than eleven (11) consecutive work days falls within two (2) consecutive qualifying pay periods, the second pay period shall be disqualified.
- C. Employees compensated on a monthly basis shall be notified in writing thirty (30) calendar days in advance of the effective date of the layoff. Where the notices are mailed, the beginning of the thirty (30) calendar day period will be determined by the postmark of the notice. Notice of the layoff shall be sent to CCPOA. The reason for the proposed layoff, the anticipated classifications affected, the number of employees in each class, the estimated number of surplus employees in each classification, and the proposed effective date of the layoff, will be clearly stated in the layoff notice sent to CCPOA and the employee.
- D. Transfer or Demotion in Lieu of Layoff: The State may offer affected employees a transfer or a demotion, in lieu of layoff, to another position deemed appropriate

by the Department, pursuant to Government Code Section 19997.8 through 19997.10 and applicable DPA Rules. If an employee refuses a transfer or demotion, the employee may be laid off from state service.

- E. Whenever the State determines it necessary to lay off employees, the State shall Meet and Confer in good faith with CCPOA regarding the impact of said layoff(s) and alternatives to the layoff(s). The State and CCPOA shall meet in good faith to explore alternatives to laying off employees such as, but not limited to, voluntary reduced work time, retraining, early retirement, job sharing, and unpaid leaves of absence.
- F. In accordance with Government Code Section 19997.11 and 19997.12, the State shall establish a reemployment list by class for all employees who are laid off. Such lists shall take precedence over all other types of employment lists for the classes in which the employees are laid off. Employees shall be certified from department or subdivision reemployment lists in accordance with Section 19056 of the Government Code.
- G. An appeal of any portion of this layoff provision shall solely be through the procedures established in Government Code Section 19997.14 and shall not be subject to the grievance and arbitration Article of this MOU.

### **15.09 K-9 Duty Compensation and Overtime**

- A. The State agrees to compensate canine officers for routine time spent for canine care outside the regular work schedule at the prevailing federal or state minimum hourly rate per hour, whichever is greater. The parties further agree that routine daily canine care generally requires up to sixteen (16) hours each pay period beyond an officer's regular work schedule. This daily "routine" K-9 care will be compensated based on the prevailing federal or state (whichever is greater) minimum hourly wage at time-and-one-half hourly rate. The officer is only pre-approved for up to sixteen (16) hours per pay period. The officer will submit this overtime via the daily timekeeping process and it will be in addition to any other regular overtime the officer may have worked.

If an officer needs to exceed the maximum daily routine care time allotment noted in A. above, the officer must obtain his/her supervisor's approval prior to exceeding the maximum. The officer must justify the need to exceed the maximum in writing.

- B. Daily routine care performed outside the regular work hours consists of various tasks such as feeding, grooming, medicating, exercising the dog(s), performing incidental maintenance training, spraying for pest control in the area, and preparing and cleaning the living space for the dog(s).

If the officer must travel to an "other than normal" worksite, the State will compensate the officer for any increase in travel time in accordance with prevailing travel rules. The State may require the officer and the dog to travel only during regular work hours.
- H. The State reserves the right to discontinue the use of canine units, or to provide for their total care and maintenance at the institution.
- I. A K-9 officer is required to obtain a certification that he or she has received the required dog handler training.

#### **15.10 401 (k) Plan**

Employees in Unit 6 are to be included in the State of California, DPA's 401 (k) Deferred Compensation Program.

#### **DEFERRED COMPENSATION**

The State of California will have two (2) voluntary deferred compensation programs under Sections 457 and 401 (k) of the IRS Code.

The IRS has approved the State's 1985 request for a 401 (k) program. A single state plan paralleling the 457 will be provided to employees.

The 401 (k) is a currently qualified trust, which is subject to the 1986 and 1987 tax code revisions. As a result it will be, at least initially, more advantageous for those earning less than \$66,000 per year, subject to COLA.

401 (k) programs hold in trust employees' money while the 457 holds State money in trust for the employee.

Currently, the 401 (k) has the following provisions which differ from the 457:

- Allows for a loan provision whereby an employee can borrow against his/her fund;
- Allows IRAs to be rolled into the 401 (k) fund or out of 401 (k) into an IRA without first taxing;
- Allows for a five (5) year forward averaging when the funds are drawn out;
- Allows for a maximum contribution which increases each year by the increase in the national CPI rate.

Penalizes persons earning over \$66,000 by reverting contribution for taxing purposes if the plan's ratio of contribution by higher paid employees substantially exceeds lower paid.

IRS changes may make the 401 (k) program unattractive in the future. As a result, the State intends to offer the same investments to both the 457 and 401 (k) participants to assure both funds earn maximum interest. If the 401 (k) must be eliminated in later years, employee funds will be protected.

### **15.11 Salary Definitions**

For the purpose of salary actions affecting employees, the following definitions shall apply.

- A. —~~Salary~~ range" is the minimum and maximum rate currently authorized for the class.
- B. —~~Step~~ is a five percent (5%) differential above or below a salary rate, rounded to the nearest dollar.
- C. —~~Rate~~ for employees compensated on a monthly basis is any one of the full dollar amounts found within the salary range and, for employees compensated on a daily or hourly basis, any one of the dollar and cents amounts found within the salary range.
- D. —~~Range differential~~ is the difference between the maximum rate of two (2) salary ranges of the pay plan.
- E. —~~Substantially the same salary range~~ is a salary range with the maximum salary rate the same as or less than two (2) steps higher or lower than the maximum salary rate of another salary range.

- F. —~~Higher~~ salary range” is a salary range with the maximum salary rate at least two (2) steps higher than the maximum salary rate of another salary range.
- G. —~~Lower~~ salary range” is a salary range with the maximum salary rate at least two (2) steps lower than the maximum salary rate of another salary range.
- H. Under paragraph B., one step higher is calculated by multiplying the rate by 1.05 (rounded) (e.g.,  $\$2,300 \times 1.05 = \$2,415.00$  [rounded to  $\$2,415$ ]). One (1) step lower is calculated by dividing the rate by 1.05 (rounded) (e.g.,  $\$2,415$  divided by  $1.05 = \$2,300.00$  [rounded to  $\$2,300$ ]).
- I. Under paragraphs E., F., and G., two (2) steps higher is calculated by multiplying the rate by 1.05 (rounded) and then multiplying the result by 1.05 (rounded) (e.g.,  $\$2,300 \times 1.05 = \$2,415.00$  [rounded to  $\$2,415$ ];  $\$2,415 \times 1.05 = \$2,535.75$  [rounded to  $\$2,536$ ]). Two (2) steps lower is calculated by dividing the rate by 1.05 (rounded) and then dividing the result by 1.05 (rounded) (e.g.,  $\$2,536$  divided by  $1.05 = \$2,415.2381$  [rounded to  $\$2,415$ ];  $\$2,415$  divided by  $1.05 = \$2,300.00$  [rounded to  $\$2,300$ ]). This method is referred to as the Universal Salary Schedule calculation.

Unless otherwise provided by SPB, the lowest salary range currently authorized for the class is used to make salary comparisons between classes. Any rate falling within the salary range for a class may be used to accomplish appropriate step differentials in movements between classes and salary ranges.

- J. The numbers in this section are examples.

period of one (1) year. In those cases involving large accounts receivables, longer periods of replacement may be agreed to; or,

3. Upon employee request, the overpayment shall be satisfied by use of leave credits, excluding sick leave.

- E. If an employee who was given an advance, signed a waiver and should have reasonably known that the overpayment occurred, the schedule of repayment may be determined by the State, and will not be subject to paragraphs C. above and H. below.
- F. An employee whose employment is terminated prior to full repayment of the amount owed shall have withheld from any money owing the employee, upon termination, an amount sufficient to provide full repayment. If the final amount owed to the employee is insufficient to provide full reimbursement to the State, the State shall have the right to exercise any and all other legal means to recover the additional amount owed.

- K. No administrative action shall be taken by the State to recover an overpayment unless the action is initiated within three (3) years from the date of the overpayment.

### **16.03 Early Intervention Program/Work Injuries**

- A. CDCR in conjunction with CCPOA and other recognized employee bargaining unit representative associations are initiating a voluntary Early Intervention program within the Workers' Compensation field at every Unit 6 institution, facility, camp and parole region. Early Intervention seeks to insure, before it becomes necessary to engage an attorney, that interested employees involved in Workers' Compensation cases are fully informed of available options by an authorized, independent Early Intervention Counselor and are evaluated by the services of a mutually-agreed upon, independent medical panel to assist in expeditiously reaching timely decisions regarding compensability for qualifying employees. Important to this program is the fact that the Early Intervention counselors, the medical panel, and the rehabilitation counselors are picked by the departments in conjunction with CCPOA and the other recognized employee representative associations. Additionally, a primary goal of the Early Intervention program is to assist, if possible, expedited return to work of the injured employee; using where applicable, such concepts as, but not limited to, temporary limited-duty assignments; the employee being provided, if necessary, with special equipment; or job-site modification; or the retraining of the employee, and the provision of an alternate job in the same department or another state department. If you desire further information regarding this program, you may call CCPOA's —Early Intervention Coordinator" at (800) 821-6443, or call your local CCPOA office, or contact the State's —Return to Work Coordinator" at your worksite. Additionally, CCPOA should have a local, institutional or parole region, Job Steward designated as an Early Intervention ombudsman who hopefully can help you.
- B. The State will conduct no meetings of local selection committees to choose additional Early Intervention counselors without a prior written notice to CCPOA's main office in Sacramento. Such notice will be provided at least fourteen (14) calendar days in advance of the proposed date. The parties shall then select a mutually satisfactory date for said selection committee to convene on.
- C. Disputes regarding this section shall be grievable only up to the Department Director or designee, which shall constitute an exhaustion of administrative remedies.

### **16.04 Post Orders/Duty Statements**

Upon request, the local CCPOA chapter will be provided access to existing post orders/duty statements for review, and may make recommendations for changes to the Appointing Authority or designee.

### **16.05 Institutional Redirection Plan**

- A. DAI will continue to operate under a standardized Institutional Redirection Plan (IRP) for Correctional Officer positions. To the extent that circumstances change (e.g., activations and deactivations) at an institution the appointing authority (or designee) shall notice the Local CCPOA Chapter President for purposes of meeting and agreeing upon a change to the IRP.
- B. Each institution's appointing authority (or designee) and the local CCPOA chapter president (or designee) shall meet at least annually to review and reaffirm in writing their agreement for the upcoming year as it relates to the contents of the IRP.
- C. Disputes concerning this section shall first be brought to the attention of the local Warden, or designee, within ten (10) calendar days of having knowledge of the alleged violation. After the face-to-face meeting with the Warden, a response will be provided to the local Chapter President within ten (10) calendar days. If not satisfied with the Warden's response, the matter may be appealed to the Associate Director within five (5) calendar days of receipt of the response.
- D. If requested by the Union, the Associate Director shall review all appeals at a monthly meeting. The Associate Director shall respond to the Union within ten (10) calendar days following the meeting. If not satisfied with the decision of the Associate Director, the Union may appeal to the Deputy Director of Operations within five (5) calendar days of receipt of response. The Deputy Director of Operations shall review the appeal and respond to the Union within ten (10) calendar days of receipt of the appeal by the local Union. If not satisfied with the decision of the Chief Deputy Director, the Union may appeal to the Director of DAI within ten (10) calendar days of receipt of the response. This is the final level of review. The Director has the right to determine the remedy should there be a determination that a violation has occurred. The established time lines may be extended by mutual agreement of the parties.
- E. Separate and apart from the IRP, management may reassign staff when post workload has been temporarily eliminated/reduced (e.g., when there are no inmates in the community hospital, education is closed for the day, modified program, staff may be reassigned to avoid overtime or in accordance with section 12.07 H 16).
- F. If CDCR establishes a new plan or modifies an existing redirection plan, CDCR will notice and meet and confer over the new plan or the modification of the existing plan.

If the new plan or modification is to statewide percentages, the meet and confer will be at a statewide level. If the new plan or modification results in changes within the scope of negotiations locally, the meet and confer will be at a local level.

Correctional Institutional Fire Captains are exempted from the "Continuous Hours of Work" Section 11.03. In any event, Fire Captains shall not work any regularly scheduled shift in excess of twenty-four (24) hours. However, this does not exclude Fire Captains from working in the case of an emergency. This section does not prohibit an approved swap.

### **17.14 Fire Captain Training Enhancement**

- A. Upon completion of training and certification in the courses listed in paragraph 17.01 above, and as determined by the State, CDCR Fire Captains may be provided the following training by the State:

  4. Emergency Medical Technician - 1

### **17.15 Fire Captain Annual Leave Accrual Rate**

- A. Fire Captains may elect to enroll in the Annual Leave Program outlined in Section 10.18 of this MOU. The following are the accrual rates for 7K exempt Fire Captains on twenty-four (24) hour shifts.
- B. Full-time 7K exempt Fire Captains employed by CDCR who work nine (9) twenty-four (24) hour shifts, totaling 216 hours in a work period, opting to enroll in the Annual Leave Program shall be subject to the following accrual rate:

7 months to 3 years	14 hours per month
37 months to 10 years	18 hours per month
121 months to 15 years	20 hours per month
181 months to 20 years	22 hours per month
241 months and over	23 hours per month

When a Section 11.11 7K exempt Fire Captain is changed to a Section 17.02 7K exempt Fire Captain, his/her accrued annual leave shall be multiplied by 1.2.  
When a Section 17.02 7K exempt Fire Captain is changed to a Section 11.11 7K Fire Captain, his/her accrued annual leave shall be multiplied by .83 and rounded to the nearest whole number.

- C. Full-time 7K exempt Fire Captains employed by CDCR who work eight (8) twenty-four (24) hour shifts, totaling 192 hours in a work period, opting to enroll in the Annual Leave program outlined in Section 10.18 of this MOU shall be subject to the following accrual rate:

7 months to 3 years	13 hours per month
37 months to 10 years	17 hours per month
121 months to 15 years	19 hours per month

- E. Notwithstanding the above, on the first day of the July pay period each year of this MOU, Fire Captains shall accrue one (1) hour less of annual leave than identified above.

For each employee in Unit 6, including Fire Captains, on the first day of the July pay period, the employer shall credit the union's Release Time Bank in Article 10 with one (1) hour.

### **17.16 Fire Captain Overtime**

- A. All overtime will be by rotation. Upon ratification the overtime rotation list will be established by seniority (highest to lowest). The rotation list will be reestablished annually by seniority on January 1<sup>st</sup>.

Newly assigned Fire Captains will be added to the bottom of the rotation list.

- B. When an overtime assignment becomes available, the Fire Captain who is highest on the rotation list and has signed up for voluntary overtime, will be offered the overtime. When necessary, a voice message will be left requesting a return call to the Fire Station for an overtime assignment, the time of the call will be included in the voice message and noted on the overtime sign-up sheet. If the Fire Captain does not respond in five (5) minutes, the next Fire Captain in the rotation, who has signed up on for voluntary overtime, will be contacted. However, if the Fire Captain responds after five (5) minutes, overtime will be offered if any is still available. If overtime is needed and no supervisor is on duty,

the Duty Fire Captain will call to fill the position. All calls and responses will be noted in the Daily Log and notification given to the AW/BS or Watch Commander with the resulting action for purposes of staff accountability.

If overtime assignment is accepted, the Fire Captain's name moves to the bottom of the list.

If the overtime assignment is declined, the Fire Captain's name stays at the top of the list.

Overtime assignments requiring specialized qualifications (Strike Teams, Hazardous Materials, etc) will be offered to the Fire Captain who is the highest on the rotation list, meets the specialized qualifications requirement, and has signed up for voluntary overtime. As a result, any Fire Captains bypassed will retain their position in the rotation.

Overtime cannot be swapped.

- C. Involuntary overtime will be filled by inverse seniority without regard to the rotation list. If no supervisor is on duty, the Duty Fire Captain will call. All calls and responses will be noted in the log.

An involuntary overtime assignment moves the Fire Captain's name to the bottom of the list.

Failure to qualify during this period of time will result in the PA being separated from State service pursuant to Government Code Section 19585, or other applicable Government Code section(s). However, the employee shall receive at least seven (7) days' written notice of separation from State service if personally served, and at least ten (10) days' written notice, if served by mail.

### **18.03 DJJ Field PA, and BOPH Board Coordinating PA Work Hours**

- A. The normal work schedule for DJJ Field PAs, and BOPH Board Coordinating PA, shall be one hundred sixty-four (164) hours in a twenty-eight (28) day work period. Normally, the work period schedule shall reflect a four (4) day or five (5) day work sequence with traditional weekend days as RDOs. Their workday may be scheduled without a meal break or a duty-free meal break may be taken varying from thirty (30) minutes to one (1) hour. The above-referenced classes shall submit to the supervisor for approval a projected work period schedule, seven (7) work days prior to the beginning of each work/pay period, based on existing practices. A projected work schedule is tentative and subject to changes by the parole agent, as crisis and unforeseen circumstances occur. Any changes in the projected work schedules, excluding emergencies, will require prior supervisory approval. There shall be no arbitrary denial of a submitted work schedule. If a work schedule is denied, the supervisor shall state, in writing, the reason for the denial.

The above referenced classes will advise their supervisor of emergency changes no later than the next work day. If the above-referenced classes do not submit a monthly work schedule, the supervisor shall schedule his/her work hours. The schedule shall reflect those hours of work needed to provide the necessary level of service for such concerns as classification, parolee/inmate contact, programs, custody, and other routine or special assignments appropriate to the above-referenced classifications and responsibilities.

- B. All DJJ Field PAs, and BOPH Board Coordinating PA's may schedule four-ten-forty (4/10/40) work weeks and/or eight-nine-eighty (8/9/80) work weeks in accordance with Section 18.03 A. above. The denial of the alternate work schedule may be appealed to the Assistant Secretary of CDCR Labor Relations.

### **18.04 DJJ Field PA Workload**

- A. Cases that go into custody or on to missing status should have case count credit calculated at 1.0 after 30 days.
- B. Administrative caseloads will not be assigned to the case carrying Parole Agents. Telephonic contact for this caseload shall not routinely be handled by the Parole Agents. Emergency/crisis situations (e.g. violations) may be distributed on a rotational basis to case carriers currently below caseload maximum. However, immediate emergency/crisis situations may be assigned to the OD.
- C. In covering cases for Agents who are out on extended sick leave, high service/high risk cases will be equitably distributed to other PAs within the Parole unit. Agents receiving redistributed cases will not exceed the case credit maximum. The remaining cases will be placed on an administrative caseload.
- D. All Field Parole offices will routinely receive facsimile notification of Field PA vacancies (existing and/or newly created). Vacancies filled by management due to hardship or employee right of return will be designated on the notice form.
- E. CCPOA will be provided by January 1, 2002 or sooner the policy and procedures created to increase the cooperative efforts between Institutions and Camps Branch and Parole Services and Community Corrections Branch concerning housing for parole violators.
- F. Once a supervisor approves deviations from casework standards, an office audit shall not be cause for an agent to receive discipline whether formal or informal.
- G. Only Sex Offender and Mental Health PA II Specialists will service and supervise Sex Offender and Mental Health cases. Training for those staff shall occur within six (6) months of assignment to service those specific cases.

Routine backup shall not be assigned to the PA Is. However, the cases that are stabilized may be reassigned to a PA I. Should these cases assigned to the PA I significantly impact the PA's workload, the agent may then request a meeting with their supervisor(s). As a result of the meeting the supervisor may:

1. Reduce workload by lowering service contact level on appropriate Case Management case(s).
  2. Redistribute case to an administrative caseload.
  3. Reassign the case back to the PAII Specialist through the crisis case staffing process.
- H. Management agrees that student interns will not independently have case supervision responsibilities. Student interns may only assist case carrying PAs in the performance of the agent's duties under the direct supervision of the agent/supervisor.

PAs who regularly perform the following assignments will not be given case credits beyond 52:

1. Special programs; i.e., Academic programs; Parenting, Drug Abuse and Counseling, etc.
2. Institution Pre-Parole Classes
3. Gang Information Coordinator
4. Public Speaking/Job Fairs
5. Any and all additional parolee self-help groups, educational programs and/or community public relation projects.

These assignments shall be made by the following progressive procedure:

1. Announce the need for a volunteer at staff meeting
2. Approach Agents individually to **determine** interest
3. Assign an Agent with the understanding that they can decline
4. Make the assignment to the least senior Agent in the office who is not already carrying a secondary assignment.

Management agrees to free up PA time on their OD day by 1) developing uniform prioritized parole office clerical telephone answering procedures (rather than routinely sending most incoming calls to the OD).

### **PS&CC General Policy**

To the extent possible, PA caseloads shall be balanced. Toward this end, Supervising or Assistant Supervising PAs will schedule caseload assessments during routine case conferences no less than quarterly. The following caseload assessment procedure will be utilized in maintenance of parole unit workload balance.

**Step #1** Determine the total number of each case —~~type~~ and multiply that number by the case type —~~multiplier~~.”

**Case Type Count x Multiplier = Case Type Credit Total**

**Step #2** Add all case type credit totals for the caseload —~~case~~ credit” total.

“x” Case Type Count x Multiplier = Case Type Credit Total

“y” Case Type Count x Multiplier = Case Type Credit Total

“z” Case Type Count x Multiplier = Case Type Credit Total

Total Caseload Credit (52, + or -5)

The assigned multiplier value for each case type is determined through dividing the standard or ~~base~~ caseload of 52 by the approved number of cases per caseload for that type of case (e.g., the EEPRP multiplier value is 3.5, or 52/15). Case count and multiplier values for designated case types are identified in the following table.

Case Type	Case Count	Multiplier
-----------	------------	------------

Intensive Re-Entry	15	3.50
EEPRP	15	3.50
Specialized (PA II)	30	1.75
Case Management/ Z Cases	52 (base)	1.00
Substance Abuse Cases/GSP Pure Caseload	30	1.75

The procedure allows for mixing of differing types of cases (e.g., Specialized PA II) and cases assigned to programs with reduced case count assignment levels (e.g., EEPRP). In establishing and maintaining caseload equity, a deviation from the base 52 of plus or minus five (5) —~~cas~~ is acceptable, in consideration of periodic parole unit case count fluctuations and operational requirements.

Only PA II Specialists will receive 1.75 multiplier credit for DJJ commitment cases designated —~~specialized~~.” When other case types are included in a PA II Specialist caseload, the multiplier credit assigned those case types will be granted (see example Caseload No. 2). Quarterly caseload reconciliation may include one or more of the following adjustments:

Provide overtime in accordance with PSM 2040 and Article 11.11 of the Collective Bargaining Agreement between the State and CCPOA. Any changes to 11.11 shall be reflected/applicable to the Agreement. Fill vacant positions and/or new positions in a timely manner.

Reduce workload by reclassifying appropriate cases from Intensive Re-entry to Case Management so that —~~cas~~ count” is 57 or less. (LEAD and EEPRP Program cases may not be reclassified.) Reduce workload by lowering service/contract contact level on appropriate Case Management cases. (This action does not impact —~~cas~~ count” reduction, but may be the only short term option available in remote —~~Resident Agent~~” locations.)

Redistribute cases to an administrative caseload (when the case carrying Agents are at caseload maximum) in the following order: Institutional Escapees, INS cases, Missing, Minimum Service Designated or In-Custody cases, Case Management cases, within parole unit, preferably at appropriate casework transaction points.

## EQUITABLE CASELOAD EXAMPLES

	Case Type	Cases	Multiplier Case	Credit
Caseload #1	Intensive Re-Entry	5	3.50	17.5
	EEPRP	2	3.50	7.0
	Case Management	28	1.00	28.0
			Total	52.5
Caseload #2	Intensive Re-Entry	5	3.50	17.5
	Specialized (PA II)	20	1.75	35.0

		Total	52.5
Caseload #3 Intensive Re-Entry	7	3.50	24.5
EEPRP	6	3.50	21.0
Case Management	6	1.00	6.0
Z-Case	1	1.00	1.0
		Total	52.5

#### **18.05 DJJ Parole Service Associate**

The State agrees that Parole Services Associates shall not engage in peace officer duties (e.g., make arrests, book individuals into jail and transport parolees). The Parole Services Associates will perform all duties included in their specifications.

#### **18.06 DJJ Parole Labor Management Committee**

Parties agree to convene a labor management committee to discuss, amongst other issues, training for DJJ Field Parole Agents, safety equipment, workload and case count credits.

#### **18.07 Telephone Calls Outside Work Hours**

Any employee who is required to conduct business outside his or her work hours will receive credit for time worked. This provision shall not apply in situations where an employee receives callback pay.

- A. The Department shall provide or otherwise make available to Parole Agents (PA), subject to the mandatory arming policy of the department, necessary safety equipment which includes, but is not limited to: baton, handcuffs, chemical agents, distinguishable clothing, departmentally-issued weapons, ammunition carriers, holster, handcuff cases, waist chains, leg irons, ~~mag~~ "mag" type flash light with deadman's switch, first-aid kit, shooting trauma kit and CPR masks with a one-way valve.

- C. Each Parole Agent assigned a state-owned vehicle shall also be assigned the following standard emergency equipment: fire extinguisher, reflectors, and jumper cables.
- D. Parolee Transportation from custody facilities. The parties agree that two (2) or more Agents may be utilized when safety concerns or other circumstances are present. Disputes regarding the staffing ratios will be first discussed with the immediate supervisor for resolution. If the parties do not agree with the first level response, then the issue may be brought to the attention of the District Administrator for immediate response.

Adjustments will be made when possible to avoid having PAs transport the above-referenced parolee on weekends or holidays.

The Department of Corrections will develop a process that will advise the PA of any and all immediate health concerns regarding the parolee, so that appropriate safety measures can be implemented (i.e., TB, Hepatitis, Bloodborne Pathogens).

Mechanical restraints may be utilized by the PA, within departmental guidelines, for the transport of these parolees.

The PA will be provided a safe and secure full-size vehicle for this transport. The options available to the PA in obtaining the full-size vehicle include, but are not limited to, renting a vehicle, utilizing a caged car, and a pool car.

E. Parolees with Infectious Diseases:

1. The State will make available to all PAs, departmentally-approved disposable protective clothing kit to be used as needed. G. In order to meet the short-term and long-term communication needs of PAs, the State shall establish a Telecommunications Committee, which shall meet as needed, but at least on a quarterly basis to explore and identify the options for acquiring an integrated system of mobile communication devices and capabilities. This joint labor/management committee will be comprised of equal numbers of representatives.

H. The Department agrees, in principle, to the provision of a radio or and/or cellular telephone to each PA. The Department shall provide at least four (4) portable hand-held radios or cellular telephones for each parole unit. During fiscal year 2001-2002, the Department shall allocate adequate funds to purchase 500 hand-

held radios. The purchase and distribution of radios will be determined by the Telecommunications Committee. The order to purchase 500 radios will be completed within sixty (60) days of the recommendation by the Telecommunications Committee. Upon receipt of the radios appropriately inventoried and programmed, distribution and familiarization will occur within ninety (90) days to enhance the existing minimum standard of four (4) hand-held radios or cellular telephones assigned to each parole unit.

## **19.02 CDCR PA Training**

- A. Each CDCR PA hired before January 1, 1988, may elect to be a non-armed Agent. All Agents hired after January 1, 1988, shall be armed. Optionally and mandatorily armed agents shall carry either the departmentally issued weapon, or a personal, departmentally-approved semi-automatic pistol, and ammunition.
  - 1. The departmentally-approved weapon will be a semi-automatic pistol.
  - 2. Those Agents currently approved to carry the .38 caliber revolver, either departmentally-issued or personal departmentally-approved, will continue to do so until those Agents opt to carry the departmentally-issued semi-automatic pistol.
- B. An Agent wishing to carry a personal, departmentally-approved semi-automatic pistol, may do so only after successfully completing CPOST approved departmental instruction course. The Department will authorize at the Parole Agent's expense, the ability to purchase and install Smith & Wesson approved options, i.e., night sights, adjustable sights, aftermarket stocks (grips) and factory authorized or approved modifications for accuracy and/or ease of use. The Agent shall adhere to the rules, policies and directives of the Department in the use, wearing and maintenance of the weapon. Participation in this program is voluntary. Prior to participation the PA must sign the —Participation Agreement.” (See Appendix Item #3)

- F. Should the employee fail to qualify on the first attempt, the employee shall be provided an opportunity to re-qualify as soon as possible. Any PA who fails to achieve a qualifying score within the quarter will surrender the state-issued firearm to the Regional Parole Administrator or designee. If a PA, who as a condition of employment is issued a firearm, does not qualify within thirty (30) calendar days of the end of the calendar quarter in which he/she had failed, the PA shall be placed on leave without pay for no longer than sixty (60) calendar days until said PA qualifies. Failure to qualify during this period of time will result in the PA being separated from state service pursuant to Government Code Section 19585, or other applicable Government Code section(s). However, the employee shall receive at least seven (7) calendar days' written notice of separation from state service, if personally served, and at least ten (10) calendar days' written notice, if served by mail.
- G. Parole Agents shall participate in the Parole Agent Safety and Tactical Training (PAST) pursuant to the Agreement reached between the parties on May 30, 2001.

### **19.03 CDCR PA Work Week**

- A. Parole Agents (excluding C-PAT Agents)

The normal work schedule for CDCR PAs shall be a four (4) or five (5) day work week, as dictated by the workload, and approved by the supervisor in accordance with paragraph D. below. The Agent may schedule, with supervisory approval, other than an eight (8) or ten (10) hour day. The work week shall start on Monday and end on Sunday.

PAs may elect the daily start and stop times, with the exception of the Officer of the Day duty.

Work hours, subject to supervisor approval, will be scheduled between 6:00 a.m. and 10:00 p.m., except as emergency and operational needs dictate. The work day may include, at an employee's discretion, no meal break, or an optional one (1) hour, or one-half (1/2) hour meal break which shall occur approximately in the middle of the work day.

Certain core hours of 0700 to 1800 may be established for PAs in administrative assignments. A work schedule may be denied to fulfill the need to cover these core hours. The rejection of one or more schedules because of this need to cover core hours shall not be deemed a blanket denial.

If there are no volunteers, the necessary core hour coverage in the administrative assignments shall be determined by inverse seniority.

- B. No work will be routinely scheduled between the hours of 10:00 p.m. and 6:00 a.m. Each work day will be a minimum of at least four (4) work hours and a maximum not to exceed twelve (12) work hours, except as emergency and operational needs dictate.
- C. Work schedules shall include a minimum of four (4) evenings per month. These mandated evenings shall be in the field, except if previously waived by the supervisor. This waiver will be the exception rather than the norm. These mandated evenings each month will be worked until at least 7:00 p.m. **This shall not prohibit Agents from scheduling additional voluntary evenings.**
- D. Each PA shall submit a proposed work schedule to the supervisor for each month at least seven (7) calendar days, but no more than fourteen (14) calendar days, prior to the beginning of the scheduled month for supervisory approval. The State shall develop and standardize a work schedule form to be utilized statewide. The schedule will represent all work hours which shall include all work days, weekend work, evening work, days off, Officer of the Day duties, four (4) hours of 7K activity, and other special assigned responsibilities.

The supervisor shall ensure that all Agents comply with the scheduling requirements of the contract and the meeting of operational needs. The supervisor shall approve the work schedule at least three (3) days prior to the scheduled month, unless it can be documented that the scheduled work hours as submitted would be detrimental to the needs of the office or would hinder the PA in the performance of his/her duties and responsibilities. **This documentation shall be provided if requested by the employee.** If the PA does not submit a monthly work schedule, the supervisor will assign the work schedule.

During the scheduled month, the supervisor may occasionally adjust the work hours based on operational needs with written justification to the PA. This adjustment shall not be intended to avoid the assignment of overtime. PA requested changes in the work schedules, excluding emergencies, will require prior supervisory approval. PAs will advise the supervisor of emergency changes no later than the next work day.

- E. Recognizing the need for representatives from local enforcement agencies to contact PAs during non-scheduled work hours and days about parolee/inmates assigned to their supervision, PAs shall have their home telephone or contact number on file with all local law enforcement agencies in the geographical area covered by the PA's assigned unit. A state contracted answering service will comply with the above needs.
- F. Should a PA need to respond in person to such calls, the Agent shall receive a minimum of four (4) hours call-back and shall be compensated in accordance with other provisions of this MOU.
- G. Travel Time:
  - 1. Office days: When a PA has an "officer of the day duty" or when he/she has to go to the office at the beginning of his/her shift, the Agent shall be

paid beginning at the time of arrival at the office, unless that agent began his/her workday in the field.

2. Field days: When the PA leaves his/her home and travels to a field contact, hours of work shall start on the arrival of the Agent at the field contact location. If it takes longer to travel from the PA's home to the field contact location than the amount of time it takes the PA to travel from his/her home to the office, then the PA's work time shall start at the interval of time the PA usually uses to get to work.
3. Emergencies or call-back: If the PA is requested to respond to an emergency or suffers any other work before arriving at the office, field contact location, or traveling for the period of time it usually takes to get to the office, the PA's work day shall start at the moment he/she suffers work.
4. The Department shall enforce the sixty-five (65) mile resident limit for all PAs with a home storage permit.

Parole Agents will not be administratively transferred more than fifty (50) miles from their residence.

- H. Agents may work as two (2) person team(s) with prior supervisory approval.
- I. The Department shall attempt to provide reasonable advance notice of scheduled mandatory training.

#### **19.04 CDCR PA Standby**

- A. Standby is defined as an assignment whereby a PA must remain physically and geographically able to respond when contacted by telephone or electronic paging device. The assignment shall be in addition to the Agent's normal work schedule.

The State will determine when and where standby assignments and back-up Agents' assignments will be made. The Parole Agent will be notified in writing at least three (3) working days prior to the start of the standby assignment. Operational needs may prevent the State from notifying the Parole Agent of the standby assignment three (3) working days prior to the assignment, however, the Parole Agent shall be notified in writing prior to the start of the standby assignment.

- B. Any time a PA is on standby, he/she shall receive two (2) hours of compensation per day (straight time pay).

#### **19.05 CDCR PA Caseload Audits**

- A. PA IIIs will complete all audits/roster reconciliations. The person performing the audit must, within ten (10) work days of the completion of the audit, provide to that PA a written summary of the audit. This will include deficiencies, requirements that are waived as a result of excessive caseload, and all

departmentally-recognized absences, and those areas that the PA is performing to expectations or higher.

- B. Grievances under this section may be grieved according to Article VI of this MOU but shall only be arbitrable under the mini-arb process described in Section 6.13.
- C. This provision shall only apply to P&CSD PAs.
- A. PAs will not be held liable for safety equipment stored in the passenger compartment of the flexible fuel vehicle that does not provide adequate storage space.

#### **19.06 Parole Agent Requested Transfers**

- A. The State has varying business needs to fill vacant positions by using existing eligible lists, involuntary transfers, reassignments, Executive Orders, program closures or other selection methods based on, for example, balancing the work force or pre-announced specialized skills, abilities or aptitudes.

The parties acknowledge that Parole Agents (PAI/PAIs) may want to transfer to another Region/Complex/Unit within the Division of Adult Parole Operations (DAPO). Therefore, the following seniority-based procedure, which is consistent with section 12.01 of the MOU, is established to facilitate a Parole Agent's request to transfer to a caseload within the Agent's same classification but different location.

- B. Agents cannot utilize this process to either transfer between Units within the same complex or transfer out of a complex that has a vacancy rate of more than 10%. FUNA, DRUNA, C-PAT and Administrative Assignments are ineligible for this process.
- C. Agents in a non-specialized caseload can only transfer to a non-specialized caseload. Agents in a specialized caseload can transfer to the same specialized caseload or a non-specialized caseload.
- D. Agents desiring to transfer must submit to the applicable Regional Headquarters a Standard Application Form 678 and CDCR Form 923, which shall identify the desired District(s)/Complex(es)/Unit(s) and the numerical order of preference. The employee's written requests shall be processed at the Regional Headquarters within thirty (30) days of submission and placed in seniority order with the others who have requested transfer to the same District(s)/Complex(es)/Unit(s). The Appointing Authority or designee shall provide the agent(s) submitting a request for transfer with an acknowledgment of receipt of the transfer request.
- E. Agents' requests shall be kept on file at the applicable Regional Headquarters through June 30 of each fiscal year or removed earlier at the request of an agent. All request shall be (re)submitted on or after the following July 1. At the request of CCPOA, the location of and access to an agent's transfer file will be provided to the CCPOA Representative.

- F. The State agrees to fill vacancies in Parole Agent classifications by either lateral transfers, list appointments, reinstatements, program closures, training and development or permanent full-time appointments from the academy. In the interest of continuously facilitating lateral transfers, the Regional/Unit Managers will determine the number of vacant positions to be filled in a given District/Complex/Unit and will fill at least every other vacancy via lateral transfer until all requests for that District/Complex/Unit have been exhausted. In the event there are no transfer requests on file for a given location, filling of a vacancy will not count as a management selection.
- G. A reconciliation of vacant positions, lateral transfer requests and lateral transfers will be made six (6) months after ratification of the MOU and on a yearly basis by the Appointing Authority and will be shared with and explained to CCPOA upon request of a CCPOA Representative.
- H. When lateral transfer is the means being used to fill a vacant position, the most senior employee with a request to transfer on file at that location shall be transferred unless there is clear evidence that such a transfer would be adverse to the best interest of the Department, for example the employee (1) is currently under investigation for misbehavior which could lead to adverse action, (2) has had an adverse action in the last three (3) years or (3) has had an overall substandard performance evaluation in the preceding 12 months. In addition, in order to be eligible for transfer under this section, the employee must have been employed by DAPO as a Parole Agent for more than 36 months and cannot have utilized this process in the last 24 months at the time management makes the offer to the employee to transfer, unless the employee has demonstrated a hardship that did not exist at the time of initial transfer.
- I. Upon ratification of this MOU, eligible Parole Agents may submit his/her initial selection(s) consistent with this section. Within sixty (60) days of ratification of the MOU, the seniority – based transfers described in this section shall commence.
- J. This procedure may be superseded in favor of an employee receiving a transfer based on a bona fide hardship. If the transfer is contested, the Appointing Authority or designee shall explain the basis for the waiving of this section to CCPOA's Representative.
- K. Travel Time Allowance: Upon request, the State may authorize an employee to take a reasonable amount of vacation, PLP, CTO, or holiday time off between transfers from one (1) location to another where the transfer requires the employee to move his/her residence at their own expense. Such requests will not be unreasonably denied by the receiving District/Complex/Unit.

#### **19.07 CDCR PA's Use of State Vehicles**

Assigned state vehicles for home storage for all CDCR PAs I, II and Parole Service Associates (PSA) assigned to institution-based revocation units, gang coordinators, jail liaison duties, INS/Deport Units, non-case carrying re-entry duties, Interstate Unit,

Regional/Parole Headquarters, administrative or special assignments shall be subject to local agreements in each region.

- B. State vehicles may be made available for those parole staff at their work locations for use during the scheduled work day. A parole staff person, with prior supervisory approval, may be permitted temporary overnight home storage of a state vehicle based on workload or operational needs.
- C. PAs, with prior supervisory approval, may be authorized to use their private vehicle and be reimbursed for mileage.
- D. Specially funded programs which provide state vehicles for PAs I and II are excluded from this provision.
- E. State vehicles assigned to PAs shall have adequate trunk space to accommodate safety equipment. Depending on the availability of a vehicle with adequate trunk space, PAs currently assigned flexible fuel vehicles shall have the option of exchanging them.

## **ARTICLE XX CORRECTIONAL COUNSELORS I**

### **20.01 Correctional Counselor Work Hours**

- A. The normal work schedule for Correctional Counselors shall be either a four (4) day or five (5) day work week, Monday through Friday up to a maximum of twelve (12) hours per day. The Counselor may deviate from the normal work days or hours with prior supervisory approval. Certain core hours that must be covered appropriately may be set by individual institutions so long as the core hours fall between 0600 to 1800.
- B. Each Correctional Counselor shall submit a work schedule to the supervisor for each work period at least seven (7) calendar days, but no more than fourteen (14) calendar days, prior to the beginning of each work period. Schedules must reflect a total of one hundred sixty-four (164) hours for the twenty-eight (28) day work period. In submitting his/her schedule for supervisory approval, each Correctional Counselor will propose whether or not he/she will take a lunch break during the period of time which is covered by that schedule. The supervisor shall approve the work schedule at least three (3) days prior to the scheduled work period, provided it meets the Correctional Counselor's duties, responsibilities and institutional need, and the definition of a normal work schedule as identified in paragraph A. above. If a requested work schedule is denied, the reasons for the denial will be given to the employee in writing. All denials must be based on case circumstances specific to a counselor's duties rather than —blanket denials.” If the Counselor does not submit a work schedule, the supervisor will assign the work schedule.

A work schedule may be denied to fulfill the need to cover the core hours identified in paragraph A above. The rejection of one or more schedules because of this need to cover core hours shall not be deemed a blanket denial.

If there are no volunteers, the necessary core hour coverage shall be determined by inverse seniority.

- C. Current daytime schedules will be maintained unless deviation therefrom is mutually agreed to by the supervisor and employee. The institution may require Correctional Counselors, excluding camp counselors, working a given unit (on a non-overtime basis) to work up to one (1) evening per week (up to 8:30 p.m.) based on legitimate institutional program needs. Evening work is defined as those hours worked after 6:00 p.m. None of this precludes scheduled or unscheduled overtime work.
- D. The supervisor may occasionally require a work schedule change for events that were not originally foreseen when the work schedule was originally submitted. This might occasionally include evening work or a weekend day based on legitimate institutional program needs. The supervisor shall give a seven (7) calendar day prior notice for this temporary change.
- E. Employee-requested changes in the work schedule will require supervisory approval.

#### **20.02 Correctional Counselor Workload**

- A. CDCR shall provide equitable workload assignments for all Correctional Counselors within an institution. The status of Correctional Counselor workload assignments shall be monitored by management, and appropriate steps will be taken to balance the workload. Management shall authorize overtime, when necessary, or a reasonable accommodation will be made to avoid unrealistic work expectations. The Correctional Counselor I can request an accommodation in writing, and the Department has seven (7) calendar days to respond in writing. Management will reasonably accommodate by rescheduling his/her normal duties at another time, reassigning the duties to another Correctional Counselor, or authorizing overtime when a need exists.

Correctional Counselors utilized for short-term acting assignments which preclude them from performing their full range of normal duties shall be reasonably accommodated by rescheduling the normal duties at another time, reassigning the duties to another Correctional Counselor, or authorizing overtime when a critical need exists.

- B. The State shall fill vacant positions and/or new positions in a timely manner.
- C. In order to increase inmate access to counselors, Correctional Counselors shall be able to ducat inmates for classification and other related casework subject to administrative approval.

#### **20.03 Post and Bid by Seniority for Correctional Counselor I**

- A. There shall be seventy percent (70%) of each institution's budgeted CC-I positions assigned by Unit 6 seniority. Once a CC-I successfully bids for a seniority assignment, he/she shall not be eligible to bid again for a twelve (12)

month period. An employee who bids to a lock-up unit cannot remain longer than two (2) years without a management waiver.

- B. In order to remain in the seniority position of choice, the employee must maintain a satisfactory level of performance.
  - 1. Once a bid position becomes vacant, if there is no interest in the vacant —seniority” position, management shall fill the assignment by existing rules, policies and practices. For those positions retained by management, existing rules, policies, and practices, with regard to filling vacancies, shall remain in effect.
  - 2. Nothing in this section shall diminish management’s right to carry out departmental goals and objectives nor interfere with management’s rights to meet operational needs. The afore-stated will not be done in an arbitrary or capricious manner.
  - 3. Employees who laterally transfer may bid on any vacant seniority position.
  - 4. After an employee completes the apprenticeship program, s/he can bid on any vacant seniority position.
- C. When an employee requests, local management may approve an exemption to the time frames in paragraph A. above. This will only be done on an exception basis.
- D. A legitimate reason to change a seniority bid would be if the CC-I bid position became a special needs unit requiring specific knowledge, skills, and training for casework.
  - 1. The local Chief Job Steward and the affected employee must be notified in writing prior to the change as to the specific reasons for the change. The bid employee will have the first right of refusal for special training to do the special needs casework; therefore, no change would be necessary.
  - 2. The affected employee may either: (a) remain in the position, (b) bid to a vacant seniority bid position, or (c) request placement and be placed in a management position. If the affected employee accepts the management position, then the bid position reverts to management until the employee returns to another bid position.
- E. Upon initial implementation, the Warden/hiring authority and the Chapter President will meet and come to an agreement on the positions available for bid.
  - 1. The bid forms will be available by March 1, 2002.
  - 2. The bid forms are due to management by March 31, 2002.
  - 3. Job changes will be posted by April 15, 2002.
- F. Disputes

Such persons, if hired, will still have the requisite six (6) months in which to obtain the LVN/RN or PT license. If they obtain the LVN/RN or PT license within the first six (6) months of employment, they must then complete all the other training requirements imposed by this section.

#### **24.04 DJJ YCCs Preferred Watch/Regular Days Off by Seniority**

A. Shift Assignments by Seniority (Watch/Regular Days Off Preference):

There shall be seventy percent (70%) of the Youth Correctional Counselor (YCC) watch and Regular Day Off (RDO) assignments in the CDCR's Division of Juvenile Justice (DJJ) assigned according to seniority at each facility. Employee participation in the watch/RDO preference selection process is voluntary. For purposes of this section, the term —assignments” is synonymous with the term —position.”

This section is limited to YCCs with permanent, full-time status who are permanently assigned to and working at a facility. Eligible employees may participate only in their facility's watch/RDO preference selection process. Apprentices are excluded from this section.

1. Maintenance

After the initial watch/RDO assignments, which have already been made, the following steps will be adhered to regarding maintenance of the system:

- a. In order to participate in and maintain preference rights and privileges under this section, the employee must maintain standard or better over-all performance ratings, and be free from Adverse Personnel Actions for the preceding three (3) years, unless a specific exemption is made by the appointing power.
- b. An otherwise eligible employee absent from the worksite during the preference selection process for such reasons as NDI, Workers' Compensation, leave of absence, annual military leave, etc., may participate in the process. Employees who are successful in obtaining a watch/RDO assignment must assume the duties of such watch/RDO within one (1) year of the posting of the preference selection results. Until such time as the employee occupies the watch/RDO assignment, it temporarily reverts to the conditional bid process.

In the event the employee is unable to assume the duties of the watch/RDO assignment within one (1) year, the employee will be assigned at CDCR management's discretion. This assignment, however, shall not count towards CDCR's 30%.

- c. Submissions for watch/RDO preference will be conducted on a continual basis in conjunction with 70/30 watch/RDO preference request.
- d. Upon completion of the apprenticeship period, an otherwise eligible employee may submit, in writing, his/her seniority watch/RDO preference request as seniority watch/RDOs become vacant. The most senior, eligible, employee requesting the seniority watch/RDO

shall be assigned to it. Once assigned, the employee shall remain in that watch/RDO until the next watch/RDO bid.

- e. Nothing in this section abridges CDCR management's rights to determine if an employee possesses the requisite knowledge, skills, abilities and other necessary and desirable qualifications for an assignment.
- f. If for some reason other than specified above, it becomes necessary to job change an employee who has exercised his/her watch/RDO preference, that employee shall be job changed to a new position possessing the same RDOs on the same watch.
- g. Assigned RDOs will not normally be realigned. If RDO realignment becomes necessary based upon an operational need, Facility DJJ management will meet and discuss potential changes with the CCPOA Local Chapter President or designee prior to implementation of such realignment. A realignment of watch/RDO preference requests may be conducted at any time, however, upon mutual agreement of the Superintendent and the Local CCPOA Chapter President.
- h. For purposes of expressing a watch/RDO preference assignment, the Chief Job Steward shall be given —super seniority in order to select an assignment with Saturdays and Sundays off, if he/she so chooses.

## 2. Rebid and Challenging Seniority Dates

- a. When its determined that realignment is necessary, as described in subsection 1(g) above, a rebid will occur. The rebid will include the following:
  - (1) On each watch, seventy percent (70%) of all watch/RDO assignments will be filled on a seniority basis. Facility DJJ management, in conjunction with the Local CCPOA Chapter President or his/her designee, will calculate this number.
  - (2) Seniority Scores shall be posted for at least ten (10) days at a location to be determined and communicated by the Superintendent.
  - (3) Failure of an employee to complete a watch/RDO preference will result in the employee being assigned at Facility DJJ management's discretion without regard to watch, RDOs or start/stop times. This assignment, however, shall not count towards management's 30%.
- b. Employees alleging seniority scores computed in error shall submit his/her complaint to the Superintendent or his/her designee for resolution within fifteen (15) calendar days of the posting of

seniority scores. The Superintendent's or his/her designee's decision shall be final.

- c. Errors in the posting of the seniority scores will result in the adjustment of the employee's seniority score at his/her facility. If the timing is such that selections and assignments have been made, the employee shall have a right to his/her preferred watch/RDO placement.
- d. Placement of an employee in a watch/RDO assignment due to the discovery and correction of a seniority score shall not be grievable by the employee being placed. However, the employee will go back on the waiting list for the next available watch/RDO slot matching his/her preference request.

### 3. Disputes

All disputes concerning the watch/RDO preference selection process that are unable to be resolved at the local level shall be directed to the Joint Labor/Management Committee for final resolution, as the final level of review. The Joint Labor/Management Committee shall be comprised with equal representation of three (3) persons appointed by the CDCR Secretary and CCPOA, respectively. Disputes will be resolved by majority vote.

Upon CCPOA's request, the State agrees to reopen this section no sooner than sixty (60) days after the ratification of this MOU.

### **24.05 YCC Voluntary Demotion**

YCCs shall be able to apply for vacant YCO positions within their institution/facility consistent with the seniority provisions contained in this MOU. Demotion to YCO shall be effective on the date the YCC is awarded the YCO post.

### **24.06 DJJ Incident Debriefing**

Designated management or supervisory staff will interview affected staff immediately following the settling of any major incident or disturbance within one and one-half (1 & 1/2) hours of the incident, and no later than the end of the shift. The purpose of this interview will be to assess whether the affected staff has undergone any negative impact. If, in the supervisor's opinion, the affected staff has undergone a negative impact, it will be the responsibility of the designated manager or supervisor to refer that employee to the appropriate agency, or provider of the necessary services.

### **24.07 PIE Usage Behind YCCs**

When a PIE is assigned YCC casework relief, supervisory staff should not be permitted to use the PIE to be relieved from their (the supervisor's) duties.

### **24.08 Post Assignment by Seniority for YCOs**

- A. There shall be seventy percent (70%) of the YCO post assignments in DJJ allotted according to seniority. Once a YCO successfully bids for a seniority assignment, he/she shall not be eligible to bid again for a twelve (12) month period of time.
- B. In order to remain in the post assignment of choice, the senior employee must maintain a satisfactory level of performance.  
  
If there is no interest in the vacant ~~seniority~~ "post assignment, management shall fill the assignment by existing rules, policies, and practices. For those post assignments retained by management, existing rules, policies, and practices, with regard to filling vacancies, shall remain in effect.  
  
Management shall have the discretion to review and re-designate the selected post assignments. Nothing in this section shall diminish management's right to carry out departmental goals and objectives nor interfere with management's rights to meet operational needs in making post assignments. The afore-stated will not be done in an arbitrary or capricious manner.  
  
DJJ agrees not to alter existing ~~day off~~ "patterns, unless the local Chapter President and the Appointing Authority mutually agree to do so.
- C. If the local CCPOA Chief Job Steward is a YCO, the Department will hold one (1) seniority second watch assignment with Saturdays and Sundays off vacant for that Chief Job Steward or the Chief Job Steward may use ~~super seniority~~ "to bid upon any available post. In the event the Chief Job Steward uses ~~super seniority~~ "to bid upon an available post, the second watch assignment with Saturdays and Sundays off held vacant will revert to conditional bid.
- D. In the event the employer has a legitimate reason to change a seniority bid, the following will occur:
  - 1. The local Chief Job Steward and the impacted employee must be notified in writing prior to the change as to the specific reasons for the change.
  - 2. The impacted employee may either: (a) remain in the position, (b) bid to a vacant seniority bid position, or (c) request placement and be placed in a management position with the same RDOs and substantially similar start and stop times as the employee's original bid position. In this latter case, the employee may not remain in the management position longer than twelve (12) months without prior management approval.

## **ARTICLE XXV CAMPS**

### **25.01 DAI/DJJ Camp Files**

- A. The State will provide a copy of an employee's personnel file via the US Postal Service mail process upon his/her request.
- B. The State will ensure that the supervisory file will be maintained at the camp to which the employee is currently assigned. These files will be maintained in a

central location under lock and key and accessible to the employee at his/her request.

## **25.02 CDCR Continuous Hours of Work/Dead Time/Emergencies**

- A. Section 11.03 shall not apply to camp officers during emergencies. Once an officer has returned to the camp from an extended emergency (three [3] days and over), the officer shall be afforded one (1) hour to complete all paperwork and clean and repack equipment in order to be ready for the next fire. If, at that point, the officer has put in sixteen (16) or more continuous hours of work, the Department representative shall ask the officer if he/she is able to complete the officer's shift. If not, the officer shall be allowed to go home and have at least an eight (8) hour break. If the officer feels that the officer can complete that shift, the officer shall be allowed to do so and then be allowed the eight (8) hour break.
- B. In the event that an employee has been involuntarily ordered over and works more than sixteen (16) hours in camp, the employee will be given an eight (8) hour break. If the eight (8) hour break extends into the employee's next regularly scheduled shift, the employee shall receive paid administrative time off for the hours of the break that extended into the shift.

## **ARTICLE XXVI PERMANENT INTERMITTENT APPOINTMENTS**

### **26.01 Permanent Intermittent Appointments**

- A. A Permanent Intermittent appointment is an appointment in which the employee is to work periodically or for a fluctuating portion of the full-time work schedule. A Permanent Intermittent Employee (PIE) may work up to two thousand (2,000) hours in any calendar year.

The number of hours and schedule of work shall be determined based upon the operational needs of each department. The State will make every effort to offer each PIE, not otherwise employed by the State, an average of one hundred (100) hours of work per pay period provided that work is available and the employee is ready, willing, and able to work as needed. The employer is not obligated to offer any hours to a PIE who holds or secures a full-time appointment with any State agency.

- B. Each department may establish an exclusive pool of PIEs based upon operational need.

Each department will endeavor to provide PIEs reasonable advance notice of their work schedule.

- C. Availability to Work

- 1. Except in camp settings, PIEs must be available to work all available shifts.

2. PIEs may be assigned regular days off, to a specific watch or area, except by local agreement or when an institutional need arises.
3. In CDCR, work assignments will be offered to PIEs based on an alphabetical rotational basis.
4. In CDCR, PIEs may be assigned to a post in two (2) week increments. PIEs assigned to these posts will be rotated using the continuous alphabetical listing every two (2) weeks.
5. In CDCR, once a PIE accepts work or refuses to work, or contact with the employee was unsuccessful, the employee will not be offered another assignment until his/her name reappears on the alphabetical rotation list.
6. Any refusal to work other than for reasons of verified illness (self or family), jury duty, or military obligations constitutes a waiver.
7. Definitions:
  - a. Contact: Verbal contact with the PIE or other adult living at the PIE's address, a page, or message left on voice mail or an answering machine.
  - b. Waiver: Verbal refusal by the employee to work when offered a work assignment. Failure to respond to an electronic page, voice mail message, or answering machine message does not constitute a waiver.
8. Only three (3) waivers in a twelve (12) month period are permitted. The fourth waiver to accept a work assignment within a twelve (12) month period may result in non-punitive termination proceedings.

D. Nonavailability

1. Upon request, the Appointing Authority may grant a PIE a period of nonavailability not to exceed twelve (12) months during which the employee shall not be charged with a waiver. Nonavailability may be granted based on the employee's enrollment in an educational program or hardship based on a documented family health care problem.
2. Approved nonavailability status may impact the hours of work available to the employee.
3. The period of nonavailability may be revoked based on operational needs.
4. An employee on nonavailability status who files for unemployment insurance benefits shall be immediately removed from such status.

E. The Appointing Authority or designee may grant a PIE limited availability.

F. A PIE earns one (1) "qualifying pay period" for every one hundred sixty (160) hours of paid employment in a monthly pay period or accumulated pay periods. The hours of paid employment in excess of one hundred sixty (160) hours in a

monthly pay period shall not be counted or accumulated. When an employee has a break in service or changes to full-time, any combination of time worked which does not equal one (1) qualifying pay period of full-time service shall not be counted or accumulated.

G. Retirement

A PIE qualifies for retirement membership after working one thousand (1,000) hours in a fiscal year (July 1 through June 30). All hours paid in a pay period are credited toward retirement membership eligibility.

After accruing one thousand (1,000) hours in a fiscal year, a portion of each employee's monthly pay is deducted and put into the retirement fund. In addition, the State contributes an amount on an employee's behalf each month according to a formula.

H. Each department will establish a date by which its PIEs shall receive their regular pay.

I. All remaining conditions of employment that relate to the employee shall be administered in accordance with applicable rules and regulations, unless modified by this MOU.

J. Change in Time Base to Full-Time

1. To be considered for a change in time base, the PIE must:

- a. Be eligible for a change in time base pursuant to SPB Rule 277, or be reachable on the CO eligibility list; **and**
- b. Have a satisfactory performance evaluation for the prior six (6) month period or term of service, whichever is shortest. Satisfactory performance is an overall average of standard or above on the employee's most recent performance evaluation.

2. Once eligibility is determined, appointments to full-time positions will be made in accordance with Bargaining Unit 6 Institutional Seniority.

Tie breakers shall be made in the following order:

- a. Total Bargaining Unit 6 Seniority;
- b. Score on CO Eligibility List;
- c. Last four digits of the Social Security Number (ascending order).

K. The number of PIEs in the classification of CO at each institution in CDCR as a general rule, will not exceed twelve percent (12%) of the institutions' budgetarily-authorized CO position count. The cap may be exceeded, upon discussion with the local CCPOA Chapter President due to the following:

1. Change in status is requested by employee in writing and approved by the Appointing Authority to go from Permanent Full-Time to Permanent Intermittent.
2. When a PIE has requested in writing and has been approved by the Appointing Authority to work less than the full number of hours available to all PIEs at the institution. This exception applies when the employee works less than one hundred (100) hours.
3. Where the institution is authorized to conduct an activity or program and has been funded for said activity or program in lieu of PYs. In most instances this would be a temporary situation pending submittal and approval of a Budget Change Proposal.
4. Assignment of PIEs from the Academy when:
  - (a) the PIE was not requested by the Appointing Authority, or
  - (b) the PIE was requested but the need for the PIE no longer exists.
5. Where a deactivation has occurred resulting in an overage of Permanent Full-Time Employees.
6. A PIE who has declined an offer of full-time employment may not be included as an exception as it applies to K. 1., and K. 4., above.

No PIE shall be subject to an involuntary transfer or layoff as a result of implementation of this section.

Where the cap has been exceeded and the reason for it no longer exists, the institution will meet with the local CCPOA Chapter President to discuss a plan to return to the authorized level.

Disputes concerning this section shall first be brought to the attention of the Warden or designee within ten (10) calendar days of having knowledge of the alleged violation. After a face-to-face meeting with the Warden, the Warden will respond to the local Chapter President within ten (10) calendar days.

If not satisfied with the Warden's response, the matter may be appealed to the Regional Administrator within five (5) calendar days of receipt of the response. The Regional Administrator shall review all appeals at a monthly meeting, if requested by the Union. Otherwise, the Regional Administrator shall respond to the Union within ten (10) calendar days of receipt of the appeal.

If not satisfied with the response of the Regional Administrator, the Union may appeal to the Director as the final level of appeal via the Chief Deputy Director within ten (10) calendar days of receipt of the response. The Director has the right to determine the remedy should there be a determination that a violation has occurred.

The established timelines may be extended by mutual agreement of the parties.

Any modification of the statewide cap in this section is subject to the notification process in accordance with Section 27.01, Entire Agreement.

## **26.02 Minimum Work Time for Intermittent Employees**

- A. When an intermittent employee is offered an assignment of less than four (4) hours, the employee may decline the assignment without the refusal being counted as a waiver under Section 26.01. Employees declining an assignment shall maintain their position on the hire list.
- B. Anytime an intermittent is ordered to work, the employee shall be credited with a minimum of four (4) hours of work. For the purposes of this section, “ordered to work” is defined as any offer of work that, if declined, would constitute a waiver under Section 26.01 of the MOU.

## **ARTICLE XXVII APPLICATION AND DURATION**

### **27.01 Entire Agreement**

- A. This Agreement sets forth the full and entire understanding of the parties regarding the matters contained herein and any other prior or existing understandings or agreements between the parties, whether formal or informal regarding any such matters are hereby superseded. Except as provided in this Agreement, it is agreed and understood that each party to this Agreement voluntarily waives its rights to negotiate with respect to any matter raised in negotiations or covered in this Agreement, for the duration of the Agreement.

With respect to other matters within the scope of negotiations, the interaction between this section and Section 4.01 (Management Rights) imposes Ralph C. Dills Act obligations upon the parties. The state of the law precedent under that Act, and the negotiating history of Section 27.01, even though worded differently, shall be state of the law and negotiating history as of July 2, 2006.

The history shall include arbitration decisions concerning the interaction between Section 4.01 and this section (e.g., the meaning of this section), bargaining history and the like. In short, the parties agree to “bridge” the gap in time between the expiration of the last contract (July 2, 2006) and the effective date of this Agreement with regard to the obligations created by the interaction between this section and Section 4.01.

- B. The parties agree that the provisions of this subsection shall apply only to matters, which are not covered in this Agreement.

The parties recognize that during the term of this Agreement, it may be necessary for the State to make changes in areas within the scope of negotiations. Where the State finds it necessary to make such changes, the State shall notify CCPOA’s Chief of Labor of the proposed change at least thirty

(30) days prior to its proposed implementation, except where a shorter notice period is provided for in this Agreement. The parties can mutually agree to extend the implementation.

CCPOA shall request to negotiate with the State within ten (10) business days regarding the impact of such changes. Any agreement resulting from such negotiations shall be executed in writing and shall become an addendum to this Agreement, subject to reopening and modification as discussed in the subsection C.

C. Historic and Future Local and Statewide Agreement

Upon the effective date of this Agreement, historic Local and Statewide Agreements, or portions thereof, that were not inconsistent with the status quo as it existed on the day prior to the effective date of this Agreement shall be revived, but subject to reopening consistent with the following process:

**Local Agreements Older Than Two (2) Years:** For any existing or future Local Agreement that is more than two (2) years old, upon approval by both CDCR Headquarters and DPA Labor Relations, CDCR/DMH may notice a change or changes that would be inconsistent with Local Agreement(s) or portions thereof. Within ten (10) business days of receipt of the notice, and after first discussing any concerns regarding the notice with the local Hiring Authority, CCPOA may request a meeting with the Division Director of the person approving the notice from CDCR Headquarters. The scheduling and holding of this meeting shall not delay the noticed implementation, but is designed to provide an opportunity for the parties to discuss further CCPOA's concerns regarding the subject matter of the notice. Taking into consideration information provided by both CCPOA and the local Hiring Authority, the Division Director shall determine how and whether the implementation shall proceed.

**Local Agreement Two (2) Years Old or Younger:** For any Local Agreement that is two (2) years old or younger, upon approval by both CDCR headquarters and DPA Labor Relations, CDCR/DMH may notice a change or changes that would be inconsistent with said Local Agreement(s) or portions thereof. Within ten (10) business days of receipt of the notice, and after first discussing any concerns regarding the notice with the local Hiring Authority, CCPOA may request a meeting with a position one (1) step below the Secretary, which is currently the position of Under Secretary. The scheduling and holding of this meeting shall not delay the noticed implementation, but is designed to provide an opportunity for the parties to discuss further CCPOA's concerns regarding the subject matter of the notice.

The Under Secretary shall hold a meeting with both CCPOA and the local Hiring Authority (who shall appear in person or telephonically as directed by the Under Secretary) to discuss CCPOA's concerns regarding the subject matter of the notice and CDCR/DMH's position regarding the change(s). All parties agree that this meeting will be conducted with professionalism and civility.

Taking into consideration the information provided by both CCPOA and the local Hiring Authority, the Under Secretary shall determine how and whether the implementation shall proceed.

**Statewide Agreements:** For any Statewide issue, upon approval by both CDCR Headquarters and DPA Labor Relations, CDCR/DMH may notice a Statewide change or changes that could be inconsistent with Local and/or Statewide Agreement(s). Within ten (10) business days of receipt of this notice, CCPOA may request a meeting with the Secretary and the Secretary shall meet CCPOA. The scheduling and holding of this meeting shall not delay implementation, but is designed to provide an opportunity for the parties to discuss further CCPOA's concerns regarding the subject matter of the Statewide notice.

Taking into consideration the information provided by both CCPOA and CDCR/DMH, the Secretary shall determine how and whether the Statewide implementation shall proceed.

The Dills Act obligations described in subsection (A) above shall apply if an agreement is reopened.

One year after the effective date of this Agreement, either CCPOA or the State may reopen this subsection (C).

- D. Once the State has noticed CCPOA pursuant to the Entire Agreement clause of this MOU and CCPOA timely has requested to negotiate within ten (10) business days of the postmark date of the CDCR/DMH's notice of implementation, the State and CCPOA agree to mutually engage in good faith bargaining for the period of time remaining before the CDCR/DMH's noticed implementation date. This, in part, means each side will Meet and Confer as often as necessary to potentially reach agreement. Both sides agree to work extended hours if necessary. If after the expiration of the period of time remaining before the CDCR's/DMH's noticed implementation date, the parties have failed to come to an agreement, the CDCR/DMH may implement the proposed change, including any items tentatively agreed upon up to that point in bargaining. However, the parties can mutually agree to extend the implementation date (Dills Act impasse procedures are not required as to any negotiations occurring pursuant to this entire Section 27.01). The parties shall continue meeting and conferring to impasse or agreement even after implementation has occurred (obviously CCPOA can waive this opportunity).

CCPOA reasonably may request information which is relevant to the issue noticed and the CDCR/DMH, in good faith, shall use its best efforts to fulfill such reasonable and relevant information requests. If the State believes CCPOA's information request to be unreasonable, or if CCPOA believes the State's response to an information request to be unreasonable, the ~~negotiated party~~ "negotiated party" may request to meet with the CDCR Secretary and/or his/her designee, who shall determine the issue.

If either party believes the other party to be engaged in bad faith bargaining, either party may take the issue to the CDCR Secretary. Nothing in this Agreement will prevent either party from filing a grievance.

E. The CDCR/DMH and CCPOA agree that the Meet and Confer process has at times been viewed as cumbersome and inefficient. In an effort to modify this perception, the CDCR/DMH and CCPOA agree to the following:

1. During the term of the MOU, in the event the CDCR/DMH finds it necessary to make changes in areas within the scope of negotiations, and also believes that it has a business necessity to expedite the standard procedure for noticing CCPOA of such changes, or believes that the proposed change will have a diminimus impact on employees in Unit 6, then the CDCR/DMH may notify CCPOA and request a waiver of thirty-day notice requirement and/or the necessity to Meet and Confer over the proposed change.

CCPOA is cognizant of the need of the CDCR/DMH to move quickly to implementation in some circumstances. Further, CCPOA is cognizant of the need to avoid unnecessary or excessive meetings on diminimus matters. This procedure, could result in waiver of the right to Meet and Confer, deferral to local negotiations, or implementation with post-implementation Meet and Confer over impact. The potential flexibility in these procedures will meet the needs of the CDCR/DMH and CCPOA.

2. In the event that there is no waiver from CCPOA, as described in subsection 1 above, but the State employer still feels that the business necessity exists and that it must move forward with a change in under thirty (30) days, it shall immediately inform CCPOA, as otherwise described in this section, of its intent to move forward. It shall also offer to commence negotiations immediately and if CCPOA requests to Meet and Confer, the parties shall do so, with all dispatch, as described in subsection D above. If the parties do not complete the Meet and Confer process before implementation, the State shall continue the Meet and Confer process until agreement or impasse, should the union so choose.
3. In circumstances where CDCR/DMH believes in good faith that it is impracticable or impossible to notice prior implementation, CDCR/DMH will notice as soon as possible and will offer to meet and confer on an expedited basis.
4. Under any scenario in this subsection E, the CDCR/DMH Chief of Labor Relations or the CDCR/DMH Assistant Chief of Labor Relations will contact the CCPOA representative, as described below, and provide the following information regarding the proposed change: The nature of the proposed change, location of the proposed change, the proposed implementation date for such change, and an explanation why the proposed change is appropriate for shortened notice or waiver of Meet and Confer under this Agreement.

CCPOA agrees to provide to CDCR/DMH a prioritized list of CCPOA employees to whom telephonic notice may be conveyed under this procedure. The CDCR/DMH agrees to provide notice to the highest listed individual who is available to take the call. This telephonic contact must then be confirmed in writing by both the CDCR/DMH and CCPOA

- F. Should CDCR/DMH need to implement with less than thirty (30) days' notice at the direction of a Receiver and/or in order to comply with the Court's directive, CDCR/DMH will arrange for CCPOA to be provided a statement from the Receiver/Court to that effect. In such circumstances, CDCR/DMH may implement, but then must negotiate, if requested by CCPOA within ten (10) business days of receipt of the notice, as soon as possible and on an expedited basis.
- G. Every time a court, a judge, or special master proposes (or has a motion before him/her) to enter an order that may impact terms and conditions of employment, the State employer shall notify CCPOA's Chief of Labor in writing as soon as possible of the proposed order and the hearing date relative thereto. This includes the State notifying CCPOA as soon as possible of it submitting to a court or court-appointed Receiver any proposed plan, program, directive, or order that would if implemented, have an impact within the scope of negotiations.
- H. An expedited arbitration procedure shall be available in the following limited circumstances. In situations in which irreparable injury will result from a noticed implementation and for which there is no adequate remedy at law (e.g., backpay), CCPOA may request an expedited arbitration of the matter. The parties will exercise best efforts to secure an arbitrator, have the arbitration (including arbitrating during non-business hours, e.g., on weekends and holidays) and receive the decision (written or bench depending upon the circumstances) prior to the noticed implementation. The parties may develop a list of arbitrators who commit to be available for these short-notice, expedited proceedings.
- I. If the parties are in disagreement as to whether a proposed change is subject to this section, such disagreement may be submitted to the arbitration procedure for resolution. The arbitrator's decision shall be binding.
- J. Unless otherwise provided herein, or unless changed by mutual agreement, there shall be no diminution of existing wage rates and/or substantial monetary employee benefits during the term of this Agreement. Provided, however, the parties agree to Meet and Confer over alternatives to layoff and/or other unforeseen economic crises.

## **27.02 Application of Agreement**

Consistent with the Preamble to this Agreement, it is mutually agreed by both parties that all agreements reached in this MOU shall not be arbitrarily, capriciously, discriminatorily or unreasonably applied or denied.

## **27.03 Term**

Unless a specific provision provides for a different effective or termination date (e.g., 15.18 Defined Contribution Plan, POFF II), the terms of this MOU shall go into effect the pay period following ratification by the union and the legislature, and shall remain in full force and effect through and including July 2, 2013.

#### **27.04 Activations/Deactivations**

The parties agree that the institutions and facilities are dynamic environments in which populations and needs can change daily. As such, the activations and deactivations of overcrowding packages (e.g, Gym's/facilities overcrowding/MSF) shall not be subject to the meet and confer process detailed in Section 27.01 of the Agreement. Instead, these changes will be governed by the following process:

1. Within ten (10) working days of receiving the Institution Activation Schedule ("IAS") notice, CCPOA can request to meet locally with the Hiring Authority to discuss the IAS Notice.
2. The parties will meet locally within ten (10) days of CCPOA's request to meet and discuss the IAS Notice. Prior to meeting locally, the State shall provide the local CCPOA representatives the staffing package and all related policies and procedures associated with the activation/deactivation.
3. To the extent that implementation has not already occurred, implementation of the IAS notice will not be delayed by virtue of these discussions.
4. Should CCPOA continue to have concerns regarding the IAS notice, it may elevate those concerns to a State level joint committee comprised of no more than five (5) individuals each from CCPOA and CDCR/DMH. This joint committee shall meet as needed. If the committee is unable to resolve the issue(s), the IAS notice will convert to a Meet and Confer notice and proceed pursuant to the process detailed in section 27.01 of the MOU.

#### MASTER LIST OF INSTITUTIONS FOR NUMBERING OF GRIEVANCES

Upon the filing of the written grievance, the institution shall assign the grievance a number in the following fashion: The year (e.g., 92 for the year 1992) – a letter

symbolizing the appropriate CCPOA office (e.g., Avenal would assign a “C” for CCPOA’s Central Office in Fresno) – the institution or parole region by number (see the attached number assignments) – and the number of the grievance at that institution in order of filing (e.g., the first grievance filed at that institution would be assigned #1, the second grievance filed at that institution would be assigned #2). For example, the first written grievance filed at Avenal State Prison in 1992 would be assigned the following number: 92-C-1-1. This same number shall follow the grievance throughout the grievance and arbitration process.

### **SIDELETTER #1— REGARDING SECTION 27.01 — RETIREMENT BENEFITS**

During the term of this Agreement, if legislation is enacted providing any state employees either an increase of the income cap on retirement benefits above eighty-five percent (85%) or a Deferred Retirement Option Plan (DROP), the State agrees to include Bargaining Unit 6 employees in the legislation.

### **SIDELETTER #2 – REGARDING CONTINUOUS APPROPRIATION**

However, in that event, CCPOA may challenge such directive in any judicial forum of its choosing (at its own expense). The State Employer shall stay neutral regarding, or may support the union in, that challenge.

### **SIDELETTER #6 – REGARDING FIELD TRAINING OFFICER**
